mental perversions as natural guidelines for a satisfied individual life and forgot the value of disciplined freedom in the attainment of conjugal bliss and happiness The conjugal life of Rajesh and his paranoid wife Geetha is the pivot around which more than three hundred real or fictitious persons create a social milieu portraying the agony and misery faced by modern families If the Tower of Babel was an attempt made by man to reach heaven the builders had to face physical emotional and intellectual impediments Here the Tower of Babel stands as a symbol of human efforts to attain heavenly conjugal bliss and Language as the divine gift given to prudent couples at times leading individuals to equivocation to reciprocal understanding or misunderstanding We live in a world where every individual is aware of the limitations of language We are confused and we misunderstand each other to the instability of language and undecidability of meaning We ignore the fact that our life and experiences are governed by certain ideologies which are built into our language and thereby language is no longer a reliable mode of communication From the heart of every man and woman comes the deep sigh Oh God I m helpless I can t communicate with my spouse When the partners in family life fail to understand each other s language this Babel Tower falls down Through the nostalgic experiences of the narrator in between two flights from Ethiopia to India and back the novel brings out certain tragic realities to remind the readers about the very delicate issues akin to successful family life Alexander Raju s novel When Babel Tower Is Falling Down is a valuable contribution to Indian English Diasporic Literature *The Opposite of Worry* Lawrence J.
