The Manipulated Man:

The Manipulated Man Esther Vilar, 2009-01-16 Esther Vilar's classic polemic about the relationship between the sexes caused a sensation on its first publication. In her introduction to this revised edition Vilar maintains that very little has changed. A man is a human being who works while a woman chooses to let a man provide for her and her children in return for carefully dispensed praise and sex. Vilar's perceptive thought provoking and often very funny look at the battle between the sexes has earned her severe criticism and even death threats. But Vilar's intention is not misogynous; she maintains that only if women and men look at their place in society with honesty will there be any hope for change. **The Manipulated Man**, 1971

The Manipulative Man Dorothy McCoy, 2006-05-08 Conventional wisdom says that women are the manipulative ones but tell that to the thousands of desperate women suffering at the hands of a manipulative man. Men can be just as sneaky, passive aggressive, needy, underhanded, whiny, guilt inducing and emotionally demanding as women are accused of being and more so. As any woman in love with a manipulative man can tell you, it's not easy to get past his charm and your guilt to a place where you can see your relationship for what it is: out of balance, extraordinarily stressful, emotionally exhausting and potentially dangerous. *The Manipulative Man* is a groundbreaking prescription for dealing with the manipulative men in your life by using Tests to help you determine if you are involved with a mama's boy, narcissist, sociopath or even a psychopath. Techniques for defining and setting boundaries with your man. Tools to help you improve their relationship. And more. In *The Manipulative Man*, acclaimed psychotherapist Dr. Dorothy McCoy shows you how to identify the type of manipulative man you're involved with, deal with the issues his behavior provokes and ultimately salvage the relationship or move on.
