The Making Of A Disciple:

The Making of a Disciple Kenneth S. Todd Jr.,2015-07-27 In the Great Commission found in Matthew 28 19 20 Jesus said Go therefore and make disciples of all nations baptizing them in the name of the Father and the Son and the Holy Spirit teaching them to observe all that I have commanded you and lo I am with you always even to the end of the age The two questions each believer must ask are What constitutes being a disciple of Jesus And am I really striving to be the disciple Jesus wants in His followers The purpose of this book is to address certain key issues that a Christian should be fully acquainted with if he or she is to be an obedient disciple and observe what Jesus commanded The Making of a Disciple Edward W. Watson,Martin M. Culy,2021-09-02 Modern readers sometimes view the Gospels and other biblical narratives as mere historical accounts of events that occurred long ago Biblical narratives however are intended to do far more than teach us history They are intended to change how we think and how we live In The Making of a Disciple Watson and Culy use insights from narrative criticism to show that the message of the Gospel of John is communicated not only through the teachings and deeds of Jesus but also through the actions of the other main characters and the consequences of their actions As readers observe characters interacting with Jesus they are implicitly encouraged to either emulate or avoid their behavior Coupled with the teachings and acts of Jesus these characters serve as potent tools in the Gospel of John to showcase what it looks like not only to become a disciple of Jesus but also to grow to maturity and experience the fullness of joy that Jesus offers **The Making of a Disciple** Engr Oluwatobi Michael Owoeye,Oluwatobi Owoeye,2017-06-22 Jesus Christ the Son of God the greatest Man who ever lived on Earth died resurrected and ascended to Heaven giving trust to generations who would believe by faith and continue in His Teachings saying Come and I will make you fishers of men making discipleship of all nations This great TRUST has carefully been handed over from generation to generations of Disciples and Apostles of Christian Missions This book serves as a GREAT reminder of this commission and a strong pointer for 21st Christian century missions and beyond The Making of A Disciple was first published in April 2016 This 2nd Edition re published in December 2017 improves on the first edition by revealing the complete Pathway from growing as a disciple to perfection as an Accomplished Apostle of Faith in Christ Jesus without compromising the standards of the Gospel of Jesus Christ the LAMB of God *The Making of Disciples* Zacharias Tanee Fomum,2015-03-22 This critically important book is presented by the author as An attempt to provide the needful for the Lord s call to make disciples It is a statement of the revelations doctrines methods and principles of discipleship aimed at helping anyone to experience discipleship and thereby lead others to grow in a way to become active workers in making others into disciples of Jesus Christ It is a book to read and recommend to any servant of God cognizant of the glorious mission that the Lord Jesus Christ has entrusted to His church Therefore go and make disciples of all nations Finally the making of disciples is all about the work of transforming a sinner into a repentant sinner a repentant sinner into a convert a convert into a young disciple leading the young disciple to spiritual maturity and

finally helping him to become a disciple maker This book is highly recommended to the body of Christ **The Making of a Disciple** Douglas Wiessner,2013-12 I became a disciple of Jesus Christ when Jesus called me into the mission field while serving in the Air Force in Holland in 1973 I ministered in Holland Denmark North Carolina and California I received my Bachelor of Arts degree at Elon University and my Masters at Southeastern Seminary My story of how God moved in my life and the lives of others is found in my book My Journey with God It is my journey with God which led me to produce my study guide Making of a Disciple **The Lost Art of Disciple Making** LeRoy Eims,2009-07-13 Every believer in Jesus Christ deserves the opportunity of personal nurture and development says LeRoy Eims But all too often the opportunity isn't there We neglect the young Christian in our whirl of programs church services and fellowship groups And we neglect to raise up workers and leaders who can disciple young believers into mature and fruitful Christians In simple practical and biblical terms LeRoy Eims revives the lost art of disciple making He explains How the early church disciplined new Christians How to meet the basic needs of a growing Christian How to spot and train potential workers How to develop mature godly leaders True growth takes time and tears and love and patience Eims states There is no instant maturity This book examines the growth process in the life of a Christian and considers what nurture and guidance it takes to develop spiritually qualified workers in the church **The Making of A Disciple** James Wolfe,2021-03-27 The Making of a Disciple gives a glimpse into what it takes to be a true disciple There are believers and Disciples and most believers think of themselves as a disciple and do not live the life of a true disciple A true disciple listens intently to the teachings of Christ and follows His every word and leading without compromise A true disciple is pliable and willing to forsake all to follow Christ and fulfill the call of God in their lives They know how to divide the word correctly apply the word of God the armor of God and the Spirit of God to their spiritual lives Without question the true disciple knows the mind of God and operates in the gifts of God to see the Kingdom of Heaven on earth In this book you will learn what it takes to become a true disciple and become a person after God's heart The making of a Disciple is taking the average believer and transforming them into a mighty weapon in the hands of God to destroy the kingdom of darkness **The Making of a Disciple** Kenneth Frederick,2001 Peter was a man subject to like passions as we are His life is a study in contrasts resolutely defending the Lord one moment vehemently denying Him the next But despite Peter's inconsistencies Christ molded him into one of the godliest disciples who ever lived In this study of discipleship Ken Frederick draws relevant truths from the life of Peter to help us understand how to disciple other Christians Although we will never walk on water we will all experience the same type of struggles victories and growing pains in the Christian life This book offers practical advice on how to disciple fellow brothers and sisters in Christ Back cover **The Disciple Maker's Handbook** Bobby Harrington,Josh Robert Patrick,2017-02-07 Many people believe that discipleship is important but they need help In fact the vast majority of Christians report that they have never been personally disciplined by a more mature follower of Jesus Is it any wonder that they have a difficult time knowing how to disciple others If making

disciples of Jesus is the greatest cause on earth how should we equip people to do it This handbook is a practical guide for how to embrace the discipleship lifestyle being a disciple of Jesus and how to make other disciples of Jesus With contributions from pastors and teachers like Francis Chan Jeff Vanderstelt Bill Hull Jim Putman KP Yohannan and Robert Coleman the authors present seven elements that are necessary for disciple making to occur Jesus the original disciple maker and centerpiece of discipleship Holy Spirit fuels the disciple making process Intentionality making disciples utilizing a strategy and a roadmap Relationships creating a loving genuine connection with others who trust and follow Jesus Bible using the Word of God as the manual for making disciples Journey forging a traceable growth story from a new birth to spiritual parenthood Multiply reproducing the discipleship process so that the disciple becomes a disciple maker Whether you are a parent who wants to disciple your children a small group leader who wants to disciple those in your group or a church leader who wants to disciple future leaders the seven key elements in this handbook form a framework for understanding discipleship that can be applied in countless situations In addition there are questions provided in each section to help you think through how to apply the material to your disciple making efforts **The Making of a Disciple** Keith W.

Phillips,1981-01-01 Walking as Jesus Walked Dann L. Spader,2011-09-01 Jesus must be our model for ministry Sounds obvious right Or is it Jesus in all His humanity and all His divinity shows us the best possible way to live Through the way He lived He modeled the priorities of how to multiply much fruit Following Jesus example His disciples then changed the course of history How then can we follow Jesus example We must study His life How did Jesus pray In what types of relationships did He invest Where were His priorities Can my priorities be His priorities Can I walk like He walked What we do with Jesus MATTERS Global ministry trainer Dann Spader practically and helpfully walks us through 10 weeks of exciting ministry altering study to really begin to walk as Jesus walked **The Priority of Making Disciples** Danny Clymer,2020-08-18

Those in the church and ministry are familiar with the Great Commission the call to go forth and make disciples However for many it isn't that easy in a world increasingly influenced by doubters and distractions Many Christian leaders may talk about it but few really do it Making disciples isn't a complicated program but a simple plan that comes only from Jesus Now a diverse group of pastors representing urban and rural communities secular and Christian areas as well as diverse multicultural backgrounds and all known for successfully making new disciples have gathered these sermons to encourage others to be disciple makers too Discover How Jesus practiced the Great Commission before He ever preached it Why discipleship begins with a whole life understanding of worship When disciple making gets confused with church growth efforts These and countless other insights will help guide you in a faithful deliberate effort to fulfill the Great Commission no matter where you live or what communities in which you minister Included in the book are The sermon texts and their outline formats 12 study guides one for each sermon that can be used in small group or one on one settings in the week following the preaching of the sermon A final appendix providing a self evaluation tool that helps each person being discipled to evaluate

the progress they are making in their walk with Christ **The Making of a Disciple** Engr Oluwatobi Michael Owoeye, 2016-04-01 The greatest man who ever lived and ascended to heaven gave a trust to generations who would believe and continue in His teachings saying Go and be fishers of men making discipleship of all nations This great Trust has carefully been handed over from generation to generations with heavily diverse christian missions This book serves as a great reminder of this great commission and a strong pointer reminder for the 21st century christian missions

Disciple-Making Disciples Christopher Moody, 2021-12-14 Disciple Making Disciples examines major theological doctrines through the corrective lens of Jesus disciple making method while giving practical how to advice and information Following the model of Jesus you will learn how to nurture a culture of Christ centered disciple making through the local church By investing in the spiritual maturity of a few disciples and teaching them to invest in others the Body of Christ grows in every fashion Disciple making is the past present and future of the Church **The Life of Peter and His Teachings** Bob Conway, 2014-08-25 This book is about Jesus Christ making disciples and in particular Simon a Galilean fisherman whom He named Peter The Master called Peter to be a fisher of men the first Christian evangelist Amazingly He entrusted the keys of the kingdom of heaven to one of the most colorful intriguing and fascinating characters of the Bible Simon Peter was eager energetic charming bold forthright reckless impulsive unstable fickle weak rash wavering and cowardly with foot and mouth disease a paradox of inconsistency until he received God s gift of the Holy Spirit on Pentecost In the three parts of this book the author unfolds the making of a disciple 1 Peter made a disciple by Christ through action packed events 2 Peter making disciples through powerful sermons and speeches 3 Peter instructing disciples through two letters to prepare their minds for action Bob Conway holds a Master of Divinity Degree from Grace Theological Seminary and teaches Bible Theology and Biblical Hebrew at Regent College of the Caribbean in Jamaica WI

The Making of Disciples Zacharias Tanee Fomum, 2020-02-28 The Making of Disciples is an attempt to respond to the call of the Lord in Mat 28 19 20 to make disciples who will in turn make disciples who will make disciples etc In the early Church only disciples were known Those who belonged to the Lord Jesus were called Disciples WHO IS A DISCIPLE The Lord Jesus intended that everyone who is led to Him and who therefore knows Him personally and is dynamically related to Him should enroll in the school of a Disciple Maker who will make him into a Disciple which means somebody committed not only to be like Christ but also to bring others to be like Christ This call of the Lord Jesus has not been taken seriously by the Church and what is practiced today is a counterfeit of what the Lord intended It is obvious that the evangelisation of the world and the condition of each believer would have been totally different if disciples were made and if the process had continued This book is then the fruit of a burden It is born out of the desire to see the Church of the Lord return to the task of making disciples who will in turn make disciples In this profound manual Professor Fomum addresses topics like The conditions to become and remain a disciple Transforming a young convert into a mature disciple Transforming a mature disciple into a disciple maker Gender issues in

disciple making Etc The Lord Jesus made disciples He has commanded to go and make disciples who will in turn make disciples This book will help you to obey this command *Intentional* Brandon Guindon,2023-09-12 Rediscover the intentional disciple making methods of Jesus Christ Today churches and their leaders relentlessly pursue innovation of the next new idea that will somehow capture the attention of the spiritually lost yet very few Christians know how to walk out a day to day lifestyle of intentional disciple making Drawing from decades of experience making disciples pastor Brandon Guindon will show you how Jesus call to Go and Make Disciples can become more than just a vague church slogan when we relearn the discipleship methods that Jesus modeled for us Intentional introduces eight principles of disciple making exposing their gospel roots and practical nature principles such as Listening with the genuine intent to understand different voices and experiences Looking for and developing the potential in others Knowing when to firmly speak the truth and when to allow yourself to be interrupted Living a lifestyle of discipleship yourself Jesus Christ intentionally disciplined twelve people every day for three and a half years and then commanded us to go and make disciples as well And he empowered us by sending us the indwelling Holy Spirit to guide us The early church thrived and expanded by imitating the intentional relational methods Jesus modeled yet somewhere along the way we lost sight of the simple truth that Jesus methods of disciple making are as holy as his message It s time relearn those methods examine the obstacles in our lives that prevent us from imitating the ancient ways of Christ and approach all our relationships differently making disciples in Jesus name and growing spiritually in the process *The Disciple Making Church* Glenn McDonald,2004 Newly expanded and revised edition of bestseller about changing from a program based church to a church making disciples *Disciple-To-Disciple* Frederick Osborn,2014-12-12 Being a Disciple is only part of what we have been called to we have also been called to go and make disciples This is the Great Commission being salt and light to the world as we make disciples The intended result of being salt and light to the world is to go and make disciples Disciples making disciples is an integral part of the kingdom As disciples teach they are being taught by the Master Disciple to Disciple book and study guide is actually the third in an informal series of teachings on the Kingdom The first in the series is This Gospel of the Kingdom The book and study guide describe the foundational teachings of Jesus Christ concerning the kingdom of God The second book and study guide in the series is called Kingdom Discipleship Kingdom Discipleship defines the six terms of discipleship that Jesus said all who would be His disciple must meet in order to be His disciple Only disciples make disciples and in this part of the series on the Kingdom of God we will set aside some time to learn how Jesus the Master Teacher taught His disciples Disciple to Disciple is an in depth study guide on how Jesus taught His disciples It can be used with or without the book to help us understand how Jesus taught His disciples so that we can be more effective in how we teach others to be like Christ If we teach others to become faithful disciples of Jesus Christ then we will do more than teach them to be mere imitations of their Master but will teach them to be like Jesus in every way When disciples make disciples all will be transformed by the Master And so the

process of making disciples who are like Jesus in character and conduct will continue with each new generation of believers
