Slave Hunt:

No Slave-hunting in the Old Bay State Wendell Phillips, 1859 **Master Slave Husband Wife** Ilyon Woo, 2024-01-16
Presents the remarkable true story of Ellen and William Craft who escaped slavery through daring determination and disguise with Ellen passing as a wealthy disabled white man and William posing as his slave **Slave Patrols** Sally E. Hadden, 2003-10-30 Obscured from our view of slaves and masters in America is a critical third party the state with its coercive power This book completes the grim picture of slavery by showing us the origins the nature and the extent of slave patrols in Virginia and the Carolinas from the late seventeenth century through the end of the Civil War Here we see how the patrols formed by county courts and state militias were the closest enforcers of codes governing slaves throughout the South Mining a variety of sources Sally Hadden presents the views of both patrollers and slaves as she depicts the patrols composed of respectable members of society as well as poor whites often mounted and armed with whips and guns exerting a brutal and archaic brand of racial control inextricably linked to post Civil War vigilantism and the Ku Klux Klan City councils also used patrollers before the war and police forces afterward to impose their version of race relations across the South making the entire region not just plantations an armed camp where slave workers were controlled through terror and brutality Slave Hunt J. A. Rock, 2016-10-17 Thirty people Two hours Only the strong will survive When Riddle decides to put on a slave hunt the Subs Club is on board Tops hunting bottoms in the woods with paintball guns Yes Captives strung up on whipping posts at the mercy of their captors Hell yes But on the morning of the hunt nothing s going according to plan Miles and Drix are at odds over Miles s reluctance to move in together Dave is determined to show up D who thinks Dave won t last two minutes in the woods Gould finds himself torn between obeying his master s orders and living out a longtime fantasy And Kamen inadvertently becomes a double agent when he aligns himself with two different parties By the end of the hunt alliances will be forged and broken loyalties will be tested relationships will be strengthened and someone will barrel roll Narrated by ten different characters Slave Hunt tells the story of two hours in the woods that will change everyone forever Or at least remind them that love is the greatest victory of all *Materials of the Mind* James Poskett, 2022-02-19 Phrenology was the most popular mental science of the Victorian age From American senators to Indian social reformers this new mental science found supporters stretching around the globe *Materials of the Mind* tells the story of how phrenology changed the world and how the world changed phrenology This is a story of skulls from the Arctic plaster casts from Haiti books from Bengal and letters from the Pacific Drawing on far flung museum and archival collections and addressing sources in six different languages *Materials of the Mind* is the first substantial account of science in the nineteenth century as part of global history It shows how the circulation of material culture underpinned the emergence of a new materialist philosophy of the mind while also demonstrating how a global approach to history could help us reassess issues such as race technology and politics today **Hansard's Parliamentary Debates** Great Britain. Parliament, 1850 **Runaway Virgins: Danish**

Travels in the Great Desert of Sahara, in the Years of 1845 and 1846 James Richardson,2022-09-16 In Travels in the Great Desert of Sahara in the Years of 1845 and 1846 James Richardson presents a vivid and detailed account of his journeys through one of the world s most enigmatic landscapes This narrative rich in descriptive imagery captures the stark beauty of the Sahara while delving into its cultural intricacies and the challenges faced by explorers of his time Richardson s literary style balances scientific observation with lyrical prose evoking the majestic expanses and the arduous realities of travel in the 19th century Furthermore the book is situated within the broader context of Victorian exploration literature where the allure of the unknown was both a personal and a collective obsession of the era James Richardson a British explorer and surveyor was driven by an insatiable curiosity about the uncharted territories of Africa His experiences in the Sahara not only highlight his keen interest in geography but also reflect the broader imperial pursuits of knowledge and trade during this period Richardson s background in surveying and his interactions with various cultures during his travels inform his perspective allowing readers to appreciate the complexities of the regions he traverses For readers captivated by the allure of exploration and the profound landscapes of the Sahara Richardson s work serves as an essential contribution to the literature of adventure and anthropology His intimate portrayal of the desert combined with astute reflections on the human experience within it makes this book a vital resource for both historical scholars and modern adventurers seeking to understand the legacy of exploration

Violence from Slavery to #BlackLivesMatter Andrew

Dix, Peter Templeton, 2019-11-12 Violence from Slavery to BlackLivesMatter brings together perspectives on violence and its representation in African American history from slavery to the present moment Contributors explore how violence signifying both an instrument of the white majority's power and a modality of black resistance has been understood and articulated in primary materials that range from slave narrative through lynching plays and Richard Wright's fiction to contemporary activist poetry and from photography of African American suffering through Blaxploitation cinema and Spike Lee's films to rap lyrics and performances Diverse both in their period coverage and their choice of medium for discussion the 11 essays are unified by a shared concern to unpack violence's multiple meanings for black America Underlying the collection too is not only the desire to memorialize past moments of black American suffering and resistance but in politically timely fashion to explore their connections to our current conjuncture
