The Lure of the Labrador Wild By Dillon Wallace 1905 e we knew Hubbard never knew A perceptible current a questioning word the turn of a paddle would have set us right No current was noticed no word was spoken and the paddle sent us straight toward those blue hills yonder where Suffering and Starvation and Death were hidden and waiting for us How little we expected to meet these grim strangers then That July day came back to me as if it had been but the day before I believe I never missed Hubbard so much as at that moment I never felt his loss so keenly as then An almost irresistible impulse seized me to go on into our old trail and hurry to the camp where we had left him that stormy October day and find if he were not after all still there and waiting for me to come back to him We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
