Sinister Pig

SparkNotes, William Golding

Sinister Pig:

Sinister Pig Tony Hillerman, 2011-10-25 Sergeant Jim Chee of the Navajo Tribal Police is troubled by the nameless corpse discovered just inside his jurisdiction at the edge of the Jicarilla Apache natural gas field More troubling still is the FBI's insistence that the Bureau take over the case calling the unidentified victim's death a hunting accident But if a hunter was involved Chee knows the prey was intentionally human This belief is shared by the Legendary Lieutenant Joe Leaphorn who once again is pulled out of retirement by the possibility of serious wrongs being committed against the Navajo nation by the Washington bureaucracy Yet it is former policewoman Bernadette Manuelito recently relocated to the Border Patrol at the U S Mexico line who possibly holds the key to a fiendishly twisted conspiracy of greed lies and murder and whose only hope for survival now rests in the hands of friends too far away for comfort *The Sinister Pig* Tony Hillerman, 2004-10-26

Engeström, 2008-04-14 Teams are commonly celebrated as efficient and humane ways of organizing work and learning By means of a series of in depth case studies of teams in the United States and Finland over a time span of more than 10 years this book shows that teams are not a universal and ahistorical form of collaboration Teams are best understood in their specific activity contexts and embedded in historical development of work Today static teams are increasingly replaced by forms of fluid knotworking around runaway objects that require and generate new forms of expansive learning and distributed agency This book develops a set of conceptual tools for analysis and design of transformations in collaborative work and learning **Gumshoes** Mitzi M. Cowboy Politics John S. Nelson, 2017-11-01 The politics of popular westerns are surprising in substance and significance especially of late Cowboy Politics shows how westerns in literature cinema and television face the challenges of Western Civilization even more than the perils of American frontiers Its strategy is to compare key westerns with major theories of modern and postmodern politics So it analyzes novels from Owen Wister to Zane Grey and Larry McMurtry It focuses on films from the western revival beginning in the 1990s and featuring Clint Eastwood s Unforgiven while its interest in TV stretches from singing cowboys and Gunsmoke to David Milch

s Deadwood Critics are apt to find in westerns the modern politics of Thomas Hobbes and John Locke They tap devices of individuality rationality contract sovereign enforcement and representation to overcome the chaotic violence of a wild zone Cowboy Politics examines how westerns often find such measures insufficient to tame the West as a culture of honor and anger that deteriorates into feudal vengeance Instead westerns see the West as the sunset land that is already growing old and moving on So westerns seek fresh starts informed by comparing civilizations more than demonizing savages Westerns worry that modern politics devolve into exploitation oppression spectacle and terror So they pursue supplements in such postmodern politics as republicanism perfectionism populism feminism and environmentalism Especially westerns explore politics of persuasive speech in action in public doing beauty and self reliance in the modes of Hannah Arendt and Ralph Waldo Emerson The first two chapters of Cowboy Politics explain how westerns do political theory for popular audiences by making many of our myths the symbolic stories of individuals and communities which we live daily The next three chapters trace the initially modern theories of government in many westerns Then western turns to republican honor rhetoric response ability and character tracking occupy the following four chapters And these set the stage for another four chapters on western attention to postmodern terror mythmaking celebrity spectacle and forgiveness The final two chapters analyze how late satirical and transformative westerns develop realist defenses for their surprisingly postmodern politics **Tony Hillerman's Navajoland** Laurance D. [Odds Against Me](#) Mina Scheller-Wildfeuer, 2009-06-05 EXCERPTS FROM THE BOOK ODDS AGAINST ME By MINA SCHELLER WILDFEUER PART 1 TRANQUILITY CHILDHOOD Bruckenthal evokes my fondest memories With nostalgia I recall walks through immense wheat fields a huge yellow ocean with slight ripples of waves gently swaying in the summer breeze a glorious intense orgy of colorful wildflowers interspersed throughout it the vivid blues of cornflowers brilliant reds of poppies immaculate whites of daisies I was surrounded by nature's best The sweet fragrance the breathtaking beauty of it filled me with overwhelming joy Carried upon the current of happiness I sang out loud On lazy summer days when the atmosphere became heavy with the heat I lay down on the cool dark rich earth looking up into the translucent blue sky through hot simmering air Made drowsy by the monotonous buzz of bees I let myself overflow with a child's dream It was the loveliest corner in the world PART 2 WAR REFUGEES Hour after hour I a twelve year old shuffled behind the wagon battling harsh howling winds gust of snow and sleep Sometimes when slowing down I could feel the steamy warm breath and hear the occasional snorting of following horses near my ears What if I should fall down Would I be trampled to death rolled over by the churning wheels The trek came to a hold I was fatigued beyond endurance almost hallucinating An overturned wagon on the side of the road the casualty of mortar fire beckoned me Next to its dead horse still in harness was leaning against an embankment with its head grotesquely twisted and its legs stiffly sticking upward Large lumps faintly bearing human shape were half buried in a snow tomb I climbed onto the deserted wagon and curled up between baggage It snowed heavier Big beautiful snowflakes floated

silently down Soon everything would be covered softly just one white serene wonderland I would be asleep finally blissfully asleep maybe forever My eyes closed I felt myself drifting off peacefully PART 3 POSTWAR BAD OLDESLOE GERMANY Hunger was our steady companion The prayerful sentence Give us this day our daily bread so carelessly uttered by many took on an urgent meaning To subsidize the meager rations being near the starvation point Mother and I went foraging for food Drove of hungry people from the big City Hamburg joined us in that venture They came by trains that were filled beyond capacity Humans were hanging on the outside like overripe grapes The trains hardly came to a stop when everyone jumped down and descended on the already harvested fields in hope of finding leftovers We all walked and picked through the scratchy stubble of reaped wheat fields It was a painful experience Legs and hands were cut and bleeding The reward came when found grains were carefully separated from salvaged husks and Father pounded the kernels into coarse flour The bread Mother made from it was delicious but hardly enough for five Putting it into a locked box she doled it out a few slices at a time PART 4 AMERICA AMERICA THE GENERAL LANGFITT I sank down in wet planks in a vacant corner licking the salty air Some of my fellow travelers reeking if garlic were strolling on deck Garlic was supposed to be a remedy not only against vampires but also for seasickness Others their faces showing greenish hues joined me We didn t exchange pleasantries simply nodded sympathetically whenever one of us left to lean over the railing I couldn t bring myself to return to the mess hall The thought of food repulsed me Nevertheless I was hungry One night unable to sleep listening to the snoring around me the growling stomach and the constant rattle of the nearby engine I spotted a couple of oranges alongside the bunk Impossible My eyes must have deceived me But no soon more followed big juicy oranges Neither did I care
