**The Man Who Killed Himself** Julian Symons, 2014-07-01 Arthur Brownjohn has never quite got anything right Take the murder of his wife a bungled inferior affair despite his having consulting all the experts in the field of killings executions and dastardly deeds Resolving never to repeat the same mistakes he enlists the help of Major Easonby Mellon a man who really knows what he s doing *Remarkable* Dinah Cox, 2016-05-16 Set within the resilient Great Plains these stories are marked by the region s people landscape and the distinctive way it is both regressive in its politics yet also stumbling toward something better While not all stories are explicitly set in Oklahoma the state is almost a character neither protagonist nor antagonist but instead the weird next door neighbor you re perhaps too ashamed of to take anywhere Who is the embarrassing one you or Oklahoma Dinah Cox lives in her hometown of Stillwater Oklahoma where she teaches in the English department at Oklahoma State University and is an associate editor at Cimarron Review *SUICIDE IN MEN* David Lester, John F. Gunn, Paul Quinnett, 2014-06-01 The goal of this book is to explore the phenomenon of suicide focusing on males who are at a greater risk than females Scholars and mental health professionals continue to have the tendency to ignore men and focus instead on the more narrow demographic groups Attention is drawn to the lack of help seeking behavior exhibited by men as well as the numerous recommendations for the prevention of male suicide The issues specific to male suicide includes the atypical nature of male depression the role of loneliness drug and alcohol abuse the male hormone testosterone and men s preferred method for suicide guns Suicide in specific groups of men including male athletes soldiers mass and serial murderers suicide bombers murder suicides and famous creative men is discussed in great detail In addition the text explores the many and varied reasons for suicide in gay men and in ethnic minorities The invited contributors provide a cross cultural viewpoint with essays on male suicide in Australia China Ghana Palestine and Uganda Two examples are given for potential programs that appear to be effective for men Mates in Construction which was designed to help construction workers in Australia and Question Persuade and Refer QPR training The book concludes with discussions of how to prevent suicide in men a group known to deny the existence of personal problems and is reluctant to seek help With three illustrations and 19 tables this book will be an excellent resource for crisis interveners researchers counseling centers mental health professionals and human service providers 5 People Who Died During Sex Karl Shaw, 2007-02-13 All in perfectly bad taste Prepare to be amazed appalled disgusted and hugely entertained by this compendium of indelicate oddities Nothing is too inane too insane too bizarre or too distasteful for this incredible seemingly impossible but absolutely true collection of facts from across the ages and around the world Did you know that Pope Benedict XII was such a hardened boozier that he inspired the expression drunk as a pope From 10 Historic Drunks that as a special honeymoon treat Prince Charles read Princess Diana passages from the works of Carl Jung and Laurens van der Post From History s 10 Least Romantic Honeymoons that the best dressed gentlemen in medieval England exposed their genitals below a short fitting tunic From

History's 10 Greatest Fashion Mistakes that Alfred Hitchcock suffered from ophophobia fear of eggs From 10 Phobias of the Famous that King Louis XIV only took three baths in his lifetime each of them under protest From 10 Great Unwashed that in 1930 Sears customers became enraged when the catalog was first printed on glossy non absorbent paper From 12 Magical Moments in Toilet Paper History The Perversion of Virtue Thomas Joiner, 2014 In The Perversion of Virtue suicide researcher Thomas Joiner explores the nature of murder suicide and offers a unique new theory to explain this nearly unexplainable act that true murder suicides always involve the wrongheaded invocation of one of four interpersonal virtues

Race and Suicide in South Africa Fatima Meer, 2022-10-05 Originally published in 1976 Race and Suicide in South Africa synthesises the two dimensions of suicide the personal and the social phenomenon Its approach is Durkheimian in the use of court records and phenomenological in the examination of actual cases About 1500 cases of suicide in Durban from 1940-70 are analysed in terms of race sex occupation marital status economic status family type and size residential area time and method used What emerges is a revealing picture of suicide in South African ethnic groups The findings confute the idea of Durkheim and others that behaviour in suicide conforms to certain universal principles and suggest the crucial role of particular social conditions in determining suicide trends while at the same time challenging the proposition that a high suicide rate is associated with high status Instead the author found that there were common emotional syndromes among suicides but there were contributed to by different social factors **The Anatomy of Suicide** Forbes Winslow, 2021-05-19 In The Anatomy of Suicide Forbes Winslow meticulously examines the psychological social and philosophical dimensions of suicide presenting a multifaceted discourse that blends clinical observation with heartfelt inquiry Written in a compelling Victorian style Winslow's prose is both eloquent and accessible richly embedding case studies and statistical analyses within reflective and often poignant narratives The book emerges from a historical context of burgeoning psychological understanding marking a significant contribution to the discourse around mental health during a time when such discussions were often stigmatized and least understood Forbes Winslow a prominent 19th century psychiatrist drew upon his extensive clinical experience and personal reflections on the human condition to write this thought provoking work His background in medicine and deep engagement with the philosophical debates of his time illuminate the societal attitudes toward mental illness and self harm Winslow's commitment to destigmatizing psychological suffering is palpable throughout the book positioning it as an early effort to unravel the taboo surrounding such a delicate subject Readers interested in psychology philosophy or the social sciences will find The Anatomy of Suicide indispensable for its pioneering insights and compassionate perspective Winslow's rich analysis not only invites us to better understand the motives behind suicide but also calls for a reevaluation of societal norms regarding mental health making this a crucial work for anyone seeking to explore the depths of human despair In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work's timeless appeal and themes The Synopsis outlines the central plot

highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era's events and influences that shaped the writing A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work's messages connecting them to modern life Hand-picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read Contemplations on the Ten Commandments Vol. 3 H.H. Pope Shenouda III,1993-02-02 *Death in Summer* Michael Theurillat,2018-08-09 The chilling first novel in the international bestselling Inspector Eschenbach series On a blazing hot day in the heart of summer a renowned banker is shot dead on the golf course There are no witnesses and no obvious suspects When Inspector Eschenbach is assigned to the case he knows that someone must be hiding something And as he delves deeper into the victim's life he starts to uncover a past darker than any he could have imagined and secrets that spread wider than he could possibly believe Secrets that those involved will do anything to keep hidden Someone somewhere knows the truth

*Madness and Society in Eighteenth-Century Scotland* R. A. Houston, 2000-02-03 How did people view mental health problems in the eighteenth century and what do the attitudes of ordinary people towards those afflicted tell us about the values of society at that time Professor Houston draws upon a wide range of contemporary sources notably asylum documents and civil and criminal court records to present unique insights into the issues around madness including the written and spoken words of sufferers themselves and the vocabulary associated with insanity The links between madness and a range of other issues are explored including madness gender social status religion and witchcraft in addition to the attributed causes of derangement such as heredity and alcohol abuse This is a detailed yet profoundly humane and compassionate study of the everyday experiences of those suffering mental impairments ranging from idiocy to lunacy and an exploration into the meaning of this for society in the eighteenth century

*Punishing the Dead?* R. A. Houston, 2010-08-05 A strikingly original work that shows how treatments of and attitudes towards suicide can illuminate our understanding of

the social political and cultural history of early modern Britain      A Family of Outlaws Ronnie Goss, 2009-11 First you had movies like Outlaw of Josey Wales and Posse and a book called Cole now you have A Family of Out Laws This book is about a black western in which the family refuses to let anyone take their land It has a mixture of Western and Southern cowboys combine From one crooked town s mayor after another bounty hunters and outlaws the killing just continues to grow Just remember there were some black cowboys who didn t take any s t Their stories just weren t documented until now So saddle up and enjoy the book
