Cinema, MD Eelco F. M. Wijdicks, 2020 Cinema MD follows the intersection of medicine and film and how filmmakers wrote a history of medicine over time analyzing not only changing practices changing morals and changing expectations but also medical stereotypes medical activism and violations of patients integrity and autonomy Examining over 400 films with medical themes over a century of cinema this book establishes the cultural medical and historical importance of the art form

E-motion Picture Magic Birgit Wolz, 2005 Like no other medium before it the popular movie presents the potential of a new power for illuminating the depth of human experience E Motion Picture Magic employs that power as a tool to increase consciousness Cinema therapy offers more perspective on life prompting the viewer to step back from his or her problems in order to feel less insecure worried or discontented Using films for self improvement allows a shift in perspective when viewed with conscious awareness The use of movies for personal growth and healing carries forward a long standing connection between storytelling and self reflection that may date back to the beginnings of spoken language The movie experience used in very specific ways can have significant benefits for those who are willing to apply themselves using E Motion Picture Magic that can be both beneficial as well as enjoyable *Hollywood's Censor* Thomas Doherty, 2009-03-31 From 1934 to 1954 Joseph I Breen a media savvy Victorian Irishman reigned over the Production Code Administration the Hollywood office tasked with censoring the American screen Though little known outside the ranks of the studio system this former journalist and public relations agent was one of the most powerful men in the motion picture industry As enforcer of the puritanical Production Code Breen dictated final cut over more movies than anyone in the history of American cinema His editorial decisions profoundly influenced the images and values projected by Hollywood during the Great Depression World War II and the Cold War Cultural historian Thomas Doherty tells the absorbing story of Breen's ascent to power and the widespread effects of his reign Breen vetted story lines blue penciled dialogue and excised footage a process that came to be known as Breening to fit the demands of his strict moral framework Empowered by industry insiders and millions of like minded Catholics who supported his missionary zeal Breen strove to protect innocent souls from the temptations beckoning from the motion picture screen There were few elements of cinematic production beyond Breen's reach he oversaw the editing of A list feature films low budget B movies short subjects previews of coming attractions and even cartoons Populated by a colorful cast of characters including Catholic priests Jewish moguls visionary auteurs hardnosed journalists and bluenose agitators Doherty's insightful behind the scenes portrait brings a tumultuous era and an individual both feared and admired to vivid life *I Do and I Don't* Jeanine Basinger, 2014-03-11 Here is happily ever after except when things aren't happy and when ever after is abruptly terminated by divorce tragedy or even murder With her large hearted understanding of how movies and audiences work leading film historian Jeanine Basinger traces the many ways Hollywood has tussled with the tricky subject of marriage explicating the relationships of countless marriages from Blondie and Dagwood to the

heartrending couple in the Iranian A Separation from Coach and his wife in Friday Night Lights to Tracy and Hepburn and even to Laurel and Hardy a marriage if ever there was one A treasure trove of insight and sympathy illustrated with scores of wonderfully telling movie stills posters and ads

Hollywood Shot by Shot Norman K. Denzin, 2017-09-04 To what extent have Hollywood feature films shaped the meanings that Americans attach to alcoholics their families and the alcoholic condition To what extent has the mass culture of the movie industry itself been conceptually shaped by a broad external societal discourse Norman Denzin brings to his life long study of alcoholism a searching interest in how cultural texts signify and lend themselves to interpretation within a social nexus Both historical and diachronic in his approach Denzin identifies five periods in the alcoholism films made between 1932 and the end of the 1980s and offers a detailed critical reading of thirty seven films produced during these six decades
