The Machiavellian Moment Florentine Political Thought And The Atlantic Republican Tradition

Markku Peltonen

The Machiavellian Moment Florentine Political Thought And The Atlantic Republican Tradition:

The Machiavellian Moment John Greville Agard Pocock, 2016-10-04 Originally published in 1975 The Machiavellian Moment remains a landmark of historical and political thought Celebrated historian J G A Pocock looks at the consequences for modern historical and social consciousness arising from the ideal of the classical republic revived by Machiavelli and other thinkers of Renaissance Italy Pocock shows that Machiavelli's prime emphasis was on the moment in which the republic confronts the problem of its own instability in time which Pocock calls the Machiavellian moment After examining this problem in the works of Machiavelli Guicciardini and Giannotti Pocock turns to the revival of republican ideology in Puritan England and in Revolutionary and Federalist America He argues that the American Revolution can be considered the last great act of civic humanism of the Renaissance and he relates the origins of modern historicism to the clash between civic Christian and commercial values in eighteenth century thought This Princeton Classics edition of The Machiavellian Moment features a new introduction by Richard Whatmore

The Machiavellian Moment John Greville Agard Pocock, 2005

American Social and Political Thought Andreas Hess, 2003-04 This concise comprehensive primer on modern American social and political thought is the ideal introduction to the rich intellectual tradition of the United States Andreas Hess helps the reader to understand of American culture and politics through careful exploration of key and theorists In the first half of the book he focuses on the core traditions of American social and political thought American exceptionalism Calvinist Protestantism republicanism liberalism and 20th century pragmatism The second half of the book applies these traditions to a broad range of 20th century conditions and issues power and democracy justice and injustice multiculturalism and pluralism civil society social theory and the role of the intellectual The works of some of the most influential figures in the field such as De Tocqueville Lipset Arendt Hartz Pocock Dewey Moore Rawls Walzer Rorty and Alexander are drawn upon to illustrate the theories and issues being discussed Accessibly written and jargon free this treatment will be useful for students and scholars alike

Republicanism, Liberty, and Commercial Society, 1649-1776 David Wootton, 1994 This examination of republicanism in an Anglo American and European context gives weight not only to the thought of the theorists of republicanism but also to the practical experience of republican governments in England Geneva the Netherlands and Venice

The Political Thought of the Dutch Revolt 1555-1590 Martin van Gelderen, 2002-10-03 This book is a comprehensive study of the history of the political thought of the Dutch Revolt 1555-90 It explores the development of the political ideas which motivated and legitimized the Dutch resistance against the government of Philip II in the Low Countries and which became the ideological foundations of the Dutch Republic as it emerged as one of the main powers of Europe It shows how notions of liberty constitutionalism representation and popular sovereignty were of central importance to the political thought and revolutionary events of the Dutch Revolt giving rise to a distinct political theory of resistance to fundamental debates on the best state of the new Dutch commonwealth and to passionate disputes on the relationship

between church and state which prompted some of the most eloquent early modern pleas for religious toleration

Rethinking The Foundations of Modern Political Thought Annabel Brett, James Tully, 2006-12-07 Quentin Skinner's classic study *The Foundations of Modern Political Thought* was first published by Cambridge in 1978. This was the first of a series of outstanding publications that have changed forever the way the history of political thought is taught and practised. *Rethinking the Foundations of Modern Political Thought* looks afresh at the impact of the original work, asks why it still matters, and considers a number of significant agendas that it still inspires. A very distinguished international team of contributors has been assembled, including John Pocock, Richard Tuck, and David Armitage, and the result is an unusually powerful and cohesive contribution to the history of ideas of interest to large numbers of students of early modern history and political thought. In conclusion, Skinner replies to each chapter and presents his own thoughts on the latest trends and the future direction of the history of political thought.

Machiavelli and the Modern State Alissa M. Ardito, 2021-02-11 This book offers a significant reinterpretation of the history of republican political thought and of Niccolò Machiavelli's place within it. It locates Machiavelli's political thought within enduring debates about the proper size of republics. From the sixteenth century onward, as states grew larger, it was believed only monarchies could govern large territories effectively. Republicanism was a form of government relegated to urban city states, anachronisms in the new age of the territorial state. For centuries, history and theory were in agreement: constructing an extended republic was as futile as trying to square the circle. But then James Madison devised a compound representative republic that enabled popular government to take on renewed life in the modern era. This work argues that Machiavelli had his own Madisonian impulse and deserves to be recognized as the first modern political theorist to envision the possibility of a republic with a large population extending over a broad territory.

Perspectives on English Revolutionary Republicanism Dirk Wiemann, 2016-05-13 *Perspectives on English Revolutionary Republicanism* takes stock of developments in the scholarship of seventeenth-century English republicanism by looking at the movements and schools of thought that have shaped the field over the decades: the linguistic turn, the cultural turn, and the religious turn. While scholars of seventeenth-century republicanism share their enthusiasm for their field, they have approached their subject in diverse ways. The contributors to the present volume have taken the opportunity to bring these approaches together in a number of case studies covering republican language, republican literary and political culture, and republican religion, to paint a lively picture of the state of the art in republican scholarship. The volume begins with three chapters influenced by the theory and methodology of the linguistic turn, before moving on to address cultural history approaches to English republicanism, including both literary culture and practical political culture. The final section of the volume looks at how religion intersected with ideas of republican thought. Taken together, the essays demonstrate the vitality and diversity of what was once regarded as a narrow topic of political research.

Machiavelli's Liberal Republican Legacy Paul A. Rahe, 2005-11-14 The significance of Machiavelli's political thinking for the development

of modern republicanism is a matter of great controversy In this volume a distinguished team of political theorists and historians reassess the evidence examining the character of Machiavelli's own republicanism and charting his influence on Marchamont Nedham James Harrington John Locke Algernon Sidney John Trenchard Thomas Gordon David Hume the Baron de Montesquieu Benjamin Franklin George Washington John Adams Thomas Jefferson James Madison and Alexander Hamilton This work argues that while Machiavelli himself was not liberal he did set the stage for the emergence of liberal republicanism in England By the exponents of commercial society he provided the foundations for a moderation of commonwealth ideology and exercised considerable if circumscribed influence on the statesmen who founded the American Republic Machiavelli's Liberal Republican Legacy will be of great interest to political theorists early modern historians and students of the American political tradition

A History of Modern Political Thought Gary Browning, 2016-10-27 How are we to understand past political thinkers Is it a matter simply of reading their texts again and again Do we have to relate past texts of political thought to the contexts in which ideas were composed and in which the aims of past thinkers were formulated Or should past political theories be deconstructed so as to uncover not what their authors maintain but what the texts reveal In this book theories of interpreting past political thinkers are examined and the interpretive methods of a range of theories are reviewed including those of Hegel Marx Oakeshott Collingwood the Cambridge School Foucault Derrida and Gadamer The application of these theories of interpretation to notable modern political theorists Machiavelli Hobbes Locke Rousseau Kant Hegel Marx Bentham Mill Nietzsche and Beauvoir is then used as a way of understanding modern political thought and of assessing interpretive theories of past political thought The result is a book which sees the history of modern political thought as more than a procession of political theories but rather as a reflection on the meaning of past political thought and its interpretation It provides a way of reading the history of modern political thought in which the question of interpretation matters both for understanding how we interpret the past but also for considering what it means to undertake political thinking

The Political Thought of the English Free State, 1649-1653 Markku Peltonen, 2022-10-20 Acknowledgements Introduction Changing the form of government Anti monarchism The free state Aristocracy Democracy Epilogue Bibliography Index

Hypocrisy and Integrity Ruth W. Grant, 2008-04-15 Questioning the usual judgements of political ethics Ruth W Grant argues that hypocrisy can actually be constructive while strictly principled behavior can be destructive Hypocrisy and Integrity offers a new conceptual framework that clarifies the differences between idealism and fanaticism while it uncovers the moral limits of compromise

Western Political Thought: From Plato to Marx Jha, 2010 Western Political Thought From Plato to Marx is a lucid and comprehensive account of political thought that stretches from ancient Greece to the nineteenth century Analysing political philosophies chronologically this book offers valuable insights into the political structures of societies across the ages and presents a wide perspective on the various social and political ideologies Each of the 12 chapters has boxes with excerpts from the original works by the philosophers a comprehensive

reading list and thought provoking questions on the philosophies discussed in the book Rethinking Medieval and Renaissance Political Thought Chris Jones, Takashi Shogimen, 2023-06-16 This collection of essays written by leading experts showcases historiographical problems fresh interpretations and new debates in medieval and Renaissance history and political thought Recent scholarship on medieval and Renaissance political thought is witness to tectonic movements These involve quiet yet considerable re evaluations of key thinkers such as Thomas Aquinas and Machiavelli as well as the string of lesser known political thinkers who wrote in western Europe between Late Antiquity and the Reformation Taking stock of thirty years of developments this volume demonstrates the contemporary vibrancy of the history of medieval and Renaissance political thought By both celebrating and challenging the perspectives of a generation of scholars notably Cary J Nederman it offers refreshing new assessments The book re introduces the history of western political thought in the Middle Ages and the Renaissance to the wider disciplines of History and Political Science Recent historiographical debates have revolutionized discussion of whether or not there was an Aristotelian revolution in the thirteenth century Thinkers such as Machiavelli and Marsilius of Padua are read in new ways less well known texts such as the Irish On the Twelve Abuses of the Age offer new perspectives Further the collection argues that medieval political ideas contain important lessons for the study of concepts of contemporary interest such as toleration The volume is an ideal resource for both students and scholars interested in medieval and Renaissance history as well as the history of political thought

Readings in Classical Political Thought Peter J. Steinberger, 2000-01-01 Designed to include all of the texts from Presocratics through Machiavelli likely to be read in an undergraduate course on classical political thought this anthology has at its core generous selections from Plato and Aristotle Building on this core is a sufficiently diverse and substantial selection of texts from other writers including Thucydides and the Sophists to allow for inquiry into the variety of Classical Greek approaches to politics as well as into Roman Medieval and Renaissance developments of the classical tradition Preeminent translations and the editor's own thoughtful introductions further distinguish this unique anthology

Political Thought in Ireland 1776-1798 Stephen Small, Stephen John Small, 2002-11-07 This is the first comprehensive analysis of late eighteenth century Irish patriot thought and its development into 1790s radical republicanism The book is a history of the rich political ideas and languages that emerged from the tumultuous events and colourful individuals of this pivotal period in Irish history Patriots radicals and republicans played key roles in the movements for free trade legislative independence parliamentary reform Catholic relief and independence from Britain and many of their ideas helped precipitate the rebellion in 1798 Stephen Small explains the ideological background to these issues sheds new light on the origins of Irish republicanism and places late eighteenth century Irish political thought in the wider context of British Atlantic and European ideas Dr Small argues that Irish patriotism radicalism and republicanism were constructed out of five key political languages Protestant superiority ancient constitutionalism commercial grievance classical republicanism and natural rights These political languages which were Irish

dialects of languages shared with the English speaking and European world combined in the late 1770s to construct the classic expression of Irish patriotism This patriotism was full of contradictions containing the seeds of radical reform Catholic emancipation and republican separatism as well as a defence of Protestant Ascendancy Over the next two decades the American and French Revolutions the reform movement popular politicization Ascendancy reaction and Catholic political revival disrupted and transformed these languages causing the fragmentation of a broad patriot consensus and the emergence from it of radicalism and republicanism These developments are explained in terms of tensions and interactions between Protestant assumptions of Catholic inferiority the increasing popularity of natural rights and the enduring centrality of classical republican concepts of virtue to all types of patriot thought

The Weimar Origins of Rhetorical Inquiry

David L. Marshall, 2020-11-09 The Weimar origins of political theory is a widespread and powerful narrative but this singular focus leaves out another intellectual history that historian David L Marshall works to reveal the Weimar origins of rhetorical inquiry Marshall focuses his attention on Martin Heidegger Hannah Arendt Walter Benjamin and Aby Warburg revealing how these influential thinkers inflected and transformed problems originally set out by Max Weber Carl Schmitt Theodor Adorno Hans Baron and Leo Strauss He contends that we miss major opportunities if we do not attend to the rhetorical aspects of their thought and his aim in the end is to lay out an intellectual history that can become a zone of theoretical experimentation in para democratic times Redescribing the Weimar origins of political theory in terms of rhetorical inquiry Marshall provides fresh readings of pivotal thinkers and argues that the vision of rhetorical inquiry that they open up allows for new ways of imagining political communities today

The Renaissance in Europe

Keith Whitlock, 2000-01-01 The Reader addresses the themes of humanism structures of authority and levels of culture among different social orders and between men and women And it examines what Burckhardt's discovery of the individual really meant for the construction of self in the late medieval and early modern context

BOOK JACKET

Citizenship in a Globalizing World

Ashok Acharya, 2011 In recent times the notion of citizenship has become increasingly prominent as the traditional boundaries of the nation state face challenges from globalization multiculturalism and economic restructuring In this context Citizenship in a Globalizing World is a welcome addition in the field of political science as it takes a detailed look at the topic of citizenship from the origins of both citizenship and the state to various theories of citizenship and what it means in the modern context when it has to coexist with forces of globalization and the rise of new social groups

A Companion to the Political Culture of the Roman

The Machiavellian Moment Florentine Political Thought And The Atlantic Republican Tradition Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Machiavellian Moment Florentine Political Thought And The Atlantic Republican Tradition free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Machiavellian Moment Florentine Political Thought And The Atlantic Republican Tradition free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Machiavellian Moment Florentine Political Thought And The Atlantic Republican Tradition free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading The Machiavellian Moment Florentine Political Thought And The Atlantic Republican Tradition. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether

its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Machiavellian Moment Florentine Political Thought And The Atlantic Republican Tradition any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Machiavellian Moment Florentine Political Thought And The Atlantic Republican Tradition Books

What is a The Machiavellian Moment Florentine Political Thought And The Atlantic Republican Tradition PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Machiavellian Moment Florentine Political Thought And The Atlantic Republican Tradition PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools.
