K. Chesterton, 2019-01-11 Many of Chesterton's reflections are timeless and Changing Earth startlingly prescient He was highly critical of both the naive immigration policies and the grinding dehumanisation brought about by the growth of the economy Nonetheless he was enthralled by the glorious ideals of the nation founded on principles of equality democracy and freedom even if the essence of these ideals had been lost somewhere along the way What I Saw in America ranks among the finest of Chesterton's works containing all of the author's virtues and vices his wry humour sympathy and intelligence playing devilishly against an irrepressible mischievousness Goodreads Bogart, 2007-12-05 Lost In Dodge is placed in a western setting but isn t a true western book any more than Gone With The Wind is a war story It s a book of love and tenderness spiced with laughter garnished with moments of sadness and a side dish of action Lost In Dodge is about a young boy named Daryl who travels to Dodge City with his father mother and little sister Shelly Lynn At the first available moment his mother takes his sister and abandons him taking the train to somewhere east Later that night his father is killed leaving him alone in a town he doesn t know He s taken in by the kindly blacksmith Merle Wilson who having no children of his own raises Daryl through the loveable antics of childhood Though Daryl tries to live the life of a normal boy there is something about his appearance that registers shock in the eyes of those meeting him for the first time Regardless there is someone for everyone and he finds his love in Stephanie Rose Together they build a life that is the envy of all Sixteen years later Daryl s sister Shelly Lynn journeys west in search of her brother At her mother s death bed she learned what really happened that day in Dodge City and has vowed to take thattruth to the one who deserves it the most and also teach him of the legacy to which he belongs You ll laugh you ll cry feel happiness and sadness as you journey through thisheartwarming taleof a boy named Daryl who was Lost In Dodge Planet Cat Sandra Choron, Harry Choron, Arden Moore, 2007 Presents more than four hundred lists on various information on cats including cat breeds training
