## **Sir Harry Parkes British Representative In Japan 1865-1883:**

**Sir Harry Parkes, British Representative in Japan, 1865-83** Gordon Daniels, 1996 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company *Sir Harry Parkes* Gordon Daniels, 2013-12-16 Parkes ruled the British legation to Meiji Japan with a commitment to work and the construction of a civilian Japan which aroused profound admiration and irritation among both Westerners and Japanese First major study of Parkes since the Dickens Lane Poole Life of 1894 **Sir Harry Parkes** Gordon Daniels, 2013-12-16 Parkes ruled the British legation to Meiji Japan with a commitment to work and the construction of a civilian Japan which aroused profound admiration and irritation among both Westerners and Japanese First major study of Parkes since the Dickens Lane Poole Life of 1894 **British Envoys in Japan, 1859-1972** ,2021-10-01 Comprehensive coverage of the diplomatic history in Japan of H M Representatives and the events that marked their period of office East Asia Observed James Hoare, 2025-10-01 This collection brings together themes in East Asian history diplomacy culture and politics written by J E Hoare since the early 1970s His writings derive from his training as a historian from his time as a Research Analyst in the British Foreign Office from 1969 2003 and from his experiences as a diplomat in the Republic of Korea South Korea the People s Republic of China and the Democratic People s Republic of Korea North Korea The writings selected for this volume include academic papers book reviews and some quasi journalistic articles which reflect both historical research and analysis of current events and issues The wide ranging content speaks to the author s specialist fields of interest including diplomacy biography extraterritoriality and architecture on which he has published extensively **Great Britain and the Unifying of Italy** O. J. Wright, 2018-11-21 This book explores the interests of British leaders diplomats and consuls in the unifying of Italy It is the first study to provide a comprehensive narrative of British policy on Italian affairs between the formation of the Kingdom of Italy in 1861 and its consolidation as a new nation state through the acquisitions of Venice in 1866 and Rome in 1870 Commencing with an investigation of the place of Italy within the context of mid Victorian Britain s global interests the book investigates the origins of British sympathy for Italian nationalism during the 1850s before charting the development of British foreign policy regarding Italy during its unification and consolidation Emphasis is placed upon the tendency of British leaders and representatives to consider it their responsibility to guide the new Italy through its formative years and upon their desire to draw Italy into a special relationship with Britain as the dominant power within the Mediterranean Collected Writings of Gordon Daniels Gordon Daniels, 2004-03-01 Originally a student of Meiji Japan Gordon Daniels is widely known for his work on the Pacific War and the Occupation of Japan with particular regard to the world of communications in film and propaganda as well as Japanese sport He has also been closely involved with the post war era of international relations and Japan as well as studies in Japanese history and historiography In the 1980s he made significant contributions in reporting on the scope and development of Japanese Studies in Britain His most recent work has been as joint editor and contributor with Chushichi

Tsuzuki of Social and Cultural Perspectives the fifth of the five volume series on the history of Anglo Japanese Relations Palgrave 2002

Wild East Joshua Provan ,2020-05-29 For over two centuries Japan had been hidden behind a veil of seclusion This changed in when Commodore Perry arrived in 1853 Unsurprisingly for a world power Britain was fast to get in on the action But unknown to the intruders their sudden appearance had accelerated the pace of political change in Japan The newcomers found themselves increasingly out of their depth in a power struggle that they did not understand The Shogun and the Emperor were at each other s throats factions were jockeying for position and the foreigners were at the centre of it Britain s first diplomats found themselves the targets of assassins and to their confusion discovered that the Emperor had no legislative power and the Shogun s word was no longer law Yet with the lessons of the Opium Wars still in recent memory a slew of British soldiers ambassadors interpreters and adventurers attempted to protect imperial interests in Japan without causing outright war This is the story of the rocky beginning of Anglo Japanese relations a story of the wild east full of political schemes Gunboat diplomacy assassins and samurai set in the dying days of the Edo period and the twilight of the last Shogun

1996 Massimo Mastrogregori,2014-02-21 Annually published since 1930 the International bibliography of Historical Sciences IBOHS is an international bibliography of the most important historical monographs and periodical articles published throughout the world which deal with history from the earliest to the most recent times The works are arranged systematically according to period region or historical discipline and within this classification alphabetically The bibliography contains a geographical index and indexes of persons and authors

Japan's Early Experience of Contract Management in the Treaty Ports Yuki Allyson Honjo,2013-12-19 This is the first in depth study of the early trial and error experiences of contracting between Japanese and western merchants trading in the Japanese Treaty Ports in the eighteen year period immediately following the opening of the ports in 1859 Fundamental to the equation were the inevitable east west cultural and legal ambiguities that impacted on the traders The learning curve for both westerners and Japanese regarding the nature and application of western contracting law was predictably difficult tortuous and open to constant misunderstanding Nevertheless it was within such a framework that the principal benchmarks for trade with Japan were set down and which in essence have lasted to the present day

**Britain's Encounter with Meiji Japan, 1868-1912** Olive Checkland,1989-09-15 During the Meiji Era of 1868 1912 British influence in Japan was stronger than that of any other foreign power Although role models were sought from Englishmen and Scotsmen whether diplomats engineers educators or philosophers the first priority for the Japanese was to achieve a transfer of industrial and technical skills As important customers who brought good profits to British industry the Japanese were accommodated when they stipulated on awarding a contract that their own people should work in office shipyard or factory Much new research material discovered in Japan England and Scotland has enabled the detailed examination of a relationship with Britain as Senior and Japan as Junior partner which lasted until 1914 It was on these foundations that Japan was able subsequently to build a great industrial

nation Italians in Africa and the Japanese in South East Asia Nikolaos Mavropoulos, 2022-08-22 The comparison of early Italy's and Japan's colonialism is without precedence. The majority of studies on Italian and Japanese expansion refer to the 1930-1940s period, fascist totalitarian era, when Japan annexed Manchuria 1931 and Italy Ethiopia 1936. The first formative and crucial steps that paved the way for this expansion have been neglected. This analysis covers a range of social, political, and economic parameters illuminating the diversity but also the common ground of the nature and aspirations of Japan's and Italy's early colonial systems. The two states, alongside the Great Powers of the era, expanded in the name of humanism and civilization but in reality in a way typically imperialistic: they sought territorial compensations, financial privileges, and prestige. A parallel and deeper understanding of the nineteenth-century socio-cultural psychological parameters such as tradition, mentality, and religion that shaped and explain the later ideological framework of Rome's and Turkey's expansionist disposition has never been attempted before. This monograph offers a detailed examination of the phenomenon of colonialism by examining the issue from two different angles. The study contributes to the understanding of Italy's and Japan's early imperial expansion. In addition, it traces the origins of these states' similar and common historical evolution in late nineteenth and the first half of the twentieth century.

**The Political Thought of Mori Arinori** Alistair Swale, 2013-10-23 This new study of the Meiji Government's controversial Education Minister and thinker Mori Arinori seeks to complement Ivan P. Hall's excellent earlier biography (1973) by providing an alternative interpretation of the man and his mission, namely that he is overwhelmingly closer to the social evolutionist's view of social change with a considerable debt to the writings of Spencer rather than the Utilitarian philosophy of J. S. Mill. In other words, Mori was able to develop a workable philosophy of government and administration in line with the pragmatic needs of Japanese society. The book therefore will contribute to a radical rethink of Japanese perceptions of the Meiji reforms seen in their own terms.

**The Satsuma Students in Britain** Andrew Cobbing, 2013-10-23 In the spring of 1865, when Japan was in the grip of a major civil war, eighteen samurai and an interpreter risked their lives to embark secretly on a voyage to the unknown lands of the barbarian west. Their destination was Britain, at the hub of a vast empire. These were the Satsuma students, some of them still in their teens, all carrying orders from their domains to travel abroad. It was an extraordinary and daring expedition. Their experience of life in the west not only transformed their perception of the outside world but through their diverse activities in later life had a profound impact on commerce, education, and culture in Meiji Japan. First published in 1974, Inuzuka Takaaki's study is still the classic work on the Satsuma students' revealing tale of discovery. In this translation by Andrew Cobbing, further details that have since emerged are also included to give a fresh portrayal, the first in English, of this singular episode in the opening of Japan.

*China Resurrected* Frans-Paul van der Putten, 2025-06-12 China's rise to superpower is seemingly a modern phenomenon, but it has a long history. This book follows China's geopolitical transformation on the world stage from struggling to defend herself against the British in the Opium Wars to rivalling the United States for supremacy. What started as a response to

Europe's colonial influence has gradually become China's quest to take a leading role on the world stage. But how did this happen? And what kind of actor is China as a global great power? The answers to these questions lie in how China has been shaped by its changing relationships with major world powers over the last two centuries. Arguing that a series of military defeats in the Opium Wars, Boxer Crisis and Japanese occupation led to a deep-rooted national sense of geopolitical vulnerability, van der Putten shows how this imbalance of power has resulted in Chinese distrust and uncertainty even after it ceased to be prey to imperialist powers. Tracing China's relations with other major powers over the last 185 years, China Resurrected shows how they have influenced the way in which China itself has become a leading power and what this means for its relations with the West.

Japanese Studies in Britain Hugh Cortazzi, Peter Kornicki, 2005-10-01. This book takes an in-depth look at the study of Japan in contemporary Britain, highlighting the many strengths but also pointing out some weaknesses while at the same time offering a valuable historical record of the origins and development of Japanese Studies in British universities and other institutions. It comprises essays written by scholars from universities all over Britain from Edinburgh and Newcastle to Cardiff, SOAS and Oxbridge as well as contributions from various supporting foundations and organizations from the British Association of Japanese Studies (BAJS) to the Sainsbury Institute for the Study of Japanese Arts and Cultures (SISJAC). It opens with an historical overview by Peter Kornicki followed by chapters on the important role of missionaries in advancing Japanese language studies in pre-war Japan by Hamish Ion and the contribution of the British consular and military officers before 1941 by Jim Hoare. Japanese Studies in Britain gives a snapshot of the present state of Japanese Studies in Britain. It also provides an important new benchmark and point of reference regarding the present options for studying Japan at British universities. It offers in addition a wider perspective on the role, relevance and future direction of Japanese Studies for academia, business and government students planning their future careers and more generally the world of education as well as readers interested in the developing relationship between Britain and Japan.

**Britain in the Far East** Peter Lowe, 1981. En gennemgang af den britiske tilstedeværelse i Fjernøsten i perioden 1819 til 1980 hovedsageligt er lagt på det 19. århundredes fremherskende anglo-kinesiske relationer og første halvdel af det 20. århundrede indtil 1945 hvor forholdet til Japan gradvis forvredes med Japans uerklærede krig mod Kina og optakten til krigsfrelsen i Stillehavet 1937-1941 samt besættelse af Malaysia og Burma 1942.

Japanese Envoys in Britain, 1862-1964 Ian Nish, 2007-05-10. Commissioned by the Japan Society as the companion volume to British Envoys in Japan 1959-1972, 2004, this collection of essays on a century of official Japanese representation in the United Kingdom completes the history of bilateral diplomatic relations up to the mid-1960s concluding with Ambassador Ohno Katsumi's highly successful six-year assignment in 1964. In all twelve authors, half of whom are Japanese, contribute to the work. In addition to the nineteen biographies there are essays on the history of the Japanese Embassy buildings in London, an overview of Japanese envoys in Britain between 1862 and 1872 by Sir Hugh Cortazzi as well as aspects of embassy life which illuminate some of the factors impacting on the life style.

of residents in London in former times including an entertaining personal memoir by Ayako Ishizaka of A Diplomat's Daughter in the 1930s By way of appendix the volume concludes with a short history of the Japanese Ministry of Foreign Affairs Gaimusho up to the present day      *Unbeaten Tracks in Japan* Kiyonori Kanasaka,2025-10-01 Isabella Bird's best selling book on Japan is republished here but with a difference for the first time it is now fully annotated with supporting commentaries providing the twenty first century reader with an enhanced informed view of the new modern Japan as Bird experienced it in 1878 Originally published as a two volume work in 1880 this later abridged version first published in 1885 and promoted as a tale of travel and adventure became one of the best selling travel books published by John Murray it was reprinted numerous times and by different publishers This volume is the original 1885 edition It is not a facsimile but has been reprocessed digitally to enable the annotations to be inserted as well as the 40 copperplate illustrations to be restored to their original quality The commentaries and notes have been written by Kiyonori Kanasaka Japan's leading expert on Isabella Bird who over the past nearly 30 years has retraced Isabella Bird's footsteps in all the parts of the world she visited and knows her travels in Japan intimately See *Isabella Bird and Japan A Reassessment* Renaissance Books 2017 This book will be essential reading for all those interested in the Bird legacy the birth of modern Japan travel writings of the Far East the topography of Japan and Japan's social and political history      **The Diaries and Letters of Sir Ernest Mason Satow (1843-1929), a Scholar-diplomat in East Asia** Ernest Mason Satow,Sir Ernest Mason Satow,1998
