The Making Of A Miracle A Couples Journey In Faith:

The Making of a Miracle Joanne Wetzel,Bob Wetzel,2005-07 The Making of a Miracle is the amazing story of a year in the life of a couple struggling with a progressive and terminal disease See how their faith in God and the power of prayer sustains them How it proved to be more than enough to get them through the ups and downs the hopes and fears they experienced as they lived with an incurable disease Join them as they journey from that diagnosis to their final goodbyes And then An inspiring and positive story of a courageous faith filled and miraculous experience Orbis Books This is truly an inspirational story Resurrection Press *Trusting God Through the Valley* Ruth McMillan Mayfield,2009-03 When her husband Duane collapsed Ruth had no idea that the ministry plans they had prayerfully laid out had been shattered The world as she knew it and the husband she had married were about to be transformed Take this journey of faith with Ruth Mayfield in *Trusting God through the Valley* as she rests in peaceful assurance that the Lord has everything under control while doctors bring devastating news Duane faced death several times Yet miracles follow as family and friends join their faith with Ruth s to see God s miraculous intervention again and again This is a true story of God s faithfulness when we face severe trials You will be encouraged and your faith deepened as you read how Ruth placed her mustard seed faith in an all powerful loving God in *Trusting God through the Valley* *The Making of the Magdalen* Katherine Ludwig Jansen,2001-07-22 In Memory of Her From History to Legend The Mendicant Magdalen The Vita Apostolica The Vita Activa The Vita Contemplativa The Wages of Sin Vanity of Vanities All Is Vanity There Was a Sinner in the City Do Penance The Exemplar of Perfect Penance Responses Responses to the Scriptural Saint Responses to the Legendary Saint In the Shadow of the Virgin The House of Anjou A Royal Response Epilogue In Memory of Her From Legend to History **The Constant Couple; Or a Trip to the Jubilee** George Farquhar,1777 *The Logic of Faith* Antonio L. McDaniel,2011-08-24 Behold I give you faith Now you have the ability to move and live and breathe in confidence that everything you touch will work all that you think about will become a positive influence and change lives you will even become wealthy in the process It would be absolutely wonderful for God to make that pronouncement to us and it becomes so Fortunately and to what may be the ultimate paradox the kind of faith we seek will only come by trials perseverance and yes it is a journey that we all must take Faith increases as it is used and grows exponentially when it is tested The true depth of these tests of faith does not come because you decide to seek or pursue God more these tests come because faith is alive and demands to be fed even challenged Admittedly faith does appear to be somewhat illogical but most goals or feats of greatness are often met with resistance in the end when the goal has been met the feat obtained and the journey completed it is only then in clear hindsight that you realize that this was a test of your faith subsequently as you reflect on your travels you think about all the things that you would have changed or done differently only to later realize that if things were different you may not be who you are *The Logic of Faith* is a reasonable a step along the path of your journey through personal experiences some good

some not so good I share my experiences and trials of faith so you can be enlightened and encouraged as you continue on your journey of understanding Once you embrace and unite with your faith the world will truly become your oyster and it will not matter where you are or what you are facing My wife Phyllis and our two sons Ryan and Corban are enjoying our journey of faith together a journey that currently has us residing in Katy Texas and a faith that will allow us to continue to move and live and have our being in Him
