back to London But circumstances change And to Ralph it was only a promise *The Literary History of Saskatchewan* David Carpenter, Kelly-Anne Riess, 2018-10-01 Volume 3 shifts its focus to Regina's literary culture and to the coming generation of younger writers but it continues to examine the best work from Saskatchewan The impact the relevance the illuminations of our best writers work tend to move well beyond the borders of our province This work transcends the regional sources of its inspiration Just as Marilynne Robinson has much to say to Canadians about the disruptions and the graces of family life Dianne Warren has much to say to Americans about the omnipresence of the past the shadows it casts on people's lives in the present Many of our best books are nurtured by the history and the life of this province but they spring into literature roughly in proportion to their applications and their immemorial responses to the human condition **No Ordinary Love** Mary Balogh, 2017-09-05 NO ORDINARY LOVE The North Tower Daphne Borland has inherited an old castle from her grandfather provided she marries the earl of Everett whom she has never met She has never seen the castle either yet she feels a deep connection to it as soon as she arrives there As she awaits the arrival of the earl with trepidation she gets caught up in the events and passions of long ago and finds herself falling deeply in love with a man who has been dead for a hundred years The Dark Rider Malvern is an ancient house haunted by ghosts but only a few people can actually feel and see them Dinah Riddings sent there to avoid the measles that have attacked her younger siblings is one of them As she feels the pain and longings of the dark rider and his lady cruelly separated two centuries before she also feels the pull of attraction to the master of the house who looks incredibly like the dark rider The Heirloom In order to celebrate his engagement John Chandler drives his girlfriend from London to a remotely situated hotel in West Wales once the home of his ancestors However when John produces her ring an old family heirloom and fits it on her finger he finds himself catapulted back in time to become the John Chandler of Regency England newly arrived at the house with his new wife and dying of consumption A Daring Masquerade Mary Balogh, 2018-08-07 Kate Mannering a lady's companion is mistaken for the lady herself and kidnapped by a dashing masked highwayman When she hears his story however before being released she decides to help him recover his stolen birthright and soon gets herself embroiled in danger from smugglers and a would be seducer Meanwhile an annoying indolent guest at the home of her employer insults her at every opportunity but rescues her from every danger even when she does not need or appreciate his help She is alarmed to find herself falling quite inappropriately for both the highwayman and the guest The Obedient Bride Mary Balogh, 2020-06-02 Geoffrey the new Viscount Astor needs a wife Since he sets no great store by love and romance he decides it would be eminently sensible to offer marriage to one of the three daughters of his predecessor He has never met any of them and has no preference He leaves the choice to them and their mother Arabella the middle daughter volunteers to make the sacrifice and marry the earl since her older far more lovely sister is already in love with someone else She prays that he will be an older man of few attractions for she sees herself as plain and uninteresting She is dismayed to discover that Geoffrey is in fact young

handsome and fashionable She vows to be a dutiful obedient wife and to devote her life to making him comfortable Arabella's plan seems to be working nicely for both Geoffrey and herself until that is she discovers something about him that shocks her to the core It is an offense she considers quite unforgivable And when Arabella makes up her mind about something she is not easily persuaded to change it Geoffrey is finally shaken out of his complacency to the discovery that his wife means far more to him than he had realized But how is he to win her back when she flatly refuses to be wheedled out of her outrage
