The Many Worlds Of Arshile Gorky:

The Many Worlds of Arshile Gorky Karlen Mooradian, 1980 **The Many Worlds of Arshile Gorky** Karlen Mooradian, 1980 Rethinking Arshile Gorky, A reexamination of the art of Arshile Gorky 1904-1948 and an exploration of his role in the development of modern abstraction in America Arshile Gorky Hayden Herrera, 2005-01-03 From the Author of *Frida: The Moving and Heroic Story of One of the Central Painters of the Twentieth Century* Born in Turkey around 1900 Vosdanik Adoian escaped the massacres of Armenians in 1915 only to watch his mother die of starvation and his family scatter in their flight from the Turks Arriving in America in 1920 Adoian invented the pseudonym Arshile Gorky and obliterated his past Claiming to be a distant cousin of the novelist Maxim Gorky he found work as an art teacher and undertook a program of rigorous study schooling himself in the modern painters he most admired especially Cézanne and Picasso By the early forties Gorky had entered his most fruitful period and developed the style that is seen as the link between European modernism and American abstract expressionism His masterpieces influenced the great generation of American painters in the late forties even as Gorky faced a series of personal catastrophes a studio fire cancer and a car accident that temporarily paralyzed his painting arm Further demoralized by the dissolution of his seven year marriage Gorky hanged himself in 1948 A sympathetic sensitive account of artistic and personal triumph as well as tragedy Hayden Herrera's biography is the first to interpret Gorky's work in depth The result of more than three decades of scholarship and a lifelong engagement with Gorky's paintings Arshile Gorky traces the progress from apprentice to master of the man André Breton called the most important painter in American history Arshile Gorky Harry Rand, 2023-12-22 Harry Rand's critically acclaimed study of Gorky's brief troubled life and artistic development is finally available in paperback All of Gorky's major themes are touched on and his major paintings dealt with in some depth with attention to the details of the individual works and frequently to the drawings and preliminary studies from which the paintings evolved The discussion centers on the images that united the pieces as they develop from work to work Rand explores Gorky as well as possible sources and their relationship to the body of Gorky's art A concluding chapter reassesses Gorky's impact on the New York School in light of a new understanding of his aims and methods Through close study of Gorky's oeuvre the author deciphers an iconography revealing the unexpected and systematic use of explicit ideas and symbols as well as commonplace objects settings and personas from the artist's life Harry Rand's critically acclaimed study of Gorky's brief troubled life and artistic development is finally available in paperback All of Gorky's major themes are touched on and his major paintings dealt with in some depth with attention to the details **Black Angel** Nouritza Matossian, 2002-08-01 A biography of the Armenian painter that adds immeasurable to the interest of his art Carefully researched well written and enlightening The New York Review of Books In this first full scale biography Nouritza Matossian charts the mysterious and tragic life of Arshile Gorky one of the most influential painters of the twentieth century Born Manoug Adoian in Armenia he survived the Turkish genocide of 1915

before coming to America where he posed as a cousin of the famous Russian author Maxim Gorky One of the first abstract expressionists Gorky became a major figure of the New York School which included de Kooning Rothko Pollock and others But after a devastating series of illnesses injuries and personal setbacks he committed suicide at the age of forty six In Black Angel arts journalist Matossian analyzes Gorky s personal letters as well as other new source material She writes with authority insight and compassion about the powerful influence Gorky s life and Armenian heritage had upon his painting

Art Books Wolfgang M. Freitag,1997 Expanded to twice as many entries as the 1985 edition and updated with new publications new editions of previous entries titles missed the first time around more of the artists own writings and monographs that deal with significant aspects or portions of an artist s work though not all of it The listing is alphabetical by artist and the index by author The works cited include analytical and critical biographical and enumerative their formats range from books and catalogues raisonnées to exhibition and auction sale catalogues A selection of biographical dictionaries containing information on artists is arranged by country Annotation copyrighted by Book News Inc Portland OR

Listening to Stone Hayden Herrera,2015-04-21 Throughout the twentieth century Isamu Noguchi was a vital figure in modern art From interlocking wooden sculptures to massive steel monuments to the elegant Akari lamps Noguchi became a master of what he called the sculpturing of space But his constant struggle as both an artist and a man was to embrace his conflicted identity as the son of a single American woman and a famous yet reclusive Japanese father It s only in art he insisted that it was ever possible for me to find any identity at all In this remarkable biography of the elusive artist Hayden Herrera observes this driving force of Noguchi s creativity as intimately tied to his deep appreciation of nature As a boy in Japan Noguchi would collect wild azaleas and blue mountain flowers for a little garden in front of his home As Herrera writes he also included a rock to give a feeling of weight and permanence It was a sensual appreciation he never abandoned When looking for stones in remote Japanese quarries for his zen like Paris garden forty years later he would spend hours actually listening to the stones scrambling from one to another until he found one that spoke to him Constantly striving to take the essence of nature and distill it Noguchi moved from sculpture to furniture and from playgrounds to sets for his friend the choreographer Martha Graham and back again working in wood iron clay steel aluminum and of course stone Throughout his career Noguchi traveled constantly from New York to Paris to India to Japan forever uprooting himself to reinvigorate what he called the keen edge of originality Wherever he went his needy disposition and boyish charm drew women to him yet he tended to push them away when things began to feel too settled Only through his art now seen as a powerful aesthetic link between the East and the West did Noguchi ever seem to feel that he belonged Combining the personal correspondence of and interviews with Noguchi and those closest to him from artists patrons assistants and lovers Herrera has created an authoritative biography of one of the twentieth century s most important sculptors She locates Noguchi in his friendships with such artists as Buckminster Fuller and Arshile Gorky and in his affairs with women including Frida Kahlo and Anna

Matta Clark With the attention to detail and scholarship that made her biography of Gorky a finalist for the Pulitzer Prize Herrera has written a rich meditation on art in a globalized milieu Listening to Stone is a moving portrait of an artist compulsively driven to reinvent himself as he searched for his own essence of sculpture Journal of the Society for Armenian Studies ,1987 **Noguchi East and West** Dore Ashton,1993-09 An art history professor and author or editor of 30 books on art and culture maps the life of Japanese American sculptor and designer Isamu Noguchi 1904 1988 and his spiritual journey both in the events of his life and in the milestones of his art the sculptures gardens public spaces and stage decors that gained force and significance from Noguchi s double heritage Photographs **The Magical Pine Ring** Margaret Bedrosian,1991 Margaret Bedrosian s pioneering interdisciplinary study examines the continuing effect of Armenian history on Armenian American writing Using the work of ten Armenian American poets and fiction and non fiction writers she shows the continuing impact on Armenian Americans of cultural symbols myths and attitudes carried over from the Old World and explores the ways in which two cultures meet conflict and become integrated in the imagination Through analysis of writers actual or fictionalized experience The Magical Pine Ring provides an understanding of the Armenians specific concerns as Armenians and as immigrants the effect of their self awareness as Armenians on their adaptation to America the typical and stereotypical situations and personalities that emerged with time and the key values and beliefs that endured even as names were changed and assimilation blurred physical and social demeanor Bedrosian also explores the directions Armenian American writers have taken in portraying group history and the nature of their self discovery as Armenian Americans For the most part this literature is not a direct outgrowth of the mainstream of Armenian literature The relationship of the writer discussed here is one of spirit of ancestral sympathies burdens and responsibilities These writers register the pain of exile and alienation as they weave images of yearning and loss celebration and futuristic vision into their writing Through their crossroads identity in America these writers add to our understanding of the Armenian diaspora

The Life of Isamu Noguchi Masayo Duus,2006-11-05 Isamu Noguchi born in Los Angeles as the illegitimate son of an American mother and a Japanese poet father was one of the most prolific yet enigmatic figures in the history of twentieth century American art Throughout his life Noguchi 1904 1988 grappled with the ambiguity of his identity as an artist caught up in two cultures His personal struggles as well as his many personal triumphs are vividly chronicled in The Life of Isamu Noguchi the first full length biography of this remarkable artist Published in connection with the centennial of the artist s birth the book draws on Noguchi s letters his reminiscences and interviews with his friends and colleagues to cast new light on his youth his creativity and his relationships During his sixty year career there was hardly a genre that Noguchi failed to explore He produced more than 2 500 works of sculpture designed furniture lamps and stage sets created dramatic public gardens all over the world and pioneered the development of environmental art After studying in Paris where he befriended Alexander Calder and worked as an assistant to Constantin Brancusi he became an ardent advocate for abstract sculpture

Noguchi's private life was no less passionate than his artistic career. The book describes his romances with many women among them the dancer Ruth Page, the painter Frida Kahlo, and the writer Anaïs Nin. Despite his fame, Noguchi always felt himself an outsider. With my double nationality and my double upbringing, where was my home? he once wrote. Where were my affections? Where my identity? Never entirely comfortable in the New York art world, he inevitably returned to his father's homeland where he had spent a troubled childhood. This prize-winning biography, first published in Japanese, traces Isamu Noguchi's lifelong journey across these artistic and cultural borders in search of his personal identity. Calder: The Conquest of Space Jed Perl, 2020-04-14. The concluding volume to the first biography of one of the most important, influential, and beloved twentieth-century sculptors and one of the greatest artists in the cultural history of America is a vividly written, illuminating account of his triumphant later years. The second and final volume of this magnificent biography begins during World War II when Calder, known to all as Sandy, and his wife Louisa opened their home to a stream of artists and writers in exile from Europe. In the postwar decades, they divided their time between the United States and France as Calder made his first monumental public sculptures and received blockbuster commissions that included Expo 67 in Montreal and the 1968 Olympics in Mexico City. Jed Perl makes clear how Calder's radical sculptural imagination shaped the minimalist and kinetic art movements that emerged in the 1960s. And we see as well that through everything, their ever-expanding friendships with artists and writers of all stripes working to end the war in Vietnam, hosting riotous dance parties at their Connecticut home, seeing the mobile, Calder's essential artistic invention find its way into Webster's dictionary. Calder and Louisa remained the risk-taking, singularly bohemian couple they had been since first meeting at the end of the Roaring Twenties. The biography ends with Calder's death in 1976 at the age of seventy-eight, only weeks after an encyclopedic retrospective of his work opened at the Whitney Museum in New York, but leaves us with a new, clearer understanding of his legacy both as an artist and a man. Arshile Gorky Arshile Gorky, Gerardo Delgado, Fundació Caixa de Pensions, 1990. Born on the shores of Armenia's Lake Van, Arshile Gorky immigrated to the United States in 1920 and went on to become one of the greatest American painters of the twentieth century. Gorky was both a forefather to and a seminal figure in the Abstract Expressionist movement. Years before Pollock and Motherwell, he found ways to extend Surrealist dream imagery into a uniquely American abstraction simply by pursuing Surrealism's insistence on the authenticity of interior experience, freely transcribed on canvas. Also the logic of much New York Abstract Expressionism. For Gorky, this was no easy endeavor. Critic Meyer Schapiro called him a fervent scrutinizer of paintings, an ability corroborated by his close friend Willem de Kooning, whose own painting owes much to Gorky. For some mysterious reason, he knew lots more about painting and art. He had an extraordinary gift for hitting the nail on the head. Although Gorky's life was cut short by his suicide in 1948, the tremendously influential legacy that he left behind has secured his reputation as the last of the great Surrealist painters and one of the first Abstract Expressionists. Here, reproductions of key works are accompanied by Gorky's own writings and a collection of interviews. Mark Rothko James

E. B. Breslin, 2012-08-13 The first full length biography of Mark Rothko one of the greatest artists of the 20th century tells the story of a life in art and the convergence of genius and ego culture and commerce that defined the New York art scene of the 1930s 40s and 50s 21 color plates *Facs - Florida Atlantic Comparative Studies* Ilaria Serra, Peggy Schaller, 2007-11 The editors of the Florida Atlantic Comparative Studies literary journal provide a forum for comparative study in the arts humanities language culture and social sciences **Revenge of the Philistines** Hilton Kramer, 2007-09-12 Analyzes the works of a variety of modern artists including Edward Hopper Louise Nevelson Chuck Close and Julian Schnabel *Arshile Gorky, 1904-1948* Diane Waldman, Arshile Gorky, 1981 Catalogue of an exhibition held at the Solomon R Guggenheim Museum **Ararat** , 1985 **The Turning Point** April Kingsley, 1992 For a handful of years in the late 1940s and early 1950s the most important group of artists in American history worked in the same city and transformed the world of art April Kingsley s riveting new book gives us a new understanding of Pollack de Kooning Rothko and the other revolutionary artists who changed the face of American art forever Photographs 8 pages of color reproductions

The Many Worlds Of Arshile Gorky Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Many Worlds Of Arshile Gorky PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Many Worlds Of Arshile Gorky PDF books and manuals is convenient and cost-effective, it is vital to

respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Many Worlds Of Arshile Gorky free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Many Worlds Of Arshile Gorky Books

1. Where can I buy The Many Worlds Of Arshile Gorky books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
