The Marriage Bed Nightingale Ser:

Morgan Nightingale Robert Dean Vaughn, 2010-05-06 Morgan is not human she knows exactly what she is Her bones are titanium her brain is synthetic and her muscles are smart metal alloys Her Biologic component is a human shell she wears like a costume She first opened her eyes full grown with a great deal of programmed knowledge and capable of conversation in the year 2189 Earth is corporate owned and Morgan s primary programming makes her a very expensive sexual surrogate She is a rich man s companion she is beautiful female and submissive But she has questions and she is quite capable of learning and making choices just like any sentient being So why would she choose to serve Morgan Nightingale 5 intends to learn herself free and human if it takes a hundred years She has all the time she needs so she takes three energy bars a bottle of water an apple and she puts it all in a plastic bag Then she disappears into the world of men Her adventure has just begun

Nightingales Gillian Gill, 2007-12-18 Florence Nightingale was for a time the most famous woman in Britain if not the world We know her today primarily as a saintly character perhaps as a heroic reformer of Britain s health care system The reality is more involved and far more fascinating In an utterly beguiling narrative that reads like the best Victorian fiction acclaimed author Gillian Gill tells the story of this richly complex woman and her extraordinary family Born to an adoring wealthy cultivated father and a mother whose conventional facade concealed a surprisingly unfettered intelligence Florence was connected by kinship or friendship to the cream of Victorian England s intellectual aristocracy Though moving in a world of ease and privilege the Nightingales came from solidly middle class stock with deep traditions of hard work natural curiosity and moral clarity So it should have come as no surprise to William Edward and Fanny Nightingale when their younger daughter Florence showed an early passion for helping others combined with a precocious bent for power Far more problematic was Florence s inexplicable refusal to marry the well connected Richard Monckton Milnes As Gill so brilliantly shows this matrimonial refusal was at once an act of religious dedication and a cry for her freedom as a woman and as a leader Florence s later insistence on traveling to the Crimea at the height of war to tend to wounded soldiers was all but incendiary especially for her older sister Parthenope whose frustration at being in the shade of her more charismatic sibling often led to illness Florence succeeded beyond her wildest dreams But at the height of her celebrity at the age of thirty seven she retired to her bedroom and remained there for most of the rest of her life allowing visitors only by appointment Combining biography politics social history and consummate storytelling Nightingales is a dazzling portrait of an amazing woman her difficult but loving family and the high Victorian era they so perfectly epitomized Beautifully written witty and irresistible Nightingales is truly a tour de force *Florence Nightingale on Women, Medicine, Midwifery and Prostitution* Lynn McDonald, 2006-01-01 Volume 8 Florence Nightingale on Women Medicine Midwifery and Prostitution makes available a great range of Florence Nightingale s work on women her pioneering study of maternal mortality in childbirth Introductory Notes on Lying in Institutions her opposition to the regulation of prostitution through the

Contagious Diseases Acts attempts to stop the legislation and otherwise to facilitate the voluntary treatment of syphilitic prostitutes her views on gender roles marriage and measures for income security for women and excerpts from her draft abandoned novel There is correspondence with women friends and colleagues from childhood to old age on a vast range of subjects Correspondents include old family friends royal and notable personages nuns and colleagues in various causes Most of this material has not been published before and some letters will be new even to Nightingale scholars Altogether a very different view of Nightingale emerges from what normally appears in biographies and other secondary sources This material will enable a new assessment of her feminism her relations with women and her contribution to improving the status of women of her time Currently Volumes 1 to 11 are available in e book version by subscription or from university and college libraries through the following vendors Canadian Electronic Library Ebrary MyiLibrary and Netlibrary *Subject Guide to Books in Print* ,1996 *The Nightingale Legacy* Catherine Coulter,1995-09-01 An exhilarating Regency romance from the 1 New York Times bestselling author The second novel in Catherine Coulter s acclaimed Legacy trilogy **Forthcoming Books** Rose Army,1994-02 Love Vs.
