Victor Deupi, Jean-Francois Lejeune

The Mafia Of Havana:

The Mafia in Havana Enrique Cirules, 2004 Dramatic account of the pre revolution era in Cuba describing the culture of casinos cabarets and drugs on an island frequented by Hollywood celebrities and infamous Mafia bosses Mafia in Cuba is a tale of corruption and organised crime where politicians are sold to the highest bidder and where real power lies with the Mafia and other US interests Enrique Cirules uses both Cuban and US sources to document the intertwined relationships between Washington the Mafia and the pre revolution governments in Cuba **Havana Nocturne** T. J. English, 2009-10-13 In modern day Havana the remnants of the glamorous past are everywhere old hotel casinos vintage American cars flickering neon signs speak of a bygone era that is widely familiar often romanticized but little understood In Havana Nocturne T J English offers a multifaceted true tale of organized crime political corruption roaring nightlife revolution international conflict that interweaves the dual stories of the Mob in Havana the event that would overshadow it the Cuban Revolution As the Cuban people labored under a violently repressive regime throughout the 50s Mob leaders Meyer Lansky Charles Lucky Luciano turned their eye to Havana To them Cuba was the ultimate dream the greatest hope for the future of the US Mob in the post Prohibition years of intensified government crackdowns But when it came time to make their move it was Lansky the brilliant Jewish mobster who reigned supreme Having cultivated strong ties with the Cuban government in particular the brutal dictator Fulgencio Batista Lansky brought key mobsters to Havana to put his ambitious business plans in motion Before long the Mob with Batista s corrupt government in its pocket owned the biggest luxury hotels casinos in Havana launching an unprecedented tourism boom complete with the most lavish entertainment the world s biggest celebrities the most beautiful women gambling galore But their dreams collided with those of Fidel Castro Che Guevara others who would lead the country s disenfranchised to overthrow their corrupt government its foreign partners an epic cultural battle that English captures in all its sexy decadent ugly glory Bringing together long buried historical information with English s own research in Havana including interviews with the era s key survivors Havana Nocturne takes readers back to Cuba in the years when it was a veritable devil s playground for mob leaders English deftly weaves together the parallel stories of the Havana Mob featuring notorious criminals such as Santo Trafficante Jr Albert Anastasia Castro s 26th of July Movement in a riveting up close look at how the Mob nearly attained its biggest dream in Havana how Fidel Castro trumped it all with the revolution **The Havana Mob** T. J. English, 2008-09-04 Throughout the 1950s as the Cuban people laboured under a violently repressive regime the Mob financed revelry in Havana never stopped Tourists from around the world flooded in to gamble go to the racetrack see an elaborate floorshow at the Tropicana hear some of the hottest music around and perhaps partake in the sexual activities that flourished on the fringe of the most colourful nightlife scene of the twentieth century It may have seemed like fun and games but for the Havana Mob it was a serious business Led by Meyer Lansky and Lucky Luciano and with the full compliance of President Fulgencio Batista the Mob set out to create a financial empire that would

rival the glory days of Prohibition in the US For a time the plan seemed to be a runaway success but they were sowing the seeds of their own demise Behind the scenes Fidel Castro was building opposition to what he portrayed as the debauchery and corruption of capitalism run amok in Havana the result was revolution The Havana Mob captures a unique and exotic chapter not only in the history of organised crime but also in the history of the United States and for the first time the story is told through interviews and the first hand accounts of those who were actually there **The Mafia of Havana** Luis Grave de Peralta Morell,2003-01-06 Young Paulter adores the Grand Court Wizard Galdar and in secrecy serves as his apprentice When Galdar is poisoned the stage is set for a race against time in which Paulter must be ordained by the source of magic the Heart This is an imperative and time honored procedure that will allow him to become the next Grand Court Wizard Evil Ronar pulls out all the stops in an effort to stop Paulter from reaching his lofty goal Ronar feels that the timing is perfect to make his attempt at overtaking their world while Galdar is no longer there to protect them He creates a massive army that threatens the very existence of the Faerie world and will eventually annihilate all the other races one at a time With the help of some unlikely friends Paulter struggles to reach the Heart and put an end to the senseless carnage that Ronar is willing to inflict on anyone standing in his way However there are still other issues that Paulter must deal with including the search to find the murderer of his friend and mentor Galdar This is a story of the struggle between good and evil but also the emergence of a man who is destined to play a powerful role in the care of the races that comprise his world The friends who help him all have different roles to play and both collectively and individually help Paulter to realize how important friends can be Mafia in Havana Enrique Cirules,2007-08-01 A vibrant picture of the Mafia s Caribbean empire when Havana was the playground of the rich infamous With a novelistic eye for detail drama prize winning author Cirules presents a shockingly glamorous fantastically seedy picture of the world of Sinatra the showgirls mambo marijuana Lucky Luciano Meyer Lansky This book provides an extensive investigation into the Cuban underworld uncovering the close ties between the Mafia U S bus intelligence agencies their often brutal reign over Cuban politics The book won the Casa de las Americas Prize for Latin American literature the Casa de las Americas Critics Prize It features stunning photos of the legendary personalities of the era Translated from the Spanish lang ed *The Mafia's President* Don Fulsom,2017-11-14 The first ever full account of Nixon s extensive ties to the American Mafia from a veteran White House reporter Unbeknownst to most people even now the election of 1968 placed the patron saint of the Mafia in the White House In other words Richard Nixon would go on to not only lead a criminal presidency he would be totally indebted to our nation s top mobsters By 1969 thanks in large part to his long time campaign manager and political advisor Murray Chotiner a lawyer who specialized in representing mobsters Nixon had participated in secret criminal dealings for more than 20 years with sketchy figures such as Mickey Cohen Mob financial guru Meyer Lansky Teamsters union chief Jimmy Hoffa and New Orleans Mafia boss Carlos Marcello And with Chotiner as one of his key behind the scenes advisors in the White House Nixon s ties to the Mafia didn t end there The Mafia s President

The Mafia Al Cimino,Jo Durden Smith,2024-08-01 This enthralling guide tells the story of the rise and spread of The Mafia from the island of Sicily to the United States and beyond brought to life with striking full color photographs and illustrations The Mafia is full of blood chilling characters from Al Capone who ran Chicago during Prohibition and hitmen Louis Lepke and Alberto Anastasia who founded Murder Inc to Tot Riina boss of bosses John Gotti the Teflon don and Bernardo The Tractor Provenzano who hid out under cover for 43 years They were extraordinary men who lived through extraordinary times The Mafia tells the story of their lives their families their codes their crimes and their cold blooded murders It s a long and enthralling tale drenched in

blood and scored with betrayal Investigation of the Assassination of President John F. Kennedy: September 27, 28, and December 29, 1978 United States. Congress. House. Select Committee on Assassinations, 1978 **Act of Retribution** J.P. Phillips, 2010-03-17 My quest for an answer to the riddle of President Kennedys assassination first began in April 1967 following a talk given by Warren Commission critic and best selling author Mark Lane at Michigan State University where I was a graduate student My search has lasted well over twenty years Gathering every scrap of information I could find on the assassination I have arrived at what I believe is the most credible thesis to date As a result of meticulous research I am able to identify probable suspects in what I have come to believe was a far reaching conspiracy which involved not only renegade elements from the CIA and organized crime figures but one which extended to the highest echelons of the U S government By pulling together existing knowledge of the assassination while introducing new evidence my book focuses primarily on six main principals persons of interest their motives and their activities in relation to the assassination and the links that connect them 1 LEE HARVEY OSWALD Accused by the Warren Commission In 1964 of being the sole assassin of President Kennedy 2 JACK RUBY Dallas night club owner who two days following the Presidents assassination shot and killed Oswald 3 CARLOS MARCELLO Reputed crime boss of the New Orleans Dallas Mafia during the time of the assassination 4 GENERAL CHARLES PEARE CABELL Deputy Director of the CIA from 1953 to 1962 when he was dismissed by President Kennedy along with other high ranking intelligence officials for the failure of the Bay of Pigs invasion 5 EARLE CABELL Younger brother of General Charles P Cabell who was Mayor of Dallas the day President Kennedy was assassinated 6 FRED KORTH Fort Worth businessman and banker who was Secretary of the Navy from 1962 to October 1963 when he was forced by President Kennedy to resign for his involvement in the TFX controversy As to the motives of those individuals involved in the Presidents murder I believe that the assassination was planned and carried out with a dual purpose in mind 1 as an act of vengeance by those ex high government officials who were dismissed by the President either for alleged wrongdoing as in the case of Fred Korth or for incompetence as in General Cabells case 2 to prevent the Presidents domestic and foreign policies particularly in reference to his stand on the Vietnam conflict from being implemented Viewed in this light the assassination of President Kennedy was an act of retribution by a group of mean spirited vengeance seeking individuals who acted in the misguided belief that by assassinating this president they were furthering the national interest Notwithstanding his immense popularity with the American people President Kennedy was perceived by his killers to be a clear and present danger to the country and to its interests at home and abroad for several reasons for his stand on civil rights and racial equality for his attempt to closely regulate the oil and gas industry for his desire to normalize relations with Cuba for his desire to ease tensions between the superpowers through a reduction in armaments for his crackdown on organized crime for his stated intention to withdraw U S forces from Vietnam Removing him from office by political murder therefore excused his killers in their own eyes from any wrongdoing for by killing this President they were convinced that they were acting in the national interest
