The Mansions Of The Lord From We Were Soldiers:

Assembly West Point Association of Graduates (Organization), 2002 *The Strong Gray Line* Cory Wallace, 2015-10-16

To preserve the memory of their service during the tumultuous decade since their commissioning as Army officers members of the West Point class of 2004 have written *The Strong Gray Line* This class suffered the highest casualty rate since those that graduated during the Vietnam War In this book thirteen of their classmates who lost their lives fighting the Global War on Terror are profiled to help the reader gain an understanding of the bond forged between classmates during time at West Point a bond that transcends the separation of death In addition to the stirring profiles thirteen personal essays detail some of the most brutal fighting of Operations Iraqi Freedom and Enduring Freedom in addition to the struggles endured by those on the home front These stories range from visceral observations of combat to a wife's anxious wait for her husband to return home Holistically these stories define an emotional spectrum that enables the reader to connect not only with the experience of the Class of 2004 but with every man and woman who served their country in a time of war What separates *The Strong Gray Line* from other war memoirs is the illustration of the endurance of the bond forged at West Point It is fitting that these exceptional young service members be remembered and revered not only as examples of selfless and intrepid officership but also as monuments to the thousands of fellow Americans who served alongside them

Music in American Combat Films Wesley J. O'Brien, 2014-01-10 The book explores ways in which combat film scores interact collaboratively with other film elements for instance image and dialogue to guide audience understanding of theme and character Examined are classical and current models of film scoring practice and the ways they work to represent changes in film narratives taking place over time or from film to film Differing approaches to scoring practice are considered as possible reflections of prevailing cultural attitudes toward war and warriors during the time of a film's creation the war it represents or both Observations of cinematic representations of masculinity heroism and war raise questions regarding whether and if so to what extent we have lost some measure of faith in our country's motives for waging war and in the traditional models of what we think it means to be a hero

Sniper Sari Horwitz, Michael Ruane, 2004-09-28 Sniper is the behind the scenes story of one of the most frightening rampages to occur in U S history and how it was stopped For more than three weeks the nation watched in disbelief as Washington D C and its surrounding suburbs were held hostage by anonymous gunmen shooting innocent civilians at random Sniper is the definitive account of those alleged gunmen John Muhammad and Lee Boyd Malvo

and the massive manhunt that ended with their capture by a heavily armed SWAT team in an early morning raid at an interstate highway rest stop Two Washington Post reporters Sari Horwitz and Michael E Ruane retrace the steps of Muhammad and Malvo from their first meeting on the island of Antigua to Malvo's de-ant confession in a Virginia jail Drawing on exclusive reporting about that confession internal police documents and a wide range of law enforcement sources Horwitz and Ruane track in remarkable detail the murderous trail Muhammad and Malvo are accused of having followed to the Washington area and reconstruct the eerie way in which the two moved invisibly around the nation's capital in the midst of one of the largest police investigations in U S history Horwitz and Ruane also take you inside the police command center where local and state police joined by the federal government's most experienced crime fighters worked desperately to stop the killings unaware that a fundamental error investigators were wrongly fixated on a white van was allowing Muhammad and Malvo to slip through the dragnet We meet FBI negotiators veteran detectives forensics experts prosecutors and politicians who faced perhaps the biggest challenge of their careers as they confronted frustrating setbacks logistical nightmares and the overwhelming pressure of a high stakes investigation In a fast paced narrative that outdoes even the most acclaimed television cop shows Sniper recounts the extraordinary police work that enabled investigators to quickly exploit the clues handed to them by Muhammad and Malvo that finally led to their arrest Part gripping drama part real life portrait of law enforcement at work Sniper is also a cautionary tale about the vulnerability of American society in an age of terrorism
