loved the man she had loved her entire life However fate had another plan for her In this turbulent tale of love war and upheaval Sahar finds that she must choose between love and duty and the choice she makes will change her forever This first book is an introduction to Atlantean culture to Lemuria and Kemet It is an intricate epic saga of wonder and suspense of love treachery and magic It will awaken a deep collective memory of the past within each person who dives into its pages as it follows the life of the last Queen of Atlantis This book depicts life as it was in the final days before the great flood A flood that in modern times is recognized by many cultures and religious groups and has become a part of their own story their own belief systems *Shadows of Atlantis* Mara Powers,2015-10-28 Brigitte is an emissary of nature chosen to renew the treaty between Atlantis and the ancient bloodline of Lemuria Her sacred betrothal would renew the elemental function of the Crystal Grid that powers the ten kingdoms of Atlantis But her people are attacked by a storm of shadows and now she is running for her life Upon her arrival in the ruling city she meets D Vinid a dejected musician who lives the quintessential Atlantean lifestyle of revelry escapism and apathy Under the eclipse of a holy festival they are swept into an attraction they cannot resist Their union may protect humanity from its worst enemy the shadows of Atlantis But there is one problem this man is not her betrothed Brigitte discovers the Grid is corrupted by psychic parasites that feed off human suffering an epidemic called the madness The rituals required to charge the Grid with psychic emanations have been poorly attended and this has caused the Grid to malfunction But as nature always strives toward balance the crystals have activated a genetic upgrade among the people The youth have begun to express supernatural powers Could it be that D Vinid and Brigitte are meant to be leaders among the awakened And if so why does it seem impossible for them to be together A mysterious tale of romance seduction and betrayal that reaches just enough into the modern mind to ask will we learn the lessons of Atlantis

No More Secrets, No More Lies Patricia Cori,2010-05-18 Building on the historical perspective that characterized the previous book in the trilogy *Atlantis Rising* this final volume asks readers to remember that when they decided to come to this earth adventure blowing down the Establishment Walls would be a Herculean task But she adds Fall they would indeed Hastening this necessary next step in evolution to higher being says author Patricia Cori requires understanding the forces at work and how to challenge and conquer them *No More Secrets No More Lies* unmask the lies that have been employed to disempower the human race while illuminating the tools necessary for those who intend to ascend with a revitalized Planet Earth Intended as a guide for overcoming the designs of the dark warriors and a blueprint for achieving the absolute freedom that is our true birthright as the super race of the realm this provocative book brilliantly integrates into a larger schema such issues as media manipulation racism dark forces crop circles our food and water and imminent extraterrestrial contacts with the cosmic unfolding of human awareness and the evolutionary activation of our complex DNA codes our blueprint to immortality From the Trade Paperback edition
