

Chicago Divided

The Making of a Black Mayor

Paul Kleppner

The Making Of A Black Mayor

Shasha Hu

The Making Of A Black Mayor:

Chicago Divided Paul Kleppner, 1985 Looks at the background of the election in 1983 in which Harold Washington was elected Chicago's first black mayor **Harold, the People's Mayor** Dempsey Travis, 2017-12-12 Harold Washington was one of the most spellbinding and irresistible characters I have encountered in my 40 years in journalism and politics Part philosopher part street brawler and always entertaining Harold was as big and ebullient as the town he came to lead David Axelrod former senior advisor to President Barack Obama Harold the People's Mayor is the authorized biography of Chicago's first black mayor written by the late civil rights activist and prolific author Dempsey Travis a man whose personal friendship with Washington spanned more than 50 years Travis drew on recollections notes and several hundred hours worth of interviews with Washington and his close associates in order to craft a portrait of Washington that spans his childhood military years political career and death Travis gained deep insights into Washington during the years he knew him both as a boy and a man and those combined with his encyclopedic knowledge of Chicago politics have resulted in an essential work of political biography and Chicago history Published to commemorate the 30th anniversary of Washington's untimely passing this is a firsthand personal account of the life and career of one of the country's most significant big city mayors and influential African American politicians a man who former President Barack Obama credits as an inspiration Moving comprehensive and well researched *Harold the People's Mayor* is required reading for anyone interested in 20th century big city politics and in this remarkable figure and how he lived worked and rose to transform the political landscape of Chicago

African-American Mayors David R. Colburn, Jeffrey S. Adler, 2001 On November 7 1967 the voters of Cleveland Ohio and Gary Indiana elected the nation's first African American mayors to govern their cities Ten years later more than two hundred black mayors held office and by 1993 sixty seven major urban centers most with majority white populations were headed by African Americans Once in office African American mayors faced vexing challenges In large and small cities from the Sunbelt to the Rustbelt black mayors assumed office during economic downturns and confronted the intractable problems of decaying inner cities white flight a dwindling tax base violent crime and diminishing federal support for social programs Many encountered hostility from their own parties city councils and police departments others worked against long established power structures dominated by local business owners or politicians Still others while trying to respond to multiple demands from a diverse constituency were viewed as traitors by blacks expecting special attention from a leader of their own race All struggled with the contradictory mandate of meeting the increasing needs of poor inner city residents while keeping white businesses from fleeing to the suburbs This is the first comprehensive treatment of the complex phenomenon of African American mayors in the nation's major urban centers Offering a diverse portrait of leadership conflict and almost insurmountable obstacles this volume assesses the political alliances that brought black mayors to office as well as their accomplishments notably increased minority hiring and funding for minority businesses and the challenges that marked their

careers Mayors profiled include Carl B Stokes Cleveland Richard G Hatcher Gary Dutch Morial New Orleans Harold Washington Chicago Tom Bradley Los Angeles Marion Barry Washington D C David Dinkins New York City Coleman Young Detroit and a succession of black mayors in Atlanta Maynard Jackson Andrew Young and Bill Campbell Probing the elusive economic dimension of black power African American Mayors demonstrates how the same circumstances that set the stage for the victories of black mayors exaggerated the obstacles they faced *Black Mayors, White Majorities* Ravi K.

Perry, 2022-07-19 Recent years have seen an increase in the number of African Americans elected to political office in cities where the majority of their constituents are not black In the past the leadership of black politicians was characterized as either deracialized or racialized that is as either focusing on politics that transcend race or as making black issues central to their agenda Today many African American politicians elected to offices in non majority black cities are adopting a strategy that universalizes black interests as intrinsically relevant to the needs of their entire constituency In *Black Mayors White Majorities* Ravi K Perry explores the conditions in which black mayors of majority white cities are able to represent black interests and whether blacks historically high expectations for black mayors are being realized Perry uses Toledo and Dayton Ohio as case studies and his analysis draws on interviews with mayors and other city officials business leaders and heads of civic organizations in addition to official city and campaign documents and newspapers Perry also analyzes mayoral speeches the 2001 ward level election results and city demographics *Black Mayors White Majorities* encourages readers to think beyond the black white dyad and instead to envision policies that can serve constituencies with the greatest needs as well as the general public *Chicago's Modern Mayors* Dick Simpson, Betty O'Shaughnessy, 2024-01-23 Political profiles of five

mayors and their lasting impact on the city Chicago's transformation into a global city began at City Hall Dick Simpson and Betty O'Shaughnessy edit in depth analyses of the five mayors that guided the city through this transition beginning with Harold Washington's 1983 election Washington Eugene Sawyer Richard M Daley Rahm Emmanuel and Lori Lightfoot Though the respected political science sociologist and journalist contributors approach their subjects from distinct perspectives each essay addresses three essential issues how and why each mayor won the office whether the City Council of their time acted as a rubber stamp or independent body and the ways the unique qualities of each mayor's administration and accomplishments influenced their legacy Filled with expert analysis and valuable insights *Chicago's Modern Mayors* illuminates a time of transition and change and considers the politicians who for better and worse shaped the Chicago of today **The Multiracial Promise** Gordon K. Mantler, 2023-02-07 In April 1983 a dynamic multiracial political coalition did

the unthinkable electing Harold Washington as the first Black mayor of Chicago Washington's victory was unlikely not just because America's second city was one of the nation's most racially balkanized but also because it came at a time when Ronald Reagan and other political conservatives seemed resurgent Washington's initial win and reelection in 1987 established the charismatic politician as a folk hero It also bolstered hope among Democrats that the party could win

elections by pulling together multiracial urban voters around progressive causes Yet what could be called the Washington era revealed clear limits to electoral politics and racial coalition building when decoupled from neighborhood based movement organizing Drawing on a rich array of archives and oral history interviews Gordon K Mantler offers a bold reexamination of the Harold Washington movement and moment Taking readers into Chicago s street level politics and the often tense relationships among communities and their organizers Mantler shows how white supremacy deindustrialization dysfunction and voters own contradictory expectations stubbornly impeded many of Washington s proposed reforms Ultimately Washington s historic victory and the thwarted ambitions of his administration provide a cautionary tale about the peril of placing too much weight on electoral politics above other forms of civic action a lesson today s activists would do well to heed

The Rhetoric of Black Mayors Deborah F. Atwater, 2010-08-30 The Rhetoric of Black Mayors explores the rhetorical and practical efforts of Black mayors in building coalitions to win elections and govern cities Atwater discusses and analyzes the process of creating coalitions by each mayor by dealing with the news coverage of the mayors by both the black and mainstream press As a unique feature the text includes interviews with most of the mayors included in The Rhetoric of Black Mayors These mayors are from cities on the east coast ranging from the large city of Philadelphia to the small city of Glenarden Maryland This text covers successful administrations as well as those that are challenging and problematic

David Dinkins and New York City Politics Wilbur C. Rich, 2012-02-01 As the first African American elected mayor of New York City David Dinkins underwent intense scrutiny first from the black community then from white liberal supporters the media and the city s electorate Wilbur C Rich focuses on the critical role played by the New York City media in the perception of mayoral leadership Using interviews and words of journalists Rich examines media coverage as both the architect and challenger of Dinkins image The making and unmaking of David Dinkins not only exposes much about the agency of African American politicians but also reveals the fragility of electoral coalitions

Sweet Land of Liberty?

Robert Cook, 2013-12-16 A powerful and moving account of the campaign for civil rights in modern America Robert Cook is concerned less with charismatic leaders like Martin Luther King and more with the ordinary men and women who were mobilised by the grass roots activities of civil rights workers and community leaders He begins with the development of segregation in the late nineteenth century but his main focus is on the continuing struggle this century It is a dramatic story of many achievements even if in many respects it is also a record of unfinished business

Not Even Past

Thomas J. Sugrue, 2010-04-12 The paradox of racial inequality in Barack Obama s America Barack Obama in his acclaimed campaign speech discussing the troubling complexities of race in America today quoted William Faulkner s famous remark The past isn t dead and buried In fact it isn t even past In Not Even Past award winning historian Thomas Sugrue examines the paradox of race in Obama s America and how President Obama intends to deal with it Obama s journey to the White House undoubtedly marks a watershed in the history of race in America Yet even in what is being hailed as the post civil rights era racial

divisions particularly between blacks and whites remain deeply entrenched in American life Sugrue traces Obama's evolving understanding of race and racial inequality throughout his career from his early days as a community organizer in Chicago to his time as an attorney and scholar to his spectacular rise to power as a charismatic and savvy politician to his dramatic presidential campaign Sugrue looks at Obama's place in the contested history of the civil rights struggle his views about the root causes of black poverty in America and the incredible challenges confronting his historic presidency Does Obama's presidency signal the end of race in American life In *Not Even Past* a leading historian of civil rights race and urban America offers a revealing and unflinchingly honest assessment of the culture and politics of race in the age of Obama and of our prospects for a postracial America

Subordination Or Empowerment? Richard A. Keiser, 1997 Why have Blacks won political empowerment in some cities and remained subordinated in others Through case studies of Chicago Gary Philadelphia and Atlanta Keiser argues that electoral competition among White factions has created opportunities for Black leaders to win political empowerment and avoid subordination In the absence of electoral competition Black votes become superfluous and separatist and messianic appeals from leaders like Louis Farakhan gain resonance

"Just Buy My Vote" Joseph L. Simmons Jr., 2023-01-23 It is a federal and state felony to buy or sell votes or to offer to buy or sell votes yet *Just Buy My Vote* African American Voting Rights and the Chicago Condition is a unique story that must be told It is a story where I attempt to summarize without excruciating detail the relevant portions of nearly three centuries *Just Buy My Vote* is also unique in that it covers race relations black history and urban history written from the perspective of the Southside of Chicago *Just Buy My Vote* is intended to inform the reader about the significance of voting by explaining voting rights in layman terms with the use of the voting rights laws history philosophy and sociology It is an effort to raise the level of political consciousness among Americans to help readers to realize the history of voting rights and be encouraged to use the power of the vote to further all of our best economic and social interests Thankfully in the presidential election of 2020 we got the voting part right We now have a democracy to save *Just Buy My Vote* is a tale of two stories First it tells a story about how African Americans in this country attained the right to vote and utilized that power to improve their lives and the lives of many others for future generations And secondly *Just Buy My Vote* uses Chicago as a case study of how voting rights and voter apathy helped enable an old school political villain and his machine to maintain a system of public and governmental corruption in Chicago for two decades In my writing this book I aimed to inform on history and have also attempted to describe a journey within a journey

Charting the Range of Black Politics Michael Mitchell, 2017-07-05 The election of 2008 brought onto the national stage complexities arising when the member of a minority group assumes power over national political institutions It also underlined the limits placed on that power by the double accountability such a figure faces The question posed in this volume of the NPSR is Might the ascendancy of President Obama lead to a deracialization of American politics or its opposite The contributions to this volume examine this question in a variety of ways David Wilson and Khalilah

Brown Dean analyze black attitudes towards the candidates for the Democratic Party nomination in the presidential race of 2008 Lorenzo Morris asks how perceptions of race have defined expectations of the African American ambassadors to the United Nations Horace Bartilow and Kihong Eom use a game theoretic approach to examine US drug strategies in the Caribbean A works in progress section follows with personal reflections by Michael C Dawson and Andra Gillespe They relate how personal concerns and curiosities guide their research A book review section provides a discussion about works of interest to scholars studying black politics

John F. Kennedy, Barack Obama, and the Politics of Ethnic Incorporation and Avoidance Robert C. Smith, 2013-02-19 Political analysts and journalists often draw analogies between John F Kennedy the first Catholic Irish president and Barack Obama the first African American president Their election to the nation's highest office was historic but for reasons not fully appreciated In John F Kennedy Barack Obama and the Politics of Ethnic Incorporation and Avoidance Robert C Smith provides a fascinating comparison of the challenges both men faced in their bid for the presidency while at the same time providing comparative histories of the Catholic Irish and African American struggles to overcome racial and religious subordination in America Kennedy's Catholicism was an explicit issue in the 1960 election and once elected he was extremely careful to avoid appearing either too Irish or too Catholic While Obama's race was not an explicit issue in the 2008 election he was just as careful to avoid appearing too black Paradoxically religion thanks to rumors and lies about whether Obama was a Muslim became a substitute for race allowing Republican strategists to otherize Obama by raising the issue of religion in the context of national security and terrorism

Handbook of Research on Urban Politics and Policy in the United States Ronald K. Vogel, 1997-01-21 A comprehensive reference work which provides a way to access research on urban politics and policy in the United States Experts in the field guide readers through major controversies while evaluating and assessing the subfields of urban politics and policy Each chapter follows the same basic organization with topics such as methodological and theoretical issues current states of the field and directions for future research For students this work provides a starting place to guide them to the most important works in a particular subfield and a context to place their work in a larger body of knowledge For scholars it serves as a reference work for immediately familiarity with subfields of the discipline including classic studies and major research questions For urban policymakers or analysts the handbook provides a wealth of information and allows quick identification of existing academic knowledge and research relevant to the problem at hand

Latinx Curriculum Theorizing Theodore Regina Berry, Mariela Rodríguez, Crystal A. Kalinec Craig, 2019-02-05 This edited volume is a collection of empirical scholarship that focuses on curriculum as knowledge connected to the Latinx diaspora from three perspectives content subject matter goals objectives and purposes and experiences In an effort to fill a void in scholarship in curriculum studies theory for from Latinx perspectives this book is a beginning toward answering two important questions first what is the significance of the presence and absence of Latinx curriculum theorizing And second in what ways is Latinx curriculum theorizing connected to

curriculum as a general concept schools purposes goals and objectives and curriculum as autobiographical This book opens a door into understanding curriculum for from an important population in U S society *Cities, Politics, and Policy* John P. Pelissero, 2002-10-01 Just because Milwaukee isn't Manhattan doesn't mean that those urban centers face completely unique challenges Through effective comparative analysis of key issues in urban studies how city managers share power with mayors how spending policies affect economic development and how school politics impact education policy students can clearly see how scholars discern patterns and formulate conclusions to offer theoretical and practical insights from which all cities can benefit Pelissero brings together an impressive team of contributors to explore variation among cities through case studies and cross sectional analyses Each author synthesizes the field's seminal literature while explaining how urban leaders and their constituents grapple with everything from city council politics to conflict and cooperation among minority groups Authors identify both key trends and gaps in the scholarship and help set the research agenda for the years to come Lively case material will hook your students while the accessible presentation of empirical evidence make this reader the comprehensive and sophisticated text you demand *City of Big Shoulders* Robert G. Spinney, 2020-05-15 Condensed yet energetic and substantial history of Chicago Spinney has a firm sense of historical narrative as well as a keen eye for entertaining and illuminating detail Publishers Weekly A city of immigrants and entrepreneurs Chicago is quintessentially American Spinney brings it to life and highlights the key people moments and special places from Fort Dearborn to Cabrini Green Marquette to Mayor Daley the Union Stock Yards to the Chicago Bulls that make this incredible city one of the best places in the world City of Big Shoulders links key events in Chicago's development from its marshy origins in the 1600s to today's robust metropolis Robert G Spinney presents Chicago in terms of the people whose lives made the city from the tycoons and the politicians to the hundreds of thousands of immigrants from all over the world In this revised and updated second edition that brings Chicago's story into the twenty first century Spinney sweeps his historian's gaze across the colorful and dramatic panorama of the city's explosive past How did the pungent swamplands that the Native Americans called the wild garlic place burgeon into one of the world's largest and most sophisticated cities What is the real story behind the Great Chicago Fire What aspects of American industry exploded with the bomb in Haymarket Square Could the gritty blue collar hometown of Al Capone become a visionary global city Carl B. Stokes and the Rise of Black Political Power Leonard N. Moore, 2003 As the first elected black mayor of a major U S city Cleveland's Carl B Stokes embodied the transformation of the civil rights movement from a vehicle of protest to one of black political power In this wide ranging political biography Leonard N Moore examines the convictions and alliances that brought Stokes to power Impelled by the problems plaguing Cleveland's ghettos in the decades following World War II Stokes and other Clevelanders questioned how the sit ins and marches of the civil rights movement could correct the exclusionary zoning practices police brutality substandard housing and de facto school segregation that African Americans in the country's northern urban centers viewed

as evidence of their oppression As civil unrest in the country s ghettos turned to violence in the 1960s Cleveland was one of the first cities to heed the call of Malcolm X s infamous The Ballot or the Bullet speech Understanding the importance of controlling the city s political system Cleveland s blacks utilized their substantial voting base to put Stokes in office in 1967 Stokes was committed to showing the country that an African American could be an effective political leader He employed an ambitious and radically progressive agenda to clean up Cleveland s ghettos reform law enforcement move public housing to middle class neighborhoods and jump start black economic power Hindered by resistance from the black middle class and the Cleveland City Council spurned by the media and fellow politicians who deemed him a black nationalist and unable to prove that black leadership could thwart black unrest Stokes finished his four years in office with many of his legislative goals unfulfilled Focusing on Stokes and Cleveland but attending to themes that affected many urban centers after the second great migration of African Americans to the North Moore balances Stokes s failures and successes to provide a thorough and engaging portrait of his life and his pioneering contributions to a distinct African American political culture that continues to shape American life

Encyclopedia of African American Society Gerald D. Jaynes, 2005-02-01 Do your students or patrons ever ask you about African Americans in sports How about African American Academy Award winners Or perhaps you re asked about more complex social issues regarding the unemployment rate among African Americans or the number of African American men on death row If these questions sound familiar the Encyclopedia of African American Society is a must have for your library This two volume reference seeks to capture the ways in which the tenets and foundations of African American culture have given rise to today s society Approaching the field from a street level perspective these two volumes cover topics of universal interest in America rap music sports television cinema racism religion literature and much more The Encyclopedia of African American Society is also the first comprehensive yet accessible reference set in this field to give voice to the turbulent historical trends slavery segregation separate but equal that are often ignored in favor of mere facts This is a definitive reliable and accessible entry point to learning the basics about African American society The encyclopedia is anchored by alphabetically arranged essays on such topics as abolitionism affirmative action and the civil rights movement More than just a who s who these volumes emphasize social issues and events those filled with significance and consequence through history Civil Rights economic growth law and justice and politics with all of their numerous subcategories receive substantial coverage The encyclopedia naturally contains hundreds of articles on notable African Americans Martin Luther King Jr Jackie Robinson Miles Davis groundbreaking events Emancipation Proclamation Los Angeles Riots sports and culture Rap Music Jazz and significant heritage sites Apollo Theater This much needed two volume encyclopedia should become a staple in collections at school public and academic libraries Readers of all ages backgrounds and ethnic or racial groups will find fascinating material on every page Key Features Nearly 700 signed articles Almost 50 photographs Complete list of African Americans in sports Halls of Fame Cross referenced for

The Making Of A Black Mayor Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Making Of A Black Mayor free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Making Of A Black Mayor free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced

search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Making Of A Black Mayor free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading The Making Of A Black Mayor. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Making Of A Black Mayor any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Making Of A Black Mayor Books

1. Where can I buy The Making Of A Black Mayor books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Making Of A Black Mayor book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
