Sioux Are Coming:

History of Kossuth County, Iowa Benjamin F. Reed,1913 **Far as the Eye Can See** Robert Bausch,2014-11-04 Bobby Hale is a Union veteran several times over After the war he sets his sights on California but only makes it to Montana As he stumbles around the West from the Wyoming Territory to the Black Hills of the Dakotas he finds meaning in the people he meets settlers and native people and the violent history he both participates in and witnesses Far as the Eye Can See is the story of life in a place where every minute is an engagement in a kind of war of survival and how two people a white man and a mixed race woman in the midst of such majesty and violence can manage to find a pathway to their own humanity Robert Bausch is the distinguished author of a body of work that is lively and varied but linked by a thoughtfully complicated masculinity and an uncommon empathy The unique voice of Bobby Hale manages to evoke both Cormac McCarthy and Mark Twain guiding readers into Indian country and the Plains Wars in a manner both historically true and contemporarily relevant as thoughts of race and war occupy the national psyche Journal of American Folklore ,1916 House Documents, Otherwise Publ. as Executive Documents United States. Outing and the Wheelman ,1907 *Sharing the Past* J.A. Weingarten,2019-07-15 Sharing the Past is an unprecedentedly detailed account of the intertwining discourses of Canadian history and creative literature When social history emerged as its own field of study in the 1960s it promised new stories that would bring readers away from the elite writing of academics and closer to the everyday experiences of people Yet the academy s continued emphasis on professional distance and objectivity made it difficult for historians to connect with the experiences of those about whom they wrote and those same emphases made it all but impossible for non academic experts to be institutionally recognized as historians Drawing on interviews and new archival materials to construct a history of Canadian poetry written since 1960 Sharing the Past argues that the project of social history has achieved its fullest expression in lyric poetry a genre in which personal experiences anchor history Developing this genre since 1960 Canadian poets have provided an inclusive model for a truly social history that indiscriminately shares the right to speak authoritatively of the past **Miscellaneous documents** United States Senate,1847 Report United States. Voices of the American West Eli Seavey Ricker, 2005-01-01 The valuable interviews conducted by Nebraska judge Eli S. Ricker with Indian eyewitnesses to the Wounded Knee massacre, the Little Big Horn battle, the Grattan incident, and other events and personages of the Old West are finally made widely available in this long-awaited volume. In the first decade of the twentieth century, as the Old West became increasingly distant and romanticized in popular consciousness, Eli S. Ricker (1843-1926) began interviewing those who had experienced it firsthand, hoping to write a multi-volume series about its last days. Among the many individuals he interviewed were American Indians, mostly Sioux, who spoke extensively about a range of subjects, some with the help of an interpreter. For years, Ricker traveled across the northern Plains, determinedly gathering information on and off reservations in winter and in summer. Judge Ricker never wrote his book, but his interviews are priceless sources of information about the Old West that offer more balanced perspectives on events than were accepted at the time. Richard E. Jensen brings together all of Ricker's interviews with American Indians, annotating the conversations and offering an extensive introduction that sets forth important information about Ricker, his research, and the editorial methodology guiding the present volume.
