The Magog Invasion:

The Magog Invasion Chuck Missler, 1995 A nuclear confrontation in the Middle East is not just likely it is certain It is just a matter of timing Robert Hunter U S Ambassador to NATO Brussels [The Participants and Timing of the Gog-Magog Invasion of Ezekiel 38-39](#) Michael S. Spence, 1982 **Nowmillennial Dispensationalism** Steve Urick, 2009-09-28 The topic of the millennial kingdom of Christ though not as crucial as some Bible doctrines is nevertheless an important teaching that affects many Scripture passages Nowmillennial Dispensationalism a new term coined by the author takes a fresh look at and gives clear answers to the millennial controversy that has many students of Bible prophecy confused and or divided today This work is the result of much discussion Bible study and careful comparison of the various millennial views with an objective evaluation of each side In the end the reader will be left to choose between only two possible views Premillennialism and Nowmillennialism **The Antichrist and the Second Coming** Duncan W. McKenzie, 2012-04 What if the commonly held beliefs concerning the Antichrist are mistaken The Antichrist and the Second Coming looks at the Antichrist and the Second Advent of Christ from a preterist i e past fulfillment perspective and provides a unified interpretation of the little horn the prince to come the king of the North the man of lawlessness and the beast This is the second in a two volume set on the Antichrist it focuses on the book of Revelation This edition stands on its own and is recommended reading even if you have not read the first volume which focuses on Daniel and 2 Thessalonians McKenzie shows how the Antichrist was ultimately a spiritual ruler from the abyss Rev 11 7 that worked through Titus in his three and a half year destruction of the Jewish nation AD 67 70 cf Dan 9 26 This spirit of Antichrist was about to come out of the abyss in the first century Rev 17 8 NASB and was destroyed by the Second Advent of Jesus in AD 70 a spiritual event Continue reading to see how McKenzie convincingly makes the biblical case for this fascinating and controversial position and what it means for us today Dr Duncan McKenzie is a licensed psychologist Ph D in psychology who lives in Los Angeles California He has been studying Bible prophecy for the past twenty five years and has been researching and writing this two volume set for the last twelve years **Death Is at Your Door Are You Ready?** Randy Thomas, 2007-08-01 If only death were that simple wouldn't we all live differently if we knew exactly when death would come knocking on our door Most of us think that we have a whole lot of years left before we even have to start thinking about death What if I could prove to you that not only is the time of death's visitation rapidly approaching for us all but that his foot is already in the door What if I could show you signs that were written thousands of years ago that warn us that we are about to enter into a time of unparalleled death and devastation that make all previous such events pale by comparison Would knowing what is going to happen tomorrow change how you live today Today just may be the most important day of your life the things that you are about to read will most assuredly impact you for the rest of your life Death is at your door doom is just around the corner and uncertainty is all around us but just beyond the horizon lays hope **Behold a Red Horse** Chuck Missler, 2023-01-10 What does the Bible say

about wars How can the classic literature of centuries ago impact today's and tomorrow's tactics and strategies Which technologies are predicted in the Bible Which ones have yet to be witnessed In what ways have the economies of scale in violence been reversed What is the threat assessment and risk analysis pending today In what ways can a country be regarded as a one bomb target What are the likely implications of trans humanism in the quests for the Super Soldier How could electromagnetic pulses emerge to become the Great Equalizer Where is the safest place to be Dr Chuck Missler an honor graduate of the U S Naval Academy at Annapolis with an international background including three decades experience in the board rooms of the defense industry reviews the major Biblical references to warfare the trends in modern weapons technology and some of the current preparations for war among the major powers

The Swords of Ezekiel Tom McCall ThD, Ed Barrett MS, 2024-05-08 To those who have a fairly good background in the hard sciences Maybe Ezekiel really did mean horses and ancient armor The Swords of Ezekiel accepts the plain teaching of the text that the Magog raiders wield weapons from the generation before the Gunpowder Revolution and use horses for transportation Consequently the narrative that emerges is a dramatic departure from the generally accepted modern weapons teaching of present day scholars In this alternative understanding the two chapters are complementary descriptions of the same series of events i e One has details that the other does not have The chronological narrative emerges when the two segments are properly aligned like a spline gear on a drive shaft Thoroughly referenced this is the book to read for a better understanding of the relationship between natural science European history legend as guide to history art as secular prophet archaeology outside the Near East and Bible prophecy The primary motives for the raid are anti Israel resentment jealousy and near starvation levels of crop failure hunger The absence of modern weapons is explained as a combination of industrial collapse and an as yet unobserved destabilization of nitrate based propellants and explosives The merchants of Tarshish are identified as the British Commonwealth based on cultural heritage mineral resources geography and geopolitics The Swords of Ezekiel also suggests a location for these events on the prophetic timeline

Narrative of the Last Days Theodosius Katzir, 2015-05-28 The chronology of prophetic events is detailed here in a manner that has never been outlined before The events unfold one after another just as they are written in the Bible The books of Daniel and Revelation and passages from Ezekiel Isaiah Jeremiah Zechariah Matthew and Paul's epistles fit in to make the end time scenario very vivid The timelines show what is about to happen You will find the answers to questions such as When is the rapture of the Church and the Second Coming of Jesus Christ What connection has the current rise of terrorism with the last days Is America in prophecy Then you will read in detail the coming Gog's war against Israel and how GOD defends his chosen people You will know the identity of the revived Roman Empire and find a new interpretation of the Great Tribulation And finally you will feel the drama of the return of Jesus King of kings and Lord of lords

Unveiling the Mysteries of the Last Days David A. Hamblin, 2010-06 Since being written the end time prophecies of the Bible have been shrouded in mystery Our world is now inundated with book after book

on the subject of end time interpretation Often the most important aspects of the Bible's prophecies are twisted or changed to fit the needs of a Hollywood movie Expertly sifting through the modern fog covering these important prophecies David Hamblin takes an exhaustive yet thoroughly readable approach to the study of the end times Using the proven techniques of the scientific method David put together a system of prophecy analysis that would allow for extremely complex theories to be tested against the many and varying passages of end times prophecy Beginning with a solid faith in the Bible as the infallible Word of God he now presents his findings in God's Prophetic Timeline Never before has there been such a clear and concise presentation of God's timeline for the future along with many passages that David admits we cannot yet understand Written for the minister and layperson alike it begins by explaining the church age and progresses through each of Revelation's seven phases ending with new heaven and new earth His approach details even subtle prophetic material including Israel's future wealth the world war it triggers and Jesus coronation Don't be puzzled any longer by confusion on the subject of prophecy Leave behind the many contradictory theories propagated by the misinformed Follow along as God's Prophetic Timeline shows you in detail the tested validated and unified understanding of the Bible's prophecies [American Christians and Islam](#) Thomas S. Kidd, 2018-06-05 In the wake of the September 11 terrorist attacks many of America's Christian evangelicals have denounced Islam as a demonic and inherently violent religion provoking frustration among other Christian conservatives who wish to present a more appealing message to the world's Muslims Yet as Thomas Kidd reveals in this sobering book the conflicted views expressed by today's evangelicals have deep roots in American history Tracing Islam's role in the popular imagination of American Christians from the colonial period to today Kidd demonstrates that Protestant evangelicals have viewed Islam as a global threat while also actively seeking to convert Muslims to the Christian faith since the nation's founding He shows how accounts of Mahometan despotism and lurid stories of European enslavement by Barbary pirates fueled early evangelicals' fears concerning Islam and describes the growing conservatism of American missions to Muslim lands up through the post World War II era Kidd exposes American Christians' anxieties about an internal Islamic threat from groups like the Nation of Islam in the 1960s and America's immigrant Muslim population today and he demonstrates why Islam has become central to evangelical end times narratives Pointing to many evangelicals' unwillingness to acknowledge Islam's theological commonalities with Christianity and their continued portrayal of Islam as an evil and false religion Kidd explains why Christians themselves are ironically to blame for the failure of evangelism in the Muslim world [American Christians and Islam](#) is essential reading for anyone seeking to understand the causes of the mounting tensions between Christians and Muslims today **Global Warning** Tim F. LaHaye, Edward E. Hindson, 2007 Combines ancient Bible prophecies with current events to reveal the signs that serve as a global warning that predicts the end of the world

Rushing Ahead to Armageddon Christopher M. Jones, 2010 The world seems to be on the brink as tensions in the Middle East are escalating daily Russia is strengthening its ties with China North Korea Syria and Iran arming them with

sophisticated military weaponry Russia is building up its armed forces returning to Cold War military tactics including reopening ports used by the former Soviet Union Tensions between Israel and Iran have never been higher with each nation poised to strike against the other in a moment's notice Iran's nuclear ambition is well documented and is becoming a menace on the International stage With Israel's very existence at stake a preemptive strike against Iran's Russian built nuclear facilities is not out of the realm of possibility A preemptive strike by Israel could provoke a retaliatory response by Russia and her allies It seems that in a moment's notice the events described in Ezekiel 38-39 could break out right before our eyes or is it For many years contemporary prophecy writers have been telling us that we are living in the last days and the Gog and Magog alliance is one sure sign that the Rapture and the Second Coming of Christ are near However there is strong biblical evidence that the candidate often identified as Gog Russia may not in fact be the candidate that Ezekiel was referring too Using the Bible as a guide we can figure out who this obscure person is instead of using today's newspapers With a long history of well documented failed predictions by contemporary prophecy writers maybe it's time that we begin to reevaluate today's popular interpretation of Ezekiel 38-39 in light of the Bible Author's Bio Christopher Jones is the church administrator for Faith Community Worship Center located in the San Francisco Bay Area where he also preaches part time

Rapture and Revelation R. G. Brock, 2009-10 This book is not written for Christians alone but is written for anyone who desires to know the near future Study helps and materials are listed along with instructions which will give any one the means to understand even the most difficult scriptures in the Bible which is the most accurate of any book on end time events With many books on the subject none are as telling and straight forward as Rapture and Revelation While there are many fears concerning the end times author R G Brock embarks on the task to unravel the mysteries of the Rapture and Revelation While attending Rhema Bible Training Center in Broken Arrow Oklahoma R G Brock had the privilege of being taught by well known author and teacher brother Kenneth Hagin Sr who has since went home to be with Jesus After being inspired by one of Hagin's lectures Brock obeyed his strong urge to write a book on the end times This heart gripping treatise will guide you into the truth as you uncover the mystery of the end of times This book is written to give you a clear incite into the end of this age The end begins with peace when a worldwide 7 year peace agreement is signed in the next few years which will be backed by a one world government run by the United Nations Then in the middle of the 7 year period the peace agreement will be broken and all hell literally breaks loose which leads to a time of trouble such as never has been or ever will be again During this time of the last 3 1/2 years which is called great tribulation most of the people on the earth will die However if you are a Christian you will not go through this terrible time You will find this book is the most in depth study on what is called the rapture which is the catching away of the Christians to not go through great tribulation and you will find that it is by far the most in depth study of The Revelation which shows what will happen during this time of great trouble

The End... Prophetic Insights into the Last Days Alison Brown, 2013-04-07 An amazing insight into end times

prophecy Dr Brown writes from a messianic perspective revealing how the Feasts and current world events tie in with Biblical and even Islamic prophecies A must read for all those interested in what is about to happen in these last days

Faith and Oil K. L. Marshall,2020-04-24 Faith and Oil tells the story of conservative Christianity s relationship with America s oil industry It shows how the libertarian values of big oil companies such as government deregulation of business practices and curbing laws that protect the environment became embedded within the theologies of the Religious Right These theologies of oil later found their being in the public consciousness through the rise of Sarah Palin and led to the election of Donald Trump

Encrypted N. Karl Lawley,2023-12-07 Did God hide an Encrypted prophetic last day s timeline in the Psalms to be revealed at the very end If so the discovery of this timeline would be the discovery of the ages Encrypted takes you on a fascinating journey through the Bible and the Psalms to explore the answer to this question and many more On your expedition you will witness overwhelming evidence of a newly discovered timeline indicating the sequence of prophetic end time Biblical events According to the order as evidenced by the encrypted timeline in the Psalms we can soon expect the infamous Gog Magog Invasion into Israel detailed in Ezekiel 38 and 39 and the closing of the Rapture Season which we are now in next on the prophetic calendar Those two events will be followed closely by the rise and revelation of the Antichrist and the beginning of the 7 year tribulation period The Jews will then return to Israel en masse in time for the completion of their new Temple Shortly thereafter the Antichrist will declare that he is God in the new Temple and the Remnant of Israel will flee to the Refuge prepared for them by the true God who will shelter them for three and a half years until Jesus return at Armageddon Skeptical Once you see the encrypted timeline in the Psalms you will recognize that time is extremely short and there remains a multitude around us who are not yet saved and who will be trapped here to suffer through the worst time in history Now is the time to fulfill the Great Commission Furthermore Daniel 12 tells us that the sealed up or encrypted mysteries of Bible prophecy will only be understood by the wise in the final generation We are that final generation spoken of by Daniel Will we be wise enough to realize that God wants His Church to know about and understand the timing of the days we are living in Or will we continue to rely on the outdated understandings of generations past As end time Bible prophecy becomes more tangible in our day God has revealed this encrypted sequence of years leading up to and through the fast approaching tribulation period so that we can prepare and help prepare others for a great final harvest before time runs out We are now living in Bible times What will be written about you

The Antichrist and the Second Coming , The Serpent, the Seed and the Second Coming August

Rosado,2011-02-04 There s been an on going struggle between the seed of Satan and the seed of God Satan has tried numerous times to contaminate the bloodline in which the Messiah of Israel would come It s been a game of chess between the God of Israel who would bring about these Messianic prophecies and the enemy of the Jewish people who would like nothing more than to destroy the Jews and those prophecies To eliminate Israel is to eliminate the promises of God and the return of Jesus Satan has raised empire after empire dictator after dictator in his quest to destroy the Jews These empires no longer exist but the Jewish people still remain God has made promises to the Jewish prophets that he would preserve the Jewish people God has preserved the Messianic bloodline in order to bring about those prophecies despite satanic attempts to eliminate them In this book we go to the very beginning to see how this conflict began and where it will culminate in the greatest battle of all time according to Bible prophecy August Rosado is the founder of Today in Bible Prophecy Ministries based in Corpus Christi Texas He travels the country as he preaches at Churches on the soon return of Jesus the Messiah He and his wife are on full time staff with People s Baptist Church and are representatives of Roloff Homes He host tours to Israel and has been married for 23 years to Patty Rosado have three daughters and have six grandchildren The ministry s website is [www todayinbibleprophecy org](http://www.todayinbibleprophecy.org) and August Rosado is available for Church speaking and Israel tours
