

SLAVERY SEGREGATION AND SCRIPTURE

"This book could prepare the way for evangelical Protestantism to make the kind of contribution to the problem of race relations that it is capable of making and has the responsibility to make." —DONALD H. SCHUBA, Professor of Sociology and Anthropology, Western Michigan University

by J. Oliver Buswell, III

Slavery Segregation Scripture

Stephen R. Haynes

Slavery Segregation Scripture:

Jesus, the Bible, and Homosexuality, Revised and Expanded Edition Jack Rogers, 2009-04-14 In this revised and expanded best seller Rogers argues for equal rights in both the church and society for lesbians gays bisexuals and transgendered people He describes how he moved away from opposition to support charts the church s history of using biblical passages to oppress marginalized groups argues for a Christ centered reading of Scripture debunks stereotypes about gays and lesbians and explores texts used most frequently against homosexuals and gay ordination In this newly revised edition he maps the recent progress of major U S denominations toward full equality for LGBT persons adds a new chapter that examines how Scripture is best interpreted by Jesus redemptive life and ministry and updates his own efforts and experiences The book also includes a guide for group study or personal reflection *Jesus, the Bible, and Homosexuality* Jack Bartlett

Rogers, 2006-01-01 In this sure to be controversial book former seminary professor and church official Jack Rogers argues unequivocally for the ordination of homosexuals and for the extension of full and equal rights in society to all people who are homosexual Christianity he observes has moved through history in the direction of ever greater openness and inclusiveness Today s church is led by many of those who were once cast out people of color women and divorced and remarried people It is inevitable he believes that gay lesbian bisexual and transgender people will one day walk in the same steps as other Christian leaders Rogers an evangelical begins by discussing his own personal change of heart and mind on the issue a change that has moved him into the middle of this controversy in his own church the Presbyterian Church U S A He examines how the church misused the Bible to justify slavery and the denial of rights to women and links these efforts to efforts today to use biblical texts to deny equal rights to gays and lesbians He shows how neither the Bible nor the Confessions are opposed to homosexuality and debunks frequently used fundamentalist stereotypes and myths about gays and lesbians Rogers concludes with his thoughts on how the church can heal itself and move forward Slavery, Segregation, and

Scripture James Oliver Buswell, 1964 Readings for Diversity and Social Justice Maurianne Adams, 2000 These essays include writings from Cornel West Michael Omi Audre Lorde Gloria Anzaldua and Michelle Fine The essays address the multiplicity and scope of oppressions ranging from ableism to racism and other less well known social aberrations **Black Theology and Ideology** Harry H. Singleton, III, 2020-10-20 Combining the theological methods of Juan Luis Segundo and James H Cone Harry Singleton sheds new light on the impact of race on the origin and development of theology in America In *Black Theology and Ideology* Singleton appropriates Segundo s method of deideologization to argue that relevant theological reflection must expose religio political ideologies that justify human oppression in the name of God as a distortion of the gospel and counter them with new theological presuppositions rooted in liberation Singleton then contextualizes Segundo s method by offering the theology of James Cone as the most viable example of such a theological perspective in America Chapters are The Black Experience and the Emergence of Ideological Suspicion The Western Intellectual Tradition and

Ideological Suspicion Hermeneutical Methodology and the Emergence of Exegetical Suspicion A New Hermeneutic and The Case for Indigenous Deideologization Harry H Singleton III Ph D is assistant professor of comparative religions and African American religion in the religion philosophy department at Benedict College Columbia South Carolina

Noah's Curse Stephen R. Haynes, 2002-03-28 In Noah's Curse Stephen Haynes explores the historical context of slavery The author identifies the manner in which the great and good interpreted the story in Genesis to provide free labour and a scriptural justification for the Black Holocaust

An Introduction to Biblical Ethics J. Robertson McQuilkin, 1995 A highly readable book which states the need for a clear system of moral values and duties based on solid biblical scholarship and an understanding of today's culture Part One deals with what the Bible says about love law sin and ethics Part Two tells how to apply all these biblical principles to life

Black and Slave David M. Goldenberg, 2017-05-22 Studies of the Curse of Ham the belief that the Bible consigned blacks to everlasting servitude confuse and conflate two separate origin stories etiologies one of black skin and the other of black slavery This work unravels the etiologies and shows how the Curse an etiology of black slavery evolved from an earlier etiology explaining the existence of dark skinned people We see when where why and how an original mythic tale of black origins morphed into a story of the origins of black slavery and how in turn the second then supplanted the first as an explanation for black skin In the process we see how formulations of the Curse changed over time depending on the historical and social contexts reflecting and refashioning the way blackness and blacks were perceived In particular two significant developments are uncovered First a curse of slavery originally said to affect various dark skinned peoples was eventually applied most commonly to black Africans Second blackness originally incidental to the curse in time became part of the curse itself Dark skin now became an intentional marker of servitude the visible sign of the blacks degradation and in the process deprecating black skin itself

Africa and the Bible Gene Rice, 2019-11-18 Africa and the Bible is a collection of essays about the African influence on and presence in the Old Testament written over Gene Rice's more than fifty years of scholarly service at Howard University School of Divinity They focus on characters with African heritage such as Ebed melech and Jehudi in Jeremiah and the prophet Zephaniah himself as well as dealing with texts that have been misinterpreted to the detriment of African Americans such as the story of the curse of Canaan in which Ham and all his dark skinned descendants are the ones viewed as cursed One article provides evidence that the original worshippers of YHWH may have been from the land of Kush One of Rice's earliest articles deals with the story of Joseph and relates it to Jim Crow Rice finds in the story a model for racial reconciliation that is still relevant today With a foreword by his colleague of many years Cain Hope Felder Professor of New Testament at Howard University School of Divinity now retired and a preface by Jonathan Rice Gene Rice's son the book is a treasure trove of carefully researched thought provoking articles and a perfect supplement to be used alongside a Hebrew Bible textbook

Answers to Your Biblical Questions Jean Billy Beaufils, 2022-07-22 In this book The Reverend Doctor J Billy Beaufils Pastor former President of the Mission Th ophile in

Christ Inc Current President of the Association of Haitian Evangelical Pastors of Georgia Veteran in radio broadcasting for 26 years with a determination and an extraordinary courage like that of Jeremiah does not stop teaching and exposing the Word of God to the Haitian communities throughout the United States of America and Haiti He has just offered us this brilliant and vigorous work which I call an encyclopedia which all Bible teachers should have a copy for reference in their archives This book is a gift that Dr Beaufils my friend my brother my colleague made for the Haitian and Haitian American communities but especially to humanity in general Let s face it Dr Beaufils has shown unfailing honesty in his work by denouncing and exposing the lies of the gods of this century conveyed by false disguised ministers whom our Lord Jesus Christ calls ravening wolves We know that man is a tragic actor placed in a totally absurd environment where it is impossible for him to satisfy his rational aspirations that some call The Theater of the Absurd So Dr Beaufils invites us to leave this land of absurdity and encourages us to embark with him on the true path the path of reality the path of truth that will lead us to a blessed and happy eternity Are you ready to take this beautiful and great trip with Dr Beaufils Rev Duvarde Francois Pastor Writer BPA

MAR Does the Bible Affirm Same-Sex Relationships? Rebecca McLaughlin, 2024-05-15 Examines the arguments used to claim that the Bible affirms same sex relationships You may have heard the claim that the Bible when read correctly is not against believers entering monogamous faithful same sex relationships The arguments sound quite compelling Jesus never talked about same sex relationships Paul was only condemning exploitative relationships not consensual ones We don t keep the Old Testament food laws so why would we keep the ones on same sex sex If God is love he can t be against relationships of love And more Have Christians through the ages just been getting this one wrong In this concise book Rebecca McLaughlin looks at ten of the most common arguments used to claim that the Bible affirms same sex sexual relationships She analyzes the arguments and associated Bible passages one by one to uncover what the Bible really says For Rebecca as someone with a lifelong history of same sex attraction this is not just an academic question But rather than concluding that the Bible does affirm same sex marriage she points readers to the gospel purpose of male female marriage a different kind of gospel centered love between believers of the same sex and God s life and love filled vision for singleness [The Bible in American Law and Politics](#) John R. Vile, 2020-09-19 While scholars increasingly recognize the importance of religion throughout American history The Bible in American Law and Politics is the first reference book to focus on the key role that the Bible has played in American public life In considering revolting from Great Britain Americans contemplated whether this was consistent with scripture Americans subsequently sought to apply Biblical passages to such issues as slavery women s rights national alcoholic prohibition issues of war and peace and the like American presidents continue to take their oath on the Bible Some of America s greatest speeches for example Lincoln s Second Inaugural and William Jennings Bryan s Cross of Gold speech have been grounded on Biblical texts or analogies Today Americans continue to cite the Bible for positions as diverse as LGBTQ rights abortion immigration welfare health care and other contemporary issues By providing essays on key

speeches books documents legal decisions and other writings throughout American history that have sought to buttress arguments through citations to Scriptures or to Biblical figures John Vile provides an indispensable guide for scholars and students in religion American history law and political science to understand how Americans throughout its history have interpreted and applied the Bible to legal and political issues **An End to this Strife** Demetrius K. Williams, Williams's important work argues that taking the New Testament and particularly Galatians 3:28 seriously should lead black churches to challenge sexism and racism not only in society at large but also in African American churches and denominational bodies By addressing oppressive practices in African American and other churches they remain true to the liberation principle of the Bible the equality of all people before God which has been used effectively by black churches His argument unfolds first through looking at the biblical text especially the figure of Jesus and his ministry and how he broke the social barriers of his day It then shows how African American Christians have historically appropriated this lens and legacy in their own religious and social experience and explains how this vision pertains to the state of black women in the churches today Williams's book will help all Christian churches reappropriate the biblical text and serve as a model for how the Bible can be responsibly employed in the churches and the public arena to promote equality for all people **Cross Examined** John W.

Campbell, 2021-09-15 Christianity is more than just a religion It is a social organism that affects the lives of every person on earth in significant ways even if they are not Christians themselves In the United States its influence is pervasive with often profound influence on public policies but it is largely unchallenged as a belief system relegated to that quarantined area outside the zone of polite conversation Despite much academic ink being allotted to the weaknesses of Christianity as a valid belief system the general public remains unaware of these flaws In **Cross Examined** John Campbell applies his almost thirty years of experience as a trial lawyer to dissecting Christianity and the case of apologists for the Christian God He addresses the best arguments for Christianity those against it and the reasons people should care about these questions His purpose is to fill a void in books on atheism and Christianity by systematically taking Christian claims to task and making a full-throated argument for atheism from the perspective of a trial lawyer making a case Practical Anthropology, 1969 Ministers of Propaganda Scott M. Coley, 2024-06-04 Scott Coley exposes the inner workings of the religious right's propaganda and how Christians can resist it Good evangelical Christians are Republican It seems like it's always been this way That means the propaganda is working Scott Coley trains a critical eye on the fusion of evangelicalism and right-wing politics in **Ministers of Propaganda** This timely volume unravels rhetoric and biblical proof-texting that support Christo-authoritarianism an ideology that presses Christian theology into the service of authoritarian politics Coley's historically informed argument unsettles evangelical orthodoxy on issues like creation science or female leadership convictions not as unchanging as powerful religious leaders would have us believe Coley explains that we buy into propaganda because of motivated reasoning and when we are motivated by perceived self-interest the Christian message is easily corrupted But if we recover Jesus's

commandment to love our neighbors as ourselves right wing propaganda will lose its power Any reader troubled by American evangelicals embrace of racism misogyny and other unchristian views will find answers and hope in these pages

Slavery's Long Shadow James L. Gorman, Jeff W. Childers, Mark W. Hamilton, 2019-02-12 How interactions of race and religion have influenced unity and division in the church At the center of the story of American Christianity lies an integral connection between race relations and Christian unity Despite claims that Jesus Christ transcends all racial barriers the most segregated hour in America is still Sunday mornings when Christians gather for worship In *Slavery's Long Shadow* fourteen historians and other scholars examine how the sobering historical realities of race relations and Christianity have created both unity and division within American churches from the 1790s into the twenty first century The book's three sections offer readers three different entry points into the conversation major historical periods case studies and ways forward Historians as well as Christians interested in racial reconciliation will find in this book both help for understanding the problem and hope for building a better future Contributors Tanya Smith Brice Joel A Brown Lawrence A Q Burnley Jeff W Childers Wes Crawford James L Gorman Richard T Hughes Loretta Hunnicutt Christopher R Hutson Kathy Pulley Edward J Robinson Kamilah Hall Sharp Jerry Taylor D Newell Williams

Evangelical Review of Theology, Volume 46, Number 3, August 2022 Thomas Schirrmacher, 2022-08-25 ERT publishes quality articles and book reviews from around the world both original and reprinted from an evangelical perspective reflecting global evangelical scholarship for the purpose of discerning the obedience of faith and of relevance and importance to its international readership of theologians educators church leaders missionaries administrators and students The journal is published as a ministry rather than as a commercial project seeking to be of service to the worldwide spread of the gospel and the building up of the church and its leadership in co ordination with the World Evangelical Alliance's broader mission and activities

The Logic of Intersubjectivity Darren M. Slade, 2020-08-27 To survey harsh criticisms against Brian Douglas McLaren 1956 readers gain the inaccurate impression that he is a heretical relativist who denies objective truth and logic While McLaren's inflammatory and provocative writing style is partly to blame this study also suspects that his critics base much of their analyses on only small portions of his overall corpus The result becomes a caricature of McLaren's actual philosophy of religion What is argued in this book is that McLaren's philosophy of religion suggests a faith based intersubjective relationship with the divine ought to result in an existential appropriation of Christ's religio ethical teachings When subjectively internalized this appropriation will lead to the assimilation of Jesus kingdom priorities thereby transforming the believer's identity into one that actualizes Jesus kingdom ideals The hope of this book is that by tracing McLaren's philosophy of Christian religion future researchers will not only be able to comprehend and perhaps empathize with McLaren's line of reasoning but they will also possess a more nuanced discernment of where they agree and disagree with his overall rationale

Does Scripture Speak for Itself? Jill Hicks-Keeton, Cavan Concannon, 2022-10-06 Is the Bible the unembellished Word of God or the product of human agency

There are different answers to that question And they lie at the heart of this book s powerful exploration of the fraught ways in which money race and power shape the story of Christianity in American public life The authors subject is the Museum of the Bible in Washington DC arguably the latest example of a long line of white evangelical institutions aiming to amplify and promote a religious political and moral agenda of their own In their careful and compelling investigation Jill Hicks Keeton and Cavan Concannon disclose the ways in which the Museum s exhibits reinforce a particularized and partial interpretation of the Bible s meaning Bringing to light the Museum s implicit messaging about scriptural provenance and audience the authors reveal how the MOTB produces a version of the Bible that in essence authorizes a certain sort of white evangelical privilege promotes a view of history aligned with that same evangelical aspiration and above all protects a cohort of white evangelicals from critique They show too how the Museum collapses vital conceptual distinctions between its own conservative vision of the Bible and The Bible as a cultural icon This revelatory volume above all confirms that scripture for all the claims made for it that it speaks only divine truth can in the end never be separated from human politics

Immerse yourself in heartwarming tales of love and emotion with Explore Love with is touching creation, Tender Moments: **Slavery Segregation Scripture** .
