That's how Riach, the most powerful political figure on the freedom loving planet of Alundis, intends to keep his power. Yod, his assistant, and the person behind Riach's rise to power, has come to learn how precarious his position is. Under Riach's orders to bring in money for a spy network, Yod has learned of a secret planet that uses slave labor to produce cut rate resources. Meanwhile, Tomal, an astrophysicist who is part of a secret organization dedicated to bringing down Riach, has discovered too much about the illicit financing and is kidnapped and spirited away to the slave planet. There, he learns from slave-born Xenon that there is little chance to escape such oppression. When Tomal, who yearns for home, makes a desperate break for freedom, he is joined on the run by Xenon. The pair soon discover that a jackal-like search party is on their trail. Can the ill-equipped escapees elude capture? Is there hope of a rescue, or will they die as slaves? This nearby star path had some contact with each other, which was a very normal thing. Perhaps there

were some star paths that would destroy the star path group to avenge them. However, Lin Tian and the others seemed to have good luck. Although they encountered another fire star path along the way, that star path did not dare to attack them. Twenty seventh level battleships, twenty sixth level battleships, this was not something that ordinary forces could have. If they recklessly attacked, they would be in great trouble. Huh finally arrived at the Black Nether Star System. Fei Ya let out a sigh of relief and said, getting seventeen billion Universe Coins if they encountered great trouble because of this, it would not be worth it. One must know that if they only lost one seventh level battleship, it would only be worth a hundred billion. To the Black Netherworld Star System range through the control seven front mysterious window, is can see a warship, spaceship, also battleship, flying saucer, fighter, anything is also coming and going. As the entire Blue Sea Empire, largest black market, Black Netherworld Star System gravity is quite large, far not the small black market at the border of the Austrian Empire and the Jia Ma Empire can compare.
