Tech-Smart Parenting Catherine Knibbs, 2025-07-31 The essential new science backed parenting guide to building healthy boundaries around technology and social media from the leading cybertrauma expert and child psychotherapist Catherine Knibbs A must read for the tech anxious generation Pete Etchells psychologist and author of *Unlocked The Real Science of Screen Time* An essential expert and overdue guide for any parent worried about how tech is affecting their children but wanting to rely on science instead of paranoia Dean Burnett neuroscientist and author *Should we ban screens* We are asking the wrong question this is how we really keep our kids safe online How much screen time is too much Could my child become addicted to their smartphone Why does every rule I set start a battle Children today are growing up in a

world more connected than ever before exposing them to dangers their parents didn't even imagine and raising questions they've never considered. But in our rush to protect them we can do more harm than good. Outright bans and rules deemed unfair can push your child away when what they need most of all is you. Child psychotherapist and cybertrauma expert Catherine Knibbs has helped hundreds of families work together to build healthy boundaries around technology. In this science-backed guide Knibbs sets out what the evidence really says about the risks and where your fears may be misguided to empower you with the answers to make the right decisions for your family. You'll discover how screens affect every stage of childhood and where the dangers actually lie. The importance of keeping your child close and onside to protect them with scripts to help you communicate positively and set reasonable boundaries. Realistic advice to keep your child safe and develop a balanced relationship with technology within and out of the home. Tips on protecting neurodivergent children and understanding how tech can help them flourish. Grounded in evidence and full of relatable stories and practical tools. STEM SMART Parenting Alan Zollman, Lisa Hoffman, Emily K. Suh, 2025-04-01 An invaluable resource for parents wishing to arm their children with the life skills necessary to succeed in a STEM-driven culture. In today's world of STEM, all children, even those with interests outside of science, technology, engineering, and mathematics, need to develop specific skills in order to flourish in a complex landscape. Parents want to help their kids but are often overwhelmed by all the STEM products that aren't necessarily as valuable as they claim. In *STEM SMART Parenting*, educators Alan Zollman, Lisa Hoffman, and Emily K. Suh unpack the research on STEM learning into a reader-friendly, practical guide for parents and caregivers. It introduces activities and resources that help kids of all ages build the necessary STEM mindset, includes no-cost ideas that parents can use with their children to promote STEM thinking, and shows readers how to evaluate which STEM games, toys, and activities actually deliver what they promise. With real-life examples, daily activities, and key takeaways, this book shows parents how to help their children from toddlers to teenagers cultivate critical thinking skills and become intellectual risk-takers prepared for a world where STEM proficiency is essential.
