

Sluzhba Bezopasnosti

Emily B. Baran

Sluzhba Bezopasnosti:

The Politics of Security in Modern Russia Mark Galeotti, 2016-03-03 The Putin era saw a striking securitization of politics something that he has bequeathed to his chosen successor Dmitry Medvedev The omens from the early days of the Medvedev presidency have been mixed marked both by less confrontational rhetoric towards the West and by war with Georgia and continued re armament Has the Medvedev generation learned the lessons not just from the Soviet era but also from the Yeltsin and Putin presidencies or will security remain the foundation of Russian foreign and domestic policy Fully up to date to reflect the evolving Medvedev presidency the 2008 Georgian war and the impact of the economic downturn this volume is a much needed objective and balanced examination of the ways in which security has played and continues to play a central role in contemporary Russian politics The combination of original scholarship with extensive empirical research makes this volume an invaluable resource for all students and researchers of Russian politics and security affairs *Global National*

Security and Intelligence Agencies Handbook Volume 1 Strategic Information and Important Contacts IBP USA, 2013-08 2011 Updated Reprint Updated Annually *Global National Intelligence and Security Agencies Handbook*

The Perversion Of Knowledge Dr. Vadim J. Birstein, 2009-09-09 During the Soviet years Russian science was touted as one of the greatest successes of the regime Russian science was considered to be equal if not superior to that of the wealthy western nations The Perversion of Knowledge a history of Soviet science that focuses on its control by the KGB and the Communist Party reveals the dark side of this glittering achievement Based on the author's firsthand experience as a Soviet scientist and drawing on extensive Russian language sources not easily available to the Western reader the book includes shocking new information on biomedical experimentation on humans as well as an examination of the pernicious effects of Trofim Lysenko's pseudo biology Also included are many poignant case histories of those who collaborated and those who managed to resist focusing on the moral choices and consequences The text is accompanied by the author's own translations of key archival materials making this work an essential resource for all those with a serious interest in Russian history **Dissent on the Margins**

Emily B. Baran, 2016 Emily B Baran offers a gripping history of how a small American based religious community the Jehovah's Witnesses found its way into the Soviet Union after World War II survived decades of brutal persecution and emerged as one of the region's fastest growing religions after the Soviet Union's collapse in 1991 In telling the story of this often misunderstood faith Baran explores the shifting boundaries of religious dissent non conformity and human rights in the Soviet Union and its successor states Soviet Jehovah's Witnesses are a fascinating case study of dissent beyond urban intellectual nonconformists Witnesses who were generally rural poorly educated and utterly marginalized from society resisted state pressure to conform They instead constructed alternative communities based on adherence to religious principles established by the Witnesses international center in Brooklyn New York The Soviet state considered Witnesses to be the most reactionary of all underground religious movements and used extraordinary measures to try to eliminate this

threat Yet Witnesses survived while the Soviet system did not After 1991 they faced continuing challenges to their right to practice their faith in post Soviet states as these states struggled to reconcile the proper limits on freedom of conscience with European norms and domestic concerns Dissent on the Margins provides a new and important perspective on one of America s most understudied religious movements

Strategic Intelligence in the Cold War and Beyond Jefferson Adams,2014-09-15 Strategic Intelligence in the Cold War and Beyond looks at the many events personalities and controversies in the field of intelligence and espionage since the end of World War II A crucial but often neglected topic strategic intelligence took on added significance during the protracted struggle of the Cold War In this accessible volume Jefferson Adams places these important developments in their historical context taking a global approach to themes including various undertakings from both sides in the Cold War with emphasis on covert action and deception operations controversial episodes involving Cuba Chile Nicaragua Vietnam Poland and Afghanistan as well as numerous lesser known occurrences three Cold War spy profiles which explore the role of human psychology in intelligence work the technological dimension spies in fiction film and television developments in the intelligence organizations of both sides in the decade following the fall of the Berlin wall Supplemented by suggestions for further reading a glossary of key terms and a timeline of important events this is an essential read for all those interested in the modern history of espionage

Deception Edward Lucas,2012-06-19 From the capture of Sidney Reilly the Ace of Spies by Lenin s Bolsheviks in 1925 to the deportation from the USA of Anna Chapman the Redhead under the Bed in 2010 Kremlin and Western spymasters have battled for supremacy for nearly a century In Deception Edward Lucas uncovers the real story of Chapman and her colleagues in Britain and America unveiling their clandestine missions and the spy hunt that led to their downfall It reveals unknown triumphs and disasters of Western intelligence in the Cold War providing the background to the new world of industrial and political espionage To tell the story of post Soviet espionage Lucas draws on exclusive interviews with Russia s top NATO spy Herman Simm and unveils the horrific treatment of a Moscow lawyer who dared to challenge the ruling criminal syndicate there Once the threat from Moscow was international communism now it comes from the siloviki Russia s ruthless men of power The outcome Lucas argues will determine whether the West brings Russia toward its standards of liberty legality and cooperation or whether Russia will shape the West s future as we accommodate or even adopt the authoritarian crony capitalism that is the Moscow regime s hallmark

India A "Spy" Guide Volume 1 Strategic Information, Intelligence, National Security IBP, Inc.,2017-11-30 India A Spy Guide Strategic Information and Developments

Putin's Kleptocracy Karen Dawisha,2015-09-22 The raging question in the world today is who is the real Vladimir Putin and what are his intentions Karen Dawisha s brilliant Putin s Kleptocracy provides an answer describing how Putin got to power the cabal he brought with him the billions they have looted and his plan to restore the Greater Russia Russian scholar Dawisha describes and exposes the origins of Putin s kleptocratic regime She presents extensive new evidence about the Putin circle s use of public

positions for personal gain even before Putin became president in 2000 She documents the establishment of Bank Rossiya now sanctioned by the US the rise of the Ozero cooperative founded by Putin and others who are now subject to visa bans and asset freezes the links between Putin Petromed and Putin s Palace near Sochi and the role of security officials from Putin s KGB days in Leningrad and Dresden many of whom have maintained their contacts with Russian organized crime Putin s Kleptocracy is the result of years of research into the KGB and the various Russian crime syndicates Dawisha s sources include Stasi archives Russian insiders investigative journalists in the US Britain Germany Finland France and Italy and Western officials who served in Moscow Russian journalists wrote part of this story when the Russian media was still free Many of them died for this story and their work has largely been scrubbed from the Internet and even from Russian libraries Dawisha says But some of that work remains

Policing race, ethnicity and culture Jan Beek,Thomas Bierschenk,Annalena Kolloch,Bernd Meyer,2023-03-28 How to deal with differences based on culture ethnicity and race has become a key issue of policing This edited collected explores everyday often mundane interactions between police officers and migrantised actors in European countries and asks how both sides deal with perceived differences The contributions reflect that such differences are not just out there but are being situationally re produced in police citizen encounters By taking a comparative approach the book develops a distinctly European perspective on these questions The book contains 12 ethnographies from ten European countries based on new and often innovative empirical research two theoretical contributions an introduction and a postface

Divide and Conquer Tom Clancy,Steve Pieczenik,Jeff Rovin,2000-06-01 1 New York Times bestselling phenomenon Tom Clancy delivers an all new original novel Op Center Divide and Conquer Shadowy elements within the State Department secretly cause tensions to flare between Iran and the former Soviet republic of Azerbaijan They hope to start a shooting war to increase their own power and profit At the same time the conspirators decide to up the ante by deposing the president of the United States In a treacherous scheme they convince the president that he is mentally unstable and a silent coup d etat is within their reach Now Paul Hood and the members of Op Center must race against the clock to prevent the outbreak of war save the honor of the president and expose the traitors

Pakistan Intelligence, Security Activities and Operations Handbook - Strategic Information and Developments IBP, Inc.,2013-08 Pakistan Intelligence Security Activities Operations Handbook **Tom Clancy's Op-Center Novels 7 - 12** Tom Clancy,2012-07-03 Six novels in the Op Center series of high tech high action thrillers Publishers Weekly created by 1 New York Times bestselling author Tom Clancy DIVIDE AND CONQUER LINE OF CONTROL MISSION OF HONOR SEA OF FIRE CALL TO TREASON WAR OF EAGLES

Russian Military Reform Carolina Vendil Pallin,2008-08-29 This book examines reform of the Russian military since the end of the Cold War It argues that Putin s policies of bolstering central control has left untouched many key problems including infighting between different forces lack of transparency over defence spending and absence of consensus on the main threats

EU Military, Intelligence and Special Forces

Handbook Volume 1 Security, Intelligence Activities and Programs IBP USA, 2013-08 2011 Updated Reprint Updated Annually EU Military and Special Forces Handbook **Putinism** Marcel Van Herpen, 2013-01-21 In this original analysis of contemporary Russia the author shows how Putin's regime is a completely new right wing political model that combines features of Mussolini's Italy with the 19th Century Bonapartism of Napoleon III and 21st Century Populism of Berlusconi An essential read **Close Protection** David J. Cox, 2000-10-30 The evolution of elite personal protection units also known as close protection units within the former Soviet Union is one of the least examined yet crucial political developments in this region Due to the often violent environment in which the political leaders of this region now operate the need for these special military units is obvious This study examines the similarities between these the current units and those of the Soviet past and finds that in spite of the highly unstable nature of politics in post communist Russia these elite units have not intervened to the degree that many might have expected They have however played a significant political role throughout the region These close protection forces may very well determine the success or failure of the democratization process now underway On the other hand establishing a Praetorian Guard within the very walls of the Kremlin may in itself portend an end to democracy Ultimately a complete understanding of future politics in the former Soviet Union is impossible without acknowledging the role that these modern Praetorians play in the civil military balance The New Nobility Andrei Soldatov, Irina Borogan, 2010-09-14 In The New Nobility two courageous Russian investigative journalists open up the closed and murky world of the Russian Federal Security Service While Vladimir Putin has been president and prime minister of Russia the Kremlin has deployed the security services to intimidate the political opposition reassert the power of the state and carry out assassinations overseas At the same time its agents and spies were put beyond public accountability and blessed with the prestige benefits and legitimacy lost since the Soviet collapse The security services have played a central and often mysterious role at key turning points in Russia during these tumultuous years from the Moscow apartment house bombings and theater siege to the war in Chechnya and the Beslan massacre The security services are not all powerful they have made clumsy and sometimes catastrophic blunders But what is clear is that after the chaotic 1990s when they were sidelined they have made a remarkable return to power abetted by their most famous alumnus Putin **Historical Dictionary of Russian and Soviet Intelligence** Robert W. Pringle, 2015-07-29 This second edition of Historical Dictionary of Russian and Soviet Intelligence is the only volume that lays out how Russian and Soviet intelligence works and how its operations have impacted Russian history It covers Russian intelligence from the imperial period to the present focusing in greatest detail on Cold War espionage cases and the Putin era intelligence community This is done through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 600 cross referenced entries on espionage techniques categories of agents crucial operations spies defectors moles and double and triple agents This book is an excellent access point for students researchers and anyone wanting to know more about the Russian Intelligence

CYBER GRU. Russian military intelligence in cyberspace Antonio Villalón-Huerta, 2025-07-04 This book provides an in depth view of the GRU the Russian military intelligence agency in cyberspace With its Soviet roots the GRU is a secretive organization that conducts hostile operations in both kinetic and cyber domains Particularly in cyberspace the GRU has developed powerful capabilities through various military units and a full spectrum of techniques These capabilities allow the agency to conduct a wide range of cyberspace operations from sabotage and espionage to psychological warfare The complexity of some of these operations combined with the GRU s high risk appetite and Spetsnaz like mindset makes it one of the most formidable and sophisticated cyber threat actors

Historical Dictionary of the Russian Federation Robert A. Saunders, 2019-09-20 Straddling Europe and Asia the Russian Federation is the largest country in the world and home to a panoply of religious and ethnic groups from the Muslim Tatars to the Buddhist Buryats Over the past 40 years Russia has experienced the most dramatic transformation of any modern state The second edition of Historical Dictionary of the Russian Federation provides insight into this rapidly developing country This volume includes coverage of pivotal movements events and persons in the late Soviet Union 1985 1991 and contemporary Russia 1991 present This second edition of Historical Dictionary of the Russian Federation contains a chronology an introduction and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Russia
