that made him the perfect spokesman and student of Adams writings For those to whom the meshing of solid American history and public service are of interest this will be an unusual but entirely worthwhile experience **Impossible**

Cazenave, 2008-06-05 Honorable Mention 2008 Gustavus Myers Book Award presented by the Gustavus Myers Center for Human Rights in North America Impossible Democracy challenges the conventional wisdom that the War on Poverty failed by exploring the unlikely success of its community action programs Using two projects in Manhattan that were influential precursors of community action programs the Mobilization for Youth and the Harlem Youth Opportunities Unlimited Associated Community Teams Noel A Cazenave analyzes national and local conflicts in the 1960s over what the nature of community action should be Fueled by the civil rights movement activist social scientists promoted a model of community action that allowed for the use of social protest as an instrument of local reform In addition they advanced a more participatory view of how democracy should work one that insisted local decision making not be left solely to elected officials and other powerful people as traditionally done **Record of Current Educational Publications**

United States. Office of Education, 1919 *Monthly Record of Current Educational Publications* , 1920 *The Desegregation of Public Libraries in the Jim Crow South* Shirley A. Wiegand, Wayne A. Wiegand, 2018-04-14 In *The Desegregation of Public Libraries in the Jim Crow South* Wayne A and Shirley A Wiegand tell the comprehensive story of the integration of southern public libraries As in other efforts to integrate civic institutions in the 1950s and 1960s the determination of local activists won the battle against segregation in libraries In particular the willingness of young black community members to take part in organized protests and direct actions ensured that local libraries would become genuinely free to all citizens The Wiegands trace the struggle for equal access to the years before the Supreme Court's *Brown v Board of Education* decision when black activists in the South focused their efforts on equalizing accommodations rather than on the more daunting and dangerous task of undoing segregation After the ruling momentum for vigorously pursuing equality grew and black organizations shifted to more direct challenges to the system including public library sit ins and lawsuits against library systems Although local groups often took direction from larger civil rights organizations the energy courage and determination of younger black community members ensured the eventual desegregation of Jim Crow public libraries The Wiegands examine the library desegregation movement in several southern cities and states revealing the ways that individual communities negotiated mostly peacefully sometimes violently the integration of local public libraries This study adds a new chapter to the history of civil rights activism in the mid twentieth century and celebrates the resolve of community activists as it weaves the account of racial discrimination in public libraries through the national narrative of the civil rights movement **Parameters** , 2002 **Where Did the Party Go?** Jeff Taylor, 2006 Using a twelve point model of Jeffersonian thought Taylor appraises the competing views of two Midwestern liberals William Jennings Bryan and Hubert Humphrey on economic policy foreign relations and political reform to demonstrate how the Democratic party lost its place in Middle America Provided by publisher **Congressional Record**

Perlstein, 2021-08-17 From the bestselling author of Nixonland and The Invisible Bridge comes the dramatic conclusion of how conservatism took control of American political power *Between a River and a Mountain* Edmund F. Wehrle, 2005-12 Between a River and a Mountain details American labor's surprisingly complex relationship to the American war in Vietnam Breaking from the simplistic story of hard hat patriotism Wehrle uses newly released archival material to demonstrate the AFL CIO's continuing dedication to social political and economic reform in Vietnam The complex sometimes turbulent relationship between American union leaders and their counterparts in the Vietnamese Confederation of Labor known as the CVT led to dangerous political compromises the AFL CIO eventually accepted much needed support for their Vietnamese activities from the CIA while the CVT's need to sustain their relationship with the Americans lured them into entanglements with a succession of corrupt Saigon governments Although the story's endpoint the painfully divided and weakened labor movement of the 1970s may be familiar Wehrle offers an entirely new understanding of the historical forces leading up to

that decline unraveling his story with considerable sophistication and narrative skill Stunning in its research and sophisticated in its analysis *Between a River and a Mountain* is one of the best studies we have of labor and the Vietnam War Robert K Brigham Shirley Ecker Boskey Professor of History and International Relations Vassar College Skillfully blending diplomatic and labor history Wehrle's book is a valuable contribution to the ever widening literature on the Vietnam War George Herring University of Kentucky Wehrle has written a compelling and original study of the AFL CIO the South Vietnamese labor movement and the Vietnam War Judith Stein Professor of History City College and Graduate School of the City University of New York With this important book Edmund Wehrle gives us the first full fledged scholarly examination of organized labor's relationship to the Vietnam War Based on deep research in U S and foreign archives and presented in clear and graceful prose *Between a River and a Mountain* adds a great deal to our understanding of how the AFL CIO approached the war and in turn was fundamentally altered by its staunch support for Americanization Nor is it merely an American story that Wehrle tells for he also presents fascinating information on the Vietnamese Confederation of Labor and its sometimes strained relations with U S labor Fredrik Logevall Cornell University Edmund F Wehrle is Assistant Professor of History Eastern Illinois University

Super Bomb Ken Young, Warner R. Schilling, 2020-02-15 *Super Bomb* unveils the story of the events leading up to President Harry S Truman's 1950 decision to develop a super or hydrogen bomb That fateful decision and its immediate consequences are detailed in a diverse and complete account built on newly released archives and previously hidden contemporaneous interviews with more than sixty political military and scientific figures who were involved in the decision Ken Young and Warner R Schilling present the expectations hopes and fears of the key individuals who lobbied for and against developing the H bomb They portray the conflicts that arose over the H bomb as rooted in the distinct interests of the Atomic Energy Commission the Los Alamos laboratory the Pentagon and State Department the Congress and the White House But as they clearly show once Truman made his decision in 1950 resistance to the H bomb opportunistically shifted to new debates about the development of tactical nuclear weapons continental air defense and other aspects of nuclear weapons policy What *Super Bomb* reveals is that in many ways the H bomb struggle was a proxy battle over the morality and effectiveness of strategic bombardment and the role and doctrine of the US Strategic Air Command

The Right of Instruction and Representation in American Legislatures, 1778 to 1900 Peverill Squire, 2021-02-23 *The Right of Instruction and Representation in American Legislatures 1778 to 1900* provides a comprehensive analysis of the role constituent instructions played in American politics for more than a hundred years after

its founding Constituent instructions were more widely issued than previously thought and members of state legislatures and Congress were more likely to obey them than political scientists and historians have assumed Peverill Squire expands our understanding of constituent instructions beyond a handful of high profile cases through analyses of two unique data sets one examining more than 5 000 actionable communications instructions and requests sent to state legislators by constituents through town meetings mass meetings and local representative bodies the other examines more than 6 600 actionable communications directed by state legislatures to their state s congressional delegations He draws the data examples and quotes almost entirely from original sources including government documents such as legislative journals session laws town and county records and newspaper stories as well as diaries memoirs and other contemporary sources Squire also includes instructions to and from Confederate state legislatures in both data sets In every respect the Confederate state legislatures mirrored the legislatures that preceded and followed them
