## **The Marriage At Antibes:**

*The Marriage at Antibes* Carol Azadeh,1999 Stories in an international setting In *The Country Road* an Irish couple s dream of emigrating to America remains unfulfilled while A Recitation of Nomads is on the reaction of an English tourist to her treatment by Moroccan men By an Irish writer      *The Marriage at Antibes* Carol Azadeh,2000      *Jazz and Postwar French Identity* Elizabeth Vihlen McGregor,2016-06-23 In the context of a shifting domestic and international status quo that was evolving in the decades following World War II French audiences used jazz as a means of negotiating a wide range of issues that were pressing to them and to their fellow citizens Despite the fact that jazz was fundamentally linked to the multicultural through its origins in the hands of African American musicians happenings within the French jazz public reflected much about France s postwar society In the minds of many jazz was connected to youth culture but instead of challenging traditional gender expectations the music tended to reinforce long held stereotypes French critics musicians and fans contended with the reality of American superpower strength and often strove to elevate their own country s stature in relation to the United States by finding fault with American consumer society and foreign policy aims Jazz audiences used this music to condemn American racism and to support the American civil rights movement expressing strong reservations about the American way of life French musicians lobbied to create professional opportunities for themselves and some went so far as to create a union that endorsed preferential treatment for French nationals As France became more ethnically and religiously diverse due immigration from Africa Asia and the Caribbean French jazz critics and fans noted the insidious appearance of racism in their own country and had to contend with how their own citizens would address the changing demographics of the nation even if they continued to insist that racism was more prevalent in the United States As independence movements brought an end to the French empire jazz enthusiasts from both former colonies and France had to reenvision their relationship to jazz and to the music s international audiences In these postwar decades the French were working to preserve a distinct national identity in the face of weakened global authority most forcefully represented by decolonization and American hegemony Through this originally African American music French listeners commentators and musicians participated in a process that both challenged and reinforced ideas about their own culture and nation      *The Life and Work of Pauline Viardot Garcia* Barbara Kendall-Davies,2014-07-24 This is the second volume of the *Life and Work of Pauline Viardot Garcia* The Years of Grace 1863 1910 Viardot was an international opera singer composer and teacher who was seminal in the world of music in the 19th century She came from a famous family of musicians her father being the Spanish tenor composer and teacher Manuel del Popolo Vicente Rodriguez Garcia Her mother Joaquina Sitch s was also a singer and taught Pauline her brother Manuel was an eminent singing teacher and inventor of the laryngoscope and her sister was the legendary singer Maria Malibran Her friends and colleagues are household names including the writer George Sand and her lover Frederick Chopin Clara and Robert Schumann Johannes Brahms Richard Wagner Gabriel Faur Jules

Massenet and Franz Liszt who taught Pauline piano and on whom she had a girlish crush Though considered ugly she had a unique fascination and many men fell in love with her including her husband Louis Viardot historian and man of letters the Russian writer Ivan Turgenev Maurice Sand artist son of George Sand the composers Charles Gounod and Hector Berlioz as well as her mentor the painter Ary Scheffer Although famous in her day after her death in 1910 she fell into obscurity but her songs are appearing again and her influence as a teacher has spread worldwide The first volume largely covers Viardot's international singing career from 1836 to 1863 and the second volume although also featuring her performances concentrates more fully on her work as a composer and teacher as well as a famous musical hostess Although ostensibly the life professional and personal of an amazing individual the book is also a portrait of an age culturally socially and politically As the author's first volume about Viardot the *Life and Work of Pauline Viardot Garcia The Years of Fame 1836-1863* was only the second biography in English of the singer her work has been seminal and has attracted interest worldwide The second volume *The Years of Grace* published by Cambridge Scholars Publishing has been enthusiastically anticipated and includes a CD of three Viardot songs performed by Giles Davies      *Korda* Charles Drazin, 2011-05-30 The producer behind such celebrated films as *The Four Feathers* and *The Third Man* is one of the most colourful and important figures in the history of the British cinema This gripping biography tells how with extraordinary ambition enterprise and showmanship Alexander Korda established in Britain a film industry that rivalled Hollywood built Europe's biggest studio and created world class stars including Charles Laughton and Vivien Leigh The biography traces Korda's path from his rural childhood in a remote part of Hungary to a British knighthood Korda's legacy it argues was a film industry that dared to dream on the largest possible scale But he also exemplified the pattern of boom and bust that dogged the British cinema ever since he first came into the limelight in 1933 with the international success of *The Private Life of Henry VIII* To understand his often turbulent career is to gain a profound insight into the nature of the British cinema both then and now      **Illustrated**

*Rich and Ruthless* Brittany Montgomery, 2002-08-25 Emily Van Buren reveals her darkest secret to her daughter Allison during her last minutes of life She tells Allison that her father may still be alive and that she is the illegitimate child of one of the members of the TABLE of TWENTY an international commission of twenty of the world s wealthiest men To find and identify her father Allison discards her image of beautiful Palm Beach heiress and assumes a role of super sleuth During her background research of the members she becomes intrigued with the labyrinthine workings and unlimited control of the TABLE After two years of searching her surprise arrival into the lives of these twenty men at their secluded paradise presents a multiplicity of power struggles and complex dilemmas Brought together by opportunity Allison Van Buren and Frank Burnett are the integral thread by which the discovery explication and appraisal of these twenty men evolves Their unresolved love for each other is yet another part of the complicated web of the Rich and Ruthless

**The Proprietary Church in the Medieval West** Susan Wood, 2008-12-18 Although there have been many regional studies of the proprietary church or particular aspects of it this is the first extensive study of it covering most of western Europe from the end of the Roman Empire in the West to about 1200 The book aims at a broad survey in varying degrees of intensity and with a shifting geographical focus and it asks questions that are as much social and religious as legal or administrative The book vindicates for village and estate churches Ulrich Stutz s basic concept

of a church with its possessions revenues and priestly office as an object of what we can reasonably call property But it largely rejects his and his followers application of this to great churches and sees the position of intermediate churches such as small or middling monasteries as various changeable and ambivalent Above all it turns away from Stutz s view of the property relationship as a distinct institution or system of Germanic church law presenting it rather as a fluid set of assumptions and practices taking shape as customary law The book considers also the changing background of ideas and the bearing on it of important polemical writings with some questioning of their established interpretations Finally the book discusses how property in churches was imperfectly superseded by the new canon law patronage in the increasingly bureaucratic post Gregorian Church

**Short Story Index** ,2004      **Riviera** Jim Ring,2011-04-21 The Riviera has inspired countless novelists and artists attracted as much by its visitors as by its location Somerset Maugham called it a sunny place for shady people But for the majority of the English the Riviera was made famous by rumour and report it was the scene of the romance of Edward VIII and Wallis Simpson and post war became the vacation spot of Hollywood starlets But the C te d Azur has a long history of attracting foreign celebrities and royalty since the seventeenth century when it was a stopping point on the route south for aristocratic Grand Tourists Later English and Scottish invalids among them Robert Louis Stevenson followed doctors orders and holidayed on the Riviera for their health Jim Ring explores these origins and the developments that took place on the coast the impact of rail travel of war of celebrity and of the English An entertaining survey It is the ideal book to hide your smirk behind on the Promenade des Anglais as yet another roller blading granny glides past in a leopard skin thong Sunday Telegraph Jim Ring s Riviera corrals an array of vignettes of the C te d Azur s most famous habitu s from the Romans to the Rolling Stones a stylish and pleasingly gossipy overview of the region s fluctuating fortunes Time Out A highly readable history Guardian      *The Richard Burton Diaries* Richard Burton,2012-10-23 The personal diaries of the renowned actor and glamorous celebrity describe his life from 1939 to 1983 including his struggles with weight drinking and jealousy when other men looked at the love of his life Elizabeth Taylor

**The Royal Families of England, Scotland, and Wales** John Burke,Bernard Burke,1851      Married Life in the Middle Ages, 900-1300 Elisabeth van Houts,2019-02-06 Married Life in the Middle Ages 900 1300 contains an analysis of the experience of married life by men and women in Christian medieval Europe c 900 1300 The study focusses on the social and emotional life of the married couple rather than on the institutional history of marriage breaking it into three parts Getting Married the process of getting married and wedding celebrations Married Life the married life of lay couples and clergy their sexuality and any remarriage and Alternative Living which explores concubinage and polygyny as well as the single life in contrast to monogamous sexual unions In this volume van Houts deals with four central themes First the tension between patriarchal family strategies and the individual family member s freedom of choice to marry and if so to what partner second the role played by the married priesthood in their quest to have individual agency and self determination accepted in their own lives

in the face of the growing imposition of clerical celibacy third the role played by women in helping society accept some degree of gender equality and self determination to marry and in shaping the norms for married life incorporating these principles fourth the role played by emotion in the establishment of marriage and in married life at a time when sexual and spiritual love feature prominently in medieval literature      Revival: The Women Bonapartes vol. I (1908) Hugh Noel Williams,2018-12-20 It will therefore I think be admitted that the present volumes in which I have endeavoured to give a full and unprejudiced history of the Women Bonapartes call for no apology and I may even venture to believe that whatever their shortcomings they will be welcomed by the English and American public as an attempt to fill a place in our Napoleonic literature which has been long vacant      *Monaco and Its Princes.
