The Lure and Lore of Trout Fishing Alvin Russell Grove, 1971 **Tiggie:**
The Lure and Lore of Commercial Fishing in New England Charles "Tiggie" Peluso and Sandy MacFarlane, *Trout Fishing in the Catskills* Ed Van Put, 2014-11-04 Ed Van Put begins this important book with the history of native brook trout and offers little known details about their sizes, range and demise from overfishing, the growth of streamside industries and the introduction of competitive species. Sweeping in its scope, *Trout Fishing in the Catskills* tells a thorough tale of the often tumultuous history of fishing in the Catskills. With a scope of over a century, Van Put tells of the Catskill's frontier fishing beginnings and tracks the rise, fall and eventual revival of the fisheries. Throughout this is a history of people and methods as well as rivers and there are profiles of Theodore Gordon, Art Flick, Harry and Elsie Darbee, Sparse, Grey Hackle and more. No serious trout fisherman in any part of the country will want to miss this pioneering portrait of a seminal region in American angling history. Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly casting, spin casting, deep sea fishing and surf fishing. Our books offer both practical advice on tackle, techniques, knots and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.
