To Right Every Wrong Dave Andrews, 2021-01-21 Dave Andrews s latest book *To Right Every Wrong* is the last in the Dave Andrews Legacy Series It is a funny sad brutally honest retrospective reflecting on what it has meant for him and his family to seek to live a lifetime dedicated to love and justice The reflections in this book subtitled *The Making and Unmaking of One Improbable Minor Prophet* come in three parts the personal the prophetic and the paradoxical The personal part explores Andrews s experience of the radical compassionate spirituality that he shares with wife Angie and which has shaped their way of life as a family in community with marginalized and disadvantaged groups of people The prophetic part explores Andrews s embrace of the strange crazy improbable call he felt to be a prophet which he has sought to flesh out in classic prophetic roles as an interrogator a protester a practitioner and an inspirator in contemporary prophetic contexts characterized by poverty and violence The paradoxical part explores Andrews s making and unmaking as a minor prophet critically constructing and deconstructing the more confrontational aspects of the prophetic roles he has played in order to be able to practice more sensitive pastoral care

God Is Not Fair, Thank God! George E. Thompson, 2014-02-05 Life is not fair What does this reality imply about the nature of God and the destiny of human beings In this engaging book Thompson asserts that fairness is not an expectation of the faithful within the Judeo Christian Scriptures Biblical narrative discloses the mystery of a paradoxical deity that indwells with the suffering of creation and thereby provides a mercy that exceeds the evasive goal of fairness The process of healing and redemption of this cracked creation occurs through the tears and suffering of the biblical God whose authentic power is revealed within divine vulnerability and weakness The Jesus of history truly manifested the fullness of this paradoxical God for he disclosed the richness of the divine Being by emptying himself and taking the form of a redemptive servant When the church grasps for power and control avoids compassionate and costly ministries among the poor and powerless and renders primary focus upon gaining heavenly rewards it rejects its Christ centered mission relinquishes its paradoxical purpose and ceases to strive toward becoming an extension of the incarnation Thompson explores various paradoxical facets of each person of the Trinity and richly illustrates with stories from his vast experience as a parish theologian

Medieval Warfare Maurice Keen, 1999-08-26 This richly illustrated book explores over seven hundred years of European warfare from the time of Charlemagne to the end of the middle ages c 1500 The period covered has a distinctive character in military history It was an age when organization for war was integral to social structure when the secular aristocrat was by necessity also a warrior and whose culture was profoundly influenced by martial ideas Twelve scholars experts in their own fields have contributed to this finely illustrated book It is divided into two parts Part I seeks to explore the experience of war viewed chronologically with separate chapters on for instance the Viking age on the wars and expansion of the eleventh and twelfth centuries on the Crusades and on the great Hundred Years War between England and France The chapters in Part II trace thematically the principal developments in the art of warfare in fortification and siege craft in the role of armoured cavalymen in the employment of mercenary forces the advent of gunpowder artillery and of new skills in navigation and shipbuilding In both parts of the book the overall aim has been to offer the general reader an impression not just of the where and the when of great confrontations but above all of the social experience of warfare in the middle ages and of the impact of its demands on human resources and human endurance

Reading Buechner Jeffrey Munroe, 2019-11-19 Frederick Buechner is one of the most gifted writers of his generation with an important legacy as a memoirist novelist theologian and preacher In this book Buechner expert Jeff Munroe presents a collection of the true

essentials from across Buechner's diverse catalog as well as an overview of Buechner's life and a discussion of the state of his literary legacy today **The Way of Herodotus** Justin Marozzi, 2008-12-09 An intriguing travel history exploring and evoking the world of Herodotus with abundant commentary on the legacy and spirit of the father of history and the literary art he created *Rivers of Revival* Neil T. Anderson, Elmer Towns, 2019-06-18 Since the Day of Pentecost seasons of revival and awakening have brought refreshing to the spiritually dry life to the spiritually dead and miraculous encounters with the Holy Spirit In this timely and prophetic volume two bestselling generals of the faith Dr Elmer Towns and Dr Neil T Anderson offer collective wisdom insight **No Business as Usual** Bruce L. Taylor, 2019-10-24 In this companion volume to *The Word in the Wind* Sermons for the Lectionary Year A Advent through Eastertide Bruce Taylor provides a collection of theologically rich sacramentally sensitive and biblically centered sermons for the Sundays and feast days for Pentecost and the remainder of the liturgical year commonly referred to as Ordinary Time The compilation includes a sampling of story sermons and in an appendix to the lectionary based homilies a sermon that was delivered at the invitation of the Presbyterian Church USA as part of the preparation for the denomination's General Assembly in 2008 challenging the church to remember and remain faithful to its prophetic heritage Using the full range of Old Testament epistle and Gospel readings commended by the Common Lectionary Revised this collection encourages preachers to use the lectionary as an opportunity to explore homiletically the whole range of scriptural themes for their congregations and offers all readers thoughtful reflections on living faithfully in regular engagement with Word and Sacrament **Islamic Economics and the Final Jihad** David Jonsson, 2006-05 Jonsson presents the history and Islamist strategy for achieving world domination without terrorism through gradual Islamization of the West by controlling currency oil resources free trade zones transportation media and financial markets Social Issues **Stumbling over the Cross** Joni S. Sancken, 2016-04-21 It has never been easy to preach about the cross and resurrection of Jesus but difficulties today are particularly challenging Hearers ask tough questions of the church and the Christian faith and they are not satisfied by formulaic answers People are often suspicious of doctrine and are attracted to a broad but vague or pluralistic spirituality rather than the classical claims of Christianity In this climate preachers often see preaching on the central events of the Christian story the crucifixion and resurrection as more of a problem than a possibility more of a burden than a joy They wonder not only how to preach the old old story of cross and resurrection but whether they should preach these themes at all This book addresses these concerns and shows preachers how to preach the cross and resurrection in fresh culturally relevant ways that deepen Christian discipleship Each chapter shows the relevance of preaching the cross for addressing a particular congregational concern What has ironically become a stumbling block in the pulpit the stone that preachers often reject preaching on the cross and resurrection of Jesus can serve as the cornerstone for building up the congregation for discipleship in our world *Laughter in a Genevan Gown* Marie-Hélène Davies, 1983 *The Westminster Collection of Christian Meditations* Hannah Ward, Jennifer Wild, 2000-08-01

Over 500 meditations from more than 250 authors classic and contemporary are arranged by themes that address individual needs and concerns in this extensive anthology of Christian meditations
