

The man up front is your man

The most important responsibility of the man who captains your United Mainliner® is you.

And with this responsibility goes complete authority, for your United Air Lines Captain is a highly qualified, professional flight executive.

In planning your flight, he is assisted by scores of technical experts, computers, and the scientific resources of our own weather center, the largest in the industry. He is at liberty to select the smoothest approved airway around rough-weather areas. If, in his opinion, your flight should not take off, his decision is final.

And all during your flight, you can be sure that your Captain is United Air Lines' chief executive as far as your welfare is concerned.

Assisted by the members of his crew—who are highly qualified professionals, also—he will make every effort to get you there on schedule, but only after your comfort and safety have been given first consideration.

This genuine concern for you as an individual, combined with skill and experience, makes him truly "your man up front."

And this is typical of what we expect from everyone who works with United... the ability to do a job well... plus the attitude of extra care—for people—that guides everything we do.

With the great human responsibilities that are involved, there can be no better basis for running—or choosing—an airline.

A deceitful American father and a naive decision by a Filipino mother transformed their lives forever. Valorie, Veronica, Vance and Vincent's perfect world turned into a nightmare one hot afternoon in 1959 in Cebu, Philippines. What was to be a quick lunch with their father turned into a flight to America where four dreadfully long years of running from state to state, hiding and vanishing into the night followed. Kidnapped from the only world they knew, confusion quickly set in. At nine, Valorie the eldest liked seeing their father after his absence for over a year. Vance, a timid six year old, went along with whatever Valorie did. Vincent, the baby at three, cried for his mother while clinging to Veronica for comfort. Veronica, eight, was the only one who was truly panicked by what was happening around them and she recognized instantly that she and her siblings would have to stick together in order to survive. In that

moment her childhood ended and the warrior within her emerged Moving from state to state and school to school avoiding the law looking over their shoulders at every turn the four Slaughter children found themselves fighting not only the heartbreak of separation from their loving mother but also poverty discrimination and abuse Their only weapons were their deep love for one another and an unwavering determination to survive the trials they faced and find their way back to their mother

key part of their strategy to spread their particular brand of Christianity However Coots's own death in 2014 was widely reported after the TV series was canceled while Hamblin who emerges as the central figure in the book was arrested and tried after a shooting incident involving his estranged wife His hopes of becoming a serpent handling superstar seemingly dashed Hamblin spent several months in prison emerging more determined than ever to keep to the faith By the end of the narrative he has begun a new church where he can pass on the tradition to yet another generation Duin's thorough sympathetic reporting and lively style bring the ecstatic church services she witnessed vividly to life and through interviews and quotations from the principals Facebook postings she has allowed them to express their beliefs and reveal their everyday lives in their own words She also gives the reader an up close view of how a reporter pursues a story and the various difficulties encountered along the way Together these elements frame a striking picture the young practitioners of a century old custom one so often dismissed as bizarre by outsiders adjusting to the challenges of the new millennium Julia C Duin the former religion editor for the Washington Times has published articles in the Washington Post the Wall Street Journal and other national publications She is the author of five previous books including most recently Days of Fire and Glory The Rise and Fall of a Charismatic Community Grace Will Lead Us Home Jennifer Berry Hawes, 2019-06-04 A NEW YORK TIMES NOTABLE BOOK OF 2019 BARNES NOBLE DISCOVER GREAT NEW WRITERS PICK OPRAH MAGAZINE SUMMER 2019 READING LIST SELECTION NEW YORK TIMES EDITOR'S CHOICE A soul shaking chronicle of the 2015 Charleston massacre and its aftermath Hawes is a writer with the exceedingly rare ability to observe sympathetically both particular events and the horizon against which they take place without sentimentalizing her subjects Hawes is so admirably steadfast in her commitment to bearing witness that one is compelled to consider the story she tells from every possible angle The New York Times Book Review A deeply moving work of narrative nonfiction on the tragic shootings at the Mother Emanuel AME church in Charleston South Carolina from Pulitzer Prize winning journalist Jennifer Berry Hawes On June 17 2015 twelve members of the historically black Emanuel AME Church in Charleston South Carolina welcomed a young white man to their evening Bible study He arrived with a pistol 88 bullets and hopes of starting a race war Dylann Roof's massacre of nine innocents during their closing prayer horrified the nation Two days later some relatives of the dead stood at Roof's hearing and said I forgive you That grace offered the country a hopeful ending to an awful story But for the survivors and victims families the journey had just begun In Grace Will Lead Us Home Pulitzer Prize winning journalist Jennifer Berry Hawes provides a definitive account of the tragedy's aftermath With unprecedented access to the grieving families and other key figures Hawes offers a nuanced and moving portrait of the events and emotions that emerged in the massacre's wake The two adult survivors of the shooting begin to make sense of their lives again Rifts form between some of the victims families and the church A group of relatives fights to end gun violence capturing the attention of President Obama And a city in the Deep South must confront its racist past This is the story of how beyond the headlines a community of people begins to heal
