The Mackerel Plaza:

The Mackerel Plaza Peter De Vries, 2014-10-21 An irresistible comedy about faith desire and middle class morality from the man described by Kingsley Amis as the funniest serious writer to be found on either side of the Atlantic Pity the poor reverend Andrew Mackerel of the People's Liberal Church of Avalon Connecticut His is the first split level church in America a bastion of modern thought and sophisticated virtue yet even his prosperous parishioners are not immune to the backsliding evangelism infecting other parts of the country One misguided congregant wants to sing hymns to hospital patients Another goes so far as to put up a billboard with the message Jesus Saves written in phosphorescent green and orange letters How is Mackerel supposed to write sermons with a vulgarity like that staring him in the face Worse yet the recently widowed pastor has fallen in love with Molly Calico a former actress turned city hall clerk well before the church is ready to stop mourning Mackerel's saintly wife Plans are under way for a shopping mall and memorial plaza commemorating the dear departed and Mackerel must go to ever greater lengths to keep his new romance a secret and his new paramour happy Meanwhile it is becoming clear that his devoted sister in law Hester has plans of her own when it comes to the reverend's matrimonial future As Mackerel twists and turns to get what he wants and avoid what he does not the plot of this rollicking portrait of suburban piety kicks into high and hilarious gear

Davies,2014-04-30 This volume of sermons reflects Davies imaginary qualities as he puts himself in the shoes of both biblical characters and the members of his congregation using Christological exegesis and his love of art to produce compassionate credible and relevant sermons *The Challenges of Cultural Discipleship* Richard J. P. Werlock,2015-04-22 Praise for the print edition no other reference work on American fiction brings together such an array of authors and texts as this **The Concise Oxford Companion to American Literature** James D. Clarke,2003-08-07 The Gospel of Matthew and Its Readers is a biblical commentary with a difference Howard Clarke first establishes contemporary scholarship s mainstream view of Matthew s Gospel and then presents a sampling of the ways this text has been read understood and applied through two millennia By referring forward to Matthew s readers rather than back to the text s composers the book exploits the tensions between what contemporary scholars understand to be the intent of the author of Matthew and the quite different indeed often eccentric and bizarre ways this text has been understood assimilated and applied over the years The commentary is a testament to the ambiguities and elasticity of the text and a cogent reminder that interpretations are not fixed nor texts immutably relevant And unlike other commentaries this one gives space to those who have questioned rejected or even

ridiculed Matthew's messages since Bible bashing like Bible thumping is a historically significant part of the experience of reading the Bible **U-Turn** Bruce Grierson, 2008-12-01 In this impressively researched and incisive book Bruce Grierson draws on over three hundred stories of so called U turners who have risked their livelihoods to answer a sudden wake up call We meet people who change political parties and careers doctors who quit to become poets men who become women people who suddenly become revolutionaries for a cause they didn't care about the day before In chapters that address everything from the neuroscience behind epiphanies to the possibility of forcing a U turn Grierson brilliantly describes and elucidates this powerful mysterious phenomenon and in doing so illuminates all of our continual struggles with life choices and identity
