## **The Manatee:**

Meet the Manatee Caitlind L. Alexander, This book is a shortened version of our popular Manatees Mermaids of the Sea and is intended for beginning readers With only 553 easy to read words young children can experience for themselves the joy of learning about the manatee They will find out What does a manatee look like How fast can a manatee move How do manatees play What do manatees eat And many more Educational Versions have CCSS Activities LearningIsland com believes in the value of children practicing reading for 15 minutes every day Our 15 Minute Books give children lots of fun exciting choices to read from classic stories to mysteries to books of knowledge Many books are appropriate for hi lo readers Open the world of reading to a child by having them read for 15 minutes a day **The Return of the Manatee** Tanya Dellaccio,2017-07-15 Weighing up to 1 300 pounds the gentle manatee looks far more daunting than it truly is How can we protect this peaceful sea cow which has been endangered by habitat loss and watercraft collisions Thankfully legal action has ensured that manatee populations are beginning to revive In this text readers will learn what manatees need to survive how they contribute to their ecosystems and what activities threaten their survival Equipped with a greater awareness of the animal young conservation advocates will be called to action to defend the manatee and its habitats A useful timeline of events educational sidebars and powerful photographs enrich the reading experience Secrets of the Manatee Diane Morgan,2023-04-01 Secrets of the Manatee offers a fascinating look at Florida s most mysterious marine creature Floating just below the surface of the water manatees have remained largely unknown and misunderstood by humans Now their very survival depends on a delicate balance between human interference and conservation This book is written for people who care about manatees who want to learn about them and ultimately who want to save them This book explores the evolutionary history and fascinating biology of the manatee asking questions such as why do they have solid bones and marching molars Big tummies but no blubber Lots of friends and no enemies And other queries like are manatees invasive Do they speak or squeak Why do they have whiskers Are they dangerous How can we help them thrive again This book answers these and many more questions about this very special mammal The Manatee Scientists Peter Lourie,2011 Highlights the work scientists are doing to protect the manatee an endangered species *The Manatee Vs. the Local Economy* Donald Forrer,2005 This volatile emotional issue inherent to Southwest Florida crosses several fields of study To create this case study faculty and graduate students from International College Naples Florida with the help of a local Ft Myers News Press reporter researched this expansive issue involving many organizations and businesses This controversial topic encompassed all of Florida but affected Southwest Florida tremendously Due to the controversial nature of the issue and its effect on one community in particular the authors decided to concentrate the case research on the City of Cape Coral and the local dock building industry This study presents and analyzes the issue from differing sides Key players include Cape Coral Construction Industry Association Florida Department of Environmental Protection Florida Marine Contractors Association Florida Marine

Industry U S Army Corps of Engineers U S Fish and Wildlife Conservation Commission and Save the Manatee Club The case study is excellent for the classroom as it is an ongoing issue with a multitude of research opportunities     **The Great Manatee Rescue** Mary Maden,2002     *The Manatee* Alvin Silverstein,1995 Describes the appearance habits behavior and habitat of the endangered manatee     **Draft Supplemental Environmental Impact Statement: Appendices** United States.
