John and Charles Wesley are undoubtedly two of the greatest heroes of the Christian faith who have ever lived Their fearless preaching in the face of violent opposition and the rise of the Methodist movement powerfully influenced an eighteenth century England that was rife with corruption drunkenness crime and religious apathy a country described by Bishop John Ryle a century later as barren of all good There was a gross religious and moral darkness a darkness that might be felt In this most comprehensive biography of John and Charles Wesley to date best selling author Julian Wilson describes in vivid detail the brothers triumphs and failures their conversion to true Christianity their differing characters their relationships with women their prison outreach their uncompromising preaching even when faced with death or serious injury the growth of the Methodist movement and in John s case his supernatural ministry his work as a physician his involvement in the abolition of slavery and his educational and social welfare initiatives John and Charles Wesley may have lived in the eighteenth century but their message and their ministry are as vital and relevant today as they were more than two hundred years ago **A**

David Day,2017-09-08 Every Sunday all over the world people rise up and claim to speak in the name of God It is an astonishing thing to do and an astonishing claim to make It is small wonder that the sermon has been the focus of debate discussion and investigation It has been dismissed as irrelevant in today s culture and has become the butt of numerous jokes and caricatures Yet the claim persists that these human words in some way can become God s message to these hearers This collection of twenty nine articles by international experts in the area of homiletics coincides with the revival of interest in preaching over the last twenty five years It is practical without being merely tips for preachers and it offers the necessary theoretical discussion for anyone who wants to take the art of preaching seriously No important issue has been omitted and taken as a whole the book constitutes a first class introduction to the principles processes context and theology of preaching Contributors include Walter Brueggemann David Buttrick Fred Craddock Edward Farley John Killinger Richard Lischer Thomas Long Elaine Lawless Jolyon Mitchell Cheryl Sanders and Thomas Troeger A Flame of Fire Charles Downer Schwartz,Ouida Davis Schwartz,1982 **Fuel Magazine** ,1906 **The Making of a Preacher and Fallen from Grace** George B.
