dark for there is much wisdom there As a matter of fact much is taken from my own personal Book of Shadows where I reveal the inner mysteries of rites beliefs and also the practices of the Old Religion This book The Book of Shadows will challenge your own perceptions as you explore the Eleusinian Mysteries and begin to understand the role of the journey to the underworld You will gain a new sense of the rich heritage that was passed on from the Old Ways in Southern Italy Also in this Book are comparatives of different religions and how at the core they all connect together as one Some examples of the exploration of this include the resurrection of Jesus and the return of Persephone to the land of the living Shedding new light on how both are an allegory of the journey of the soul The Old Ways have their roots in the Indus Valley it is delved into where by speculating that they then eventually traveled to other lands [The Gray Witch's Grimoire](#) Amythyst Raine,2012-05-03 What makes this book unique The world of the gray witch has been largely avoided misrepresented or glossed over with various books geared gingerly towards protection magic These books though informative and well written as they may be have totally missed the spirit of the gray witch who she really is how she relates to the world of shadow and light and exactly what she s willing to do to stand her ground In our society dark is automatically viewed as evil and light is automatically viewed as good We re expected to live completely within one realm and to totally avoid the other This creates imbalance and is a great injustice to the true spirit of the ancient wise woman This book puts matters to right and gives the public a view of just what the gray witch is and what she isn t The gray witch does not live in a world of chaos or unbridled black magic She has a code of honor a sense of propriety and a relevance in today s society
