

## THE ENGLISH BIBLE FAMILY TREE

# The Making Of The English Bible

**Andrew Hass, David Jasper, Elisabeth  
Jay**

## **The Making Of The English Bible:**

**The Making of the English Bible** Gerald Hammond, 2022-12-06 A renowned Bible scholar examines how the Hebrew text has been interpreted and misinterpreted from the Renaissance to modern times In this wide ranging and authoritative study Gerald Hammond sheds light on how the Bible has evolved over centuries of English language translation His extensive analysis begins in the sixteenth century with William Tyndale s pioneering work This early text is contrasted with the seventeenth century authorized version showing how each in their own ways attempted to bring the meaning and nuance of the Hebrew scripture to English readers Between these towering Renaissance works Hammond examines the two Bibles translated by Miles Coverdale the Geneva Bible the Bishops Bible and the Catholic Bible He also offers incisive criticism of the New English Bible demonstrating that in the pursuit of accessibility above all the newer translations seem to have given up on what should be essential faithful adherence to the source

**The Making of the English Bible** Samuel McComb, 1909 [The Making of the English Bible](#) Samuel McComb, 2023-07-18 This fascinating exploration of the development of the English Bible is an essential resource for anyone interested in the history of Christianity McComb provides a detailed analysis of the political and religious factors that shaped the translation and dissemination of the Bible in England from the earliest versions to the King James Bible Required reading for scholars of theology and English literature This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

*The Making of the English Bible* Benson Bobrick, 2001 In this account of the politics surrounding the translation of the Bible into vernacular languages Benson Bobrick shows that the achievement of Tyndale and other translators had a permanent influence on the English speaking world

*The Making of the English Bible* Samuel McComb, 2017-11-28 Excerpt from *The Making of the English Bible With an Introductory Essay on the Influence of the English Bible on English Literature* Our day asks that these Old Greek and Hebrew writings should speak to him as they Spoke to their first readers freed from the meanings imposed upon them by later ages and from the unconscious errors Of imperfect scholarship A Bible that refuses to meet this demand may serve the needs Of a coterie it cannot Speak home to a wider humanity On the other hand a translation which would break away from the past and pedantically renounce the moving and living rhythm of earlier workers would make no wide appeal to the popular mind Having no root in the soil of a great literary tradition it would soon wither away About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work

Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**The Making of the English New Testament** Edgar Johnson Goodspeed,1925 **the history of the english bible** Thomas Harwood Pattison,1938 *The Part of Rheims in the Making of the English Bible* James George Carleton,1902 [A Dictionary of the English Bible and its Origins](#) Alec Gilmore,2014-02-04 The Dictionary of the English Bible and Its Origins is designed to increase awareness of the origins of the Bible to introduce readers to the variety of versions and manuscripts that lie behind the familiar English translations to provide in alphabetical order entries on texts versions manuscripts persons places and terminology covering the origins of the Hebrew Bible the New Testament and the English Bible including the most recent translations and generally to facilitate a more intelligent understanding of the Bible among lay people by removing some of the mystique and prejudices associated with it Entries are factual not evaluative and reflect contemporary biblical scholarship Dictionary of the English Bible and Its Origins will prove to be a handy reference tool for anyone with an interest in the Bible [A History of the English Bible as Literature](#) David Norton,2000-05-29 Revised and condensed from David Norton s acclaimed A History of the Bible as Literature this book first published in 2000 tells the story of English literary attitudes to the Bible At first jeered at and mocked as English writing then denigrated as having all the disadvantages of an old prose translation the King James Bible somehow became unsurpassed in the entire range of literature How so startling a change happened and how it affected the making of modern translations such as the Revised Version and the New English Bible is at the heart of this exploration of a vast range of religious literary and cultural ideas Translators writers such as Donne Milton Bunyan and the Romantics reactionary Bishops and radical students all help to show the changes in religious ideas and in standards of language and literature that created our sense of the most important book in English *The History of the English Bible* John Brown,1912

**Our English Bible** Willard Nathan Tobie,1905 *The English Bible in the Early Modern World* Robert Armstrong,Tadhg Ó Hannracháin,2018-05-01 The English Bible in the Early Modern World addresses the most significant book available in the English language in the centuries after the Reformation and investigates its impact on popular religion and reading practices and on theology religious controversy and intellectual history between 1530 and 1700 Individual chapters discuss the responses of both clergy and laity to the sacred text with particular emphasis on the range of settings in which the Bible was encountered and the variety of responses prompted by engagement with the Scriptures Particular attention is given to debates around the text and interpretation of the Bible to an emerging Protestant understanding of Scripture and to challenges it faced over the course of the sixteenth and seventeenth centuries **The English in English Bibles** Joseph F. Sheahan,1881 **Paratexts of the English Bible, 1525-1611** Debora Shuger,2022-03-24 English bibles

from Tyndale's 1525 New Testament to the 1611 King James feature calendars woodcuts maps chronologies prayers philological glosses inset historical essays elaborate multi page diagrams single leaf summaries of scripture prefaces by eminent churchmen doctrinal notes by leading theologians a dialogue on predestination a twelfth century genealogy of Christ a ninth century Jewish chronicle most widely available given the hundreds of editions printed between those dates This book explores this archive but it also tracks its changes because while biblical translations remain relatively stable over time the paratexts cocooning a bible's first printing sometimes mutate or vanish in succeeding editions and indeed sometimes they migrate to a competing bible These paratexts together with their revelatory print histories disclose a picture of the English Reformation that differs in striking ways from the authorized version

English Prose of the Seventeenth Century 1590-1700 Roger Pooley, 2014-06-06 This is the first book length history of the range of seventeenth century English prose writing Roger Pooley's study begins with narrative ranging from the fiction of Bunyan and Aphra Behn to the biographical and autobiographical work of Aubrey and Pepys Further sections consider religious prose from the hugely influential Authorised Version to Donne's sermons the political writing of figures as diverse as Milton Hobbes Locke and Marvell cornucopian texts and the writings of the new scientists from Bacon to Newton At a time when the boundaries of the canon are being increasingly revised this is not only a major survey of a series of great works of literature but also a fascinating social history and a guide to understanding the literature of the period as a whole

The Oxford Handbook of English Prose 1500-1640 Andrew Hadfield, 2013-07-04 The Oxford Handbook of English Prose 1500 1640 is the only current overview of early modern English prose writing The aim of the volume is to make prose more visible as a subject and as a mode of writing It covers a vast range of material vital for the understanding of the period from jestbooks newsbooks and popular romance to the translation of the classics and the pioneering collections of scientific writing and travel writing from diaries tracts on witchcraft and domestic conduct books to rhetorical treatises designed for a courtly audience from little known works such as William Baldwin's Beware the Cat probably the first novel in English to The Bible The Book of Common Prayer and Richard Hooker's eloquent statement of Anglican belief The Laws of Ecclesiastical Polity The work not only deals with the range and variety of the substance and types of English prose but also analyses the forms and styles of writing adopted in the early modern period ranging from the Euphuistic nature of prose fiction inaugurated by John Lyly's mannered novel to the aggressive polemic of the Marprelate controversy from the scatological humour of comic writing to the careful modulations of the most significant sermons of the age and from the pithy and concise English essays of Francis Bacon to the ornate and meandering style of John Florio's translation of Montaigne's famous collection Each essay provides an overview as well as comment on key passages and a select guide to further reading

**The Church Quarterly Review**, 1911 **The Oxford Handbook of English Literature and Theology** Andrew Hass, David Jasper, Elisabeth Jay, 2007-03-15 A defining volume of essays in which leading international scholars apply an interdisciplinary approach to the long and evolving relationship

between English Literature and Theology      American Journal of Theology ,1903 Vols 2 6 include Theological and Semitic literature for 1898 1901 a bibliographical supplement to the American journal of theology and the American journal of Semitic languages and literatures By W Muss Arnolt Separately paged
