Chicago and a homosexual The next chapters immerse the sitcom enthusiast into the laborious casting process with amazing revelations such as the two costars who turned down guaranteed roles and a once rejected cast member who was only hired because NBC insisted The likelihood of all six actors being chosen for the pilot was astronomically minuscule especially since two of the costars were committed to other projects and a handful of famous actors were offered costarring roles in the series Friends Behind the Scenes unravels the mysteries behind shooting the pilot how a test audience's negative report nearly capsized the series and what finally convinced NBC to gamble on adding the show to its fall schedule The following pages methodically outline the showrunners diligent efforts to assemble an incomparable creative team and hire brilliant wardrobe hair and makeup specialists who redefined 1990s fashion Of course TV junkies cannot forget the memorable title sequence with all the fountain frivolity and the mind numbing theme song that captivated the world Astonishingly the original intro was completely different with an up tempo singalong by a famous rock band that refused to license the track because the lead singer despised the hit single Avid enthusiasts will discover how The Rembrandts were eventually hired and why they did not want their name attached to the bubblegum pop ditty Readers are transported backstage to witness how episodes were produced and how guest stars were chosen with dazzling insight into the ones that got away including a famous pop singer three iconic movie stars and a rock legend In addition tome travelers will get an insider scoop into the world of stand ins body doubles and famous extras who appeared on the show and marvel at the history of sets how they were designed and decorated and even the story behind famous props and set dressings like the peephole picture frame and burnt orange sofa Further interviews unearth the private salary negotiations that eventually made the cast the highest paid actors on television Actors confessions shed light on how success impacted their lives and what made the sextet decide to call it quits after ten seasons Friends disciples will be privy to the soundstage hysteria during the final days of shooting and the epochal send off by NBC while sitcom purists will be enraptured by the historical overview of the show's evolution from struggling newbie to ratings giant en route to its unprecedented success in syndication and streaming Finally the remaining chapters detail the societal impact of Friends and offer numerous trivia tidbits that have evaded most Friends aficionados for decades

Behind the Scenes James Glass Bertram,1858 **My Life behind the Scene** Mae Barrett,2019-03-13 In Mae s life at the heart of her story she had to learn through her relationships after finding out multiple times that Billy was cheating on her even through high school There were times she wanted to let go of the relationship but deep down in heart she felt she was losing something very special not knowing that Billy had his

eyes on women drugs and the different places He chose to find love in the streets After giving her life to Christ Mae ended up marrying Billy because of her pastor telling her that since she gave her life to Christ she and Billy had to get married even when she knew that he really wasn't the man for her She took in an eight year old child in her house and put her under her wings as goddaughter When the girl was fifteen Mae's husband slept with the girl and Mae knew then it was a wrap After Mae shared her hurt and pain with her friend Sandra she began telling Mae to put him and her out Instead of putting them out her husband pushed her into the hands of another man After falling in love with Cliff she just knew that he was everything to her as well She ended up letting him go as well because he was the type of guy who was trying to destroy her life through sex and drugs In this society you can never know who to trust in a relationship that is why it's so important to pray before battling with something unnecessary that will cause danger to your mind body and soul In the memory of our loved ones My two grandmothers Mary Jane Wardsworth and Lilly Barrett second mother Mrs Shirley Ann Miller my two brothers John Douglas Barrett and Isaiah Cleveland Junior Barrett

Andy Serkis - The Man Behind the Mask Justin Lewis, 2012-11-05 Andy Serkis is best known for his remarkable interpretation of the vengeful and obsessive Gollum in the groundbreaking *Lord of the Rings* screen trilogy 2001-03 Landing the role presented him with a formidable challenge helping to bring to life a computer generated character that was not just technically dazzling but emotionally credible To play Gollum needed a performer with immense stamina and creativity requirements which for audiences and critics alike Andy Serkis exceeded But there is far more to Serkis than *The Lord of the Rings* When he began work on the trilogy in 1999 he already had 15 years of experience in theatre television and cinema portraying characters who were eccentric complex and even monstrous He was always determined to inject humanity and empathy into every part he played no matter how flawed they may have seemed It is this level of intensity and commitment that has enriched so many of his roles from Bill Sykes to King Kong and from Albert Einstein to Ian Dury Andy Serkis returned to the big screen in 2011 as

Captain Haddock in the long awaited The Adventures of Tintin Secret of the Unicorn and is now preparing to revisit the persona of Gollum for the cinematic remake of The Hobbit Author Justin Lewis examines the life and career to date of this most highly principled hard working and versatile of actors Freud and the Scene of Trauma John Fletcher, 2013-12-02 This book will reward scholars across a number of disciplines literary studies trauma studies psychoanalysis and psychology and philosophy Choice This book argues that Freud s mapping of trauma as a scene is central to both his clinical interpretation of his patients symptoms and his construction of successive theoretical models and concepts to explain the power of such scenes in his patients lives This attention to the scenic form of trauma and its power in determining symptoms leads to Freud s break from the neurological model of trauma he inherited from Charcot It also helps to explain the affinity that Freud and many since him have felt between psychoanalysis and literature and artistic production more generally and the privileged role of literature at certain turning points in the development of his thought It is Freud s scenography of trauma and fantasy that speaks to the student of literature and painting
