The Created Legend Fyodor Sologub, 2020-09-28 In The Little Demon Sologub has shown us how the evil within us peering out through our imagination makes all the world seem evil to us In The Created Legend feeling perhaps the need of reacting from his morose creation Peredonov the author has set himself the task of showing the reverse of the picture how the imagination no longer warped but sensitized with beauty is capable of creating a world of its own legendary yet none the less real for the legend The Russian title of the book is more descriptive of the author s intentions than an English translation will permit it to be Tvorimaya Legenda actually means The legend in the course of creation The legend that Sologub has in mind is the active eternally changing process of life orderly and structural in spite of the external confusion The author makes an effort to bring order out of apparent chaos by stripping life of its complex modern detail and reducing it to a few significant symbols as in a rather more subtle morality play The modern novel is perhaps over psychologized eternal truths and eternal passions are perhaps too often lost sight of under the mass of unnecessary naturalistic detail In this novel life passes by the author as a kind of dream a dream within that nightmare Reality a legend within that amorphousness called Life And the nightmare and the dream like a sensitive individual s ideas of the world as it is and as it ought to be alternate here like moods The author has expressed this changeableness of mood curiously by alternating a crudely realistic deliberately na ve sometimes journalese style with an extremely decorative lyrical manner this taxing the translator to the utmost in view of the urgency to translate the mood as well as the ideas

To Target the Heart Aldrea Alien, 2020-04-15 How can he win with the odds stacked against him Prince Hamish has no interest in fulfilling his duty of marrying Not to a woman at least That doesn t stop his mother Queen Fiona from presenting him with every eligible noblewoman that enters their castle He s certain it ll be no different with the representative of the Udynea Empire So when they do arrive Hamish is relieved the imperial prince Darshan is not the woman everyone expected Until the man kisses him and Hamish is confronted by the very emotions he has been forced to conceal or be punished for Emotions he is eager to explore But the kiss proves to be a little too public and leads his mother to take drastic measures to ensure Hamish adheres to her family vision The contest of arms will force Hamish to make a choice give up his happiness for

The Arena ,1906 The Edge of Terror Scott Walker,2009-10-13 Scott Walker s The Edge of Terror offers a gripping account of courage death and survival in the war torn islands of the Philippines As Japanese military strategists planned their secret offensive against the United States in 1941 they designed a simultaneous two pronged attack to wipe out American military might in the Pacific While American battleships blew up and sank in Pearl Harbor Japanese bombers approached the Philippines soon destroying both American air and naval forces and leaving General Douglas MacArthur s ground forces in disarray As the shipping piers in Manila harbor burned nearly six thousand American civilians were suddenly trapped in the islands for the duration of the war There would be no more ocean liners or Pan Am Clippers to transport them to safety These unfortunate individuals and families became the largest body of American citizens ever captured by an enemy army Soon most of these hapless civilians realized that they had little option but to surrender to the invading Japanese and be placed in squalid internment camps However on the small island of Panay a group of American missionaries and gold miners bound their fates together and withdrew into hiding in the jungle Some joined with the Filipino guerrilla forces actively resisting the Japanese Others quietly continued their humanitarian tasks amidst the horrors of war But all of them experienced living hell together For the first time in more than fifty years the little known story is told of these brave American civilians on Panay Drawing on diaries memoirs family interviews and military archives Scott Walker describes daily life during the occupation and the danger these Americans faced in their efforts to serve both God and country Both a story of profound tragedy and miraculous escape The Edge of Terror is one of the most intense and dramatic accounts to emerge from World War II

The Cloud of Unknowing Patrick J Gallacher, 1997-05-01 The Cloud of Unknowing describes the contemplative method centered around eliminating all noise and images from the mind and in that encounter with nothingness finding God. Meanwhile despite the austerity of the content the style of the author is warm and congenial and eminently readable. Patrick J Gallacher further makes this text accessible to students and teachers by including a gloss introduction, notes, and glossary. This text gives a great introduction to the ethos of mysticism in the middle ages.
