American Political Thriller Film Pablo Castrillo Maortua, 2023-08-29 In this book Pablo Castrillo Maortua analyzes the emergence of the political thriller in Hollywood at a time of angst and turmoil in the United States The Cold War the nuclear age domestic and international scandals and an increasingly deceitful political culture catalyzed a filmmaking current that would gradually develop its own narrative form and aesthetics into a new genre Castrillo Maortua explores the dramatic identity and design of the American political thriller tracking the close correlation between the evolution of the genre and the history of the United States from the Cuban Missile Crisis to the 9 11 terrorist attacks and the ensuing War on Terror Ultimately the author demonstrates how the American political thriller defies Hollywood conventions and cultural presuppositions with an entertaining yet critical view of the state of politics Scholars of film studies screenwriting and genre theory will find this book of particular interest

From Box Office to Ballot Box M. Keith Booker, 2007-02-28 Given the complexity and expense of making and distributing a film the process of filmmaking is by its very nature a political process Moreover given the power and persuasiveness of the cinema as a medium film can be a powerful political tool It should thus come as no surprise that film has had a long and extensive engagement with a variety of political topics ranging from the actual mechanics of governance to electoral politics to any number of specific political issues Through a film by film examination of the movies explicitly concerned with American politics and American political issues *From Box Office to Ballot Box* provides valuable new insights into our culture's perceptions of various political environments and serves as a witness to the cinema's own complex contribution to the media's coverage of and relationship to American politics at large *From Box Office to Ballot Box* takes as its subject films exploring the electoral process the process of governing and the involvement of the media in both Separate chapters also deal with films related to specific political issues or phenomena that are particularly relevant to the above three categories including labor and class the Cold War the Vietnam War and the other recent conflicts in which the media has played such a large role Specific films discussed include *Citizen Kane* *All the King's Men* *The Manchurian Candidate* *All the Presidents Men* *The Front* *M A S H* *JFK* *Nixon* *Wag the Dog* *Three Kings* *Black Hawk Down* *The Quiet American* *The Contender* and many more

There's No Going Back David M. Stewart, 2025-07-29 Jonathan Demme one of the most influential and dynamic directors of the twentieth century was a fearless and radical filmmaker screenwriter and producer a compassionate artist advocate and humanist who was compelled to tell the stories of marginalized communities His intense passion and appreciation of music culture and art were interwoven throughout his life and extraordinary body of work *There's No Going Back* is the first complete biography of an auteur whose remarkable and versatile career encompassed acclaimed narratives documentaries and films spanning nearly five decades Best known for *Melvin and Howard* 1980 *The Silence of the Lambs* 1991 *Philadelphia* 1993 and *Beloved* 1998 Demme was an Oscar winning filmmaker with a recognizable style and voice He often used that voice to champion women's rights and amplify social and environmental justice issues Demme was also well regarded for the loyalty devotion and collegiality shown to the actors

camera crew and technical staff he employed in his projects Cinephile and journalist David M Stewart affirms that Demme was more than just a quirky filmmaker or a product of 1970s New Hollywood he was ceaseless and earnest in his approach to capturing humanity in all its complexities Drawing from interviews with Demme s collaborators and colleagues Stewart presents the many facets of the filmmaker s life as seen through the eyes of those who were in his warm eclectic orbit There s No Going Back is a compelling and fitting tribute to the brilliance and breadth of the man behind the camera Psycho Thrillers William Indick,2013-10-18 Mind control madness and altered states of reality can make for exciting nights at the movies which explains the enduring popularity of a film genre that might be called the psycho thriller Psychiatry and film came of age simultaneously and characters such as the evil psychiatrist and the pathological killer were often developed in direct reference to the psychological themes that inspired them For example the penchants of Hitchcock s famously creepy Norman Bates represented real psychological disorders and his actions were explained through psychoanalysis The psycho thriller presents a world where psychology represents a dimension of supernatural and metaphysical wonders The introduction analyzes what makes a psycho thriller and subsequent chapters are devoted to each of the archetypal psycho thriller characters the mad scientist the psycho killer the individual with psychic powers and the psychiatrist and themes mind control dreams memory and existential issues The concluding chapter lists the top twenty psycho thrillers Stills from classic films in the genre illustrate the text which also includes filmography bibliography and index *Global Issues and Ethical Considerations in Human Enhancement Technologies* Thompson, Steven John,2014-04-30 With rapid advancements in human enhancement technologies society struggles with many issues such as definition effects participation regulation and control Current and future initiatives in these technologies may not be in the participants best interests therefore it is imperative for research on humanitarian considerations to be available to those affiliated with this field *Global Issues and Ethical Considerations in Human Enhancement Technologies* compiles prestigious research and provides a well rounded composite of the field s role in emerging technologies Addressing both present and future concerns this publication serves as a valuable reference work for researchers students professionals and practitioners involved in computer science and the humanities as well as many engaged in a humanities approach to metasystems new artificial life and robotics Progressive Hollywood Ed Rampell,2005-01-01 With an introduction by Greg Palast author of bestseller *The Best Democracy Money Can Buy* *Progressive Hollywood* features Rampell s interviews and interactions with Hollywood luminaries such as producers Jerry Bruckheimer and Robert Greenwald actors Jack Nicholson Rob Reiner Mike Farrell Ed Asner Martin Sheen David Clennon Gore Vidal and Dennis Hopper directors Michael Moore Spike Lee Oliver Stone and Lionel Chetwynd blacklisted screenwriters Bernie Gordon who initiated the 1999 protests against Elia Kazan s lifetime achievement Oscar Bobby Lees who injected dialectical materialism into Abbott and Costello comedies and Norma Barzman author of 2003 s *The Red and the Blacklist* *Cinemasings* John McCarty,2018-05-07 John McCarty began his writing career as a film reviewer and

Jonathan Demme Robert E. Kapsis, 2009 Collected interviews with the director of The Silence of the Lambs Philadelphia Married to the Mob and other films Hidden Depths Robin Waterfield, 2011-07-22 With wit and verve Robin Waterfield brings the bizarre story of hypnotism to life A lively mixture of popular history science and psychology Hidden Depths is the definitive work on hypnosis From its origins as animal magnetism as practised by Franz Anton Mesmer to its modern day use as a health cure and a form of entertainment hypnosis encompasses many different facets of humanity Always controversial the outlandish claims that its zealous believers make are only matched in intensity by the howls of derision that they provoke from sceptics Hypnotism exists on the periphery of the scientific community much as it has since its inception and Robin Waterfield approaches the issues with an open mind carefully stripping the fact from the fancy and the truth from the myth Vividly written compellingly readable this is a fascinating insight into one of the more esoteric branches of science Hidden Depths is a highly readable wide ranging and informative account of a fascinating topic Observer Fascinating Daily Telegraph *The World of the John Birch Society* D. Mulloy, 2014-06-27 As far as members of the hugely controversial John Birch Society were concerned the Cold War revealed in stark clarity the loyalties and disloyalties of numerous important Americans including Dwight Eisenhower John Kennedy and Earl Warren Founded in 1958 as a force for conservative political advocacy the Society espoused the dangers of enemies foreign and domestic including the Soviet Union organizers of the US civil rights movement and government officials who were deemed soft on communism in both the Republican and Democratic parties Sound familiar In The World of the John Birch Society author D J Mulloy reveals the tactics of the Society in a way they've never been understood before allowing the reader to make the connections to contemporary American politics up to and including the Tea Party These tactics included organized dissemination of broad based accusations and innuendo political brinksmanship within the Republican Party and frequent doomsday predictions regarding world events At the heart of the organization was Robert Welch a charismatic writer and organizer who is revealed to have been the lifeblood of the Society's efforts The Society has seen its influence recede from the high water mark of 1970s but the organization still exists

today Throughout The World of the John Birch Society the reader sees the very tenets and practices in play that make the contemporary Tea Party so effective on a local level Indeed without the John Birch Society paving the way the Tea Party may have encountered a dramatically different political terrain on its path to power *American International Pictures* Rob Craig,2019-03-05 American International Pictures was in many ways the missing link between big budget Hollywood studios poverty row B movie factories and low rent exploitation movie distributors AIP first targeted teen audiences with science fiction horror and fantasy but soon grew to encompass many genres and demographics at times it was indistinguishable from many of the major studios From Abby to Zontar this filmography lists more than 800 feature films television series and TV specials by AIP and its partners and subsidiaries Special attention is given to American International Television the TV arm of AIP and an appendix lists the complete AITV catalog The author also discusses films produced by founders James H Nicholson and Samuel Z Arkoff after they left the company Star Wars on Trial: The Force Awakens Edition David Brin,Matthew Woodring Stover,2015-11-03 Order in the Court Star Wars the most significant powerful myth of the twenty first century or morally bankrupt military fantasy Six films Countless books 20 billion in revenue No one can question the financial value or cultural impact of the Star Wars film franchise But has the impact been for the good In Star Wars on Trial s courtroom Droid Judge presiding Star Wars stands accused of elitist politics and sexism religious and ethical lapses the destruction of literary science fiction and science fiction film and numerous plot holes and logical gaps Supported by a witness list of bestselling science fiction authors David Brin for the prosecution and Matthew Woodring Stover for the defense debate these charges and more before delivering their closing statements The verdict That s up to you Covering the films from A New Hope to The Force Awakens Brin and Stover provide new forewords that explore the newest generation of Star Wars films and what JJ Abrams must do to live up to or redeem the franchise **Brainwashing** David Seed,2004 An examination of the literary and cinematic representations of brainwashing during the Cold War era CIA operative who was a tireless campaigner against communism it took hold quickly and became a means to articulate fears of totalitarian tendencies in American life David Seed traces the assimilation of the notion of brainwashing into science fiction political commentary and conspiracy narratives of the Cold War era He demonstrates how these works grew out of a context of political and social events and how they express the anxieties of the time The Manchurian Candidate Seed provides new interpretations of writers such as Orwell and Burroughs within the history of psychological manipulation for political purposes using declassified and other documents to contextualise the material he explores the shifting view points of how brainwashing is represented changing from an external threat to American values to an internal threat against individual American liberties by the U S government will welcome this study *Jet* ,2004-08-02 The weekly source of African American political and entertainment news Genreflecting Diana Tixier Herald,Samuel Stavole-Carter,2019-05-24 Librarians who work with readers will find this well loved guide to be a treasure trove of information With descriptive annotations of thousands of
