Baker, 1987 The Sloop of War, 1650-1763 Ian McLaughlan, 2020-01-31 A delight fulfills a long felt need to do justice to the smaller ships of war that did such sterling service for the sailing Royal Navy Ships in Scale This is the first study in depth of the Royal Navy s vital but largely ignored small craft In the age of sail they were built in huge numbers and in far greater variety than the more regulated major warships so they present a particular challenge to any historian attempting a coherent design history However for the first time this book charts the development of the ancillary types variously described in the 17th century as sloops ketches brigantines advice boats and even yachts as they coalesce into the single 18th century category of Sloop of War In this era they were generally two masted although they set a bewildering variety of sail plans from them The author traces their origins to open boats like those carried by Basque whalers shows how developments in Europe influenced English craft and homes in on the relationship between rigs hull form and the duties they were designed to undertake Visual documentation is scanty but this book draws together a unique collection of rare and unseen images coupled with the author s own reconstructions in line drawings and watercolor sketches to provide the most convincing depictions of the appearance of these vessels By tackling some of the most obscure questions about the early history of small boat rigs the book adds a dimension that will be of interest to historians of coastal sail and practical yachtsmen as well as warship enthusiasts Fascinating It combines a truly scholarly delivery with a lovely presentation History brought to life tomcunliffe com *Colonial Trade of Maryland, 1689-1715* Margaret Shove Morriss, 1914 **The Johns Hopkins University Studies in Historical and Political Science** ,1914 *Jurisdiction in American Building-trades Unions* Nathaniel Ruggles Whitney, 1914 **Jurisdiction in American Building-trades Unions** Harrison Anthony Trexler, Margaret Shove Morriss, Nathaniel Ruggles Whitney, 1914 **Sloops & Shallops.
