if everything you've heard about leadership is wrong. Secular models of leadership rooted in pragmatic success dominate Christian leadership in the West. It makes our work impersonal and exploitive. And at worst it serves the leader rather than those the leader leads. We need a different style of leadership, one patterned after Jesus. We need to learn to influence others out of our character for that is what Jesus did. The Christian Leader is not about improving your church, your work, or your family; it is about changing how you lead. It does more than teach you how to modify your behavior; it shows you how to change the sources of your behavior, your motives, and reasons for being a Christian leader. In the end, as everything you know and believe about Christian leadership is transformed, it will lead to transformation in those you lead and serve.

God's Missionary People Charles E. Van Engen, 1991-09. A world claiming theology of the church draws on ancient and modern thoughts. The author focuses on how the church can grow to become in reality God's missionary people.

Courageous Hope Leonard Doohan, 2011. Outlines a spirituality of leadership that challenges leaders to present a vision of hope to excite and empower others to be prophets, mystics, charismatics, and healers to transform society and to effectively respond to the world that is desperate for leaders of hope.
