The One Ship Fleet Phillip T. Parkerson, 2023-04-20 If the doings of the U S Navy in World War II are of any interest to you the book is worth a read PowerShips The Brooklyn class light cruiser USS Boise CL 47 was one of the most famous US combat ships of World War II already internationally renowned following her participation in the naval battles in the Solomons in 1942 After repairs and modifications in 1943 the Boise was sent to the Mediterranean theater there to participate in the invasions of Sicily Taranto and Salerno and enhancing her fame by destroying enemy tanks during armored counterattacks in both Sicily and Salerno From the Mediterranean Boise was sent to the Southwest Pacific theater to join the US 7th Fleet for the campaign in New Guinea in 1943 44 and then the invasion of the Philippines She fought in the battle of Leyte Gulf notably in the night engagement in the Surigao Strait where battleships faced off against each other for the last time in maritime history Boise was credited with helping to sink a Japanese battleship She also fought off the suicide planes known as kamikazes at Leyte and later at Lingayen Gulf during the invasion of Luzon MacArthur used her as his flagship for the Luzon attack thereby adding to her already considerable fame then after helping retake Corregidor and other islands in the Philippines Boise carried the general on a triumphant tour of the islands This tour was interrupted

for the invasion of Borneo but completed when the beach was secured After MacArthur left the ship in June 1945 she returned to the US for overhaul which was just complete as the war ended by which time she had been awarded 11 battle stars more than any other light cruiser in her class This full account of USS Boise s war not only gives us an insight into how one ship navigated a global conflict but also an insight into the experiences of the men who served on her and a new perspective on the naval campaigns of the war **Berlingieri on Arrest of Ships Volume I** Francesco

Bareboat Charter (Ship) Registration

Ademuni-Odeke,2023-08-21 This exhaustive book deals with the most important phenomenon in the evolution and development of international ship registration organisation and management Bareboat charters a system of leasing in which a person takes over a vessel for a limited time in return for a payment to the shipowner have become especially popular in the 1980s and 1990s Yet only the odd article or pamphlet has emerged in this vital area no comparable publication exists The uncertainties in this area demand a practical resource National legislation is not synchronised The distinction between bareboat charters and flags of convenience remains unclear These blurred lines and others can have dramatic results leaving ship mortgages unprotected and threatening the vessel s hull policy Bareboat Charter Ship Registration not only places the subject in the context of international law and trade relations it also sets out the country by country practice of all nations offering bareboat charter registration service and examines the determination of the bareboat flag Tables of cases conventions and legislation and an appendix of useful addresses add to the practicality of this book It is therefore a comprehensive easy to follow resource for academics including maritime organisations and schools economists and

researchers as well as an invaluable guide for practitioners such as maritime administrations shipowners and managers insurers and brokers arbitrators and classification societies

Associated Ship and South African Admiralty Jurisdiction Malcolm Wallis, 2010-01-27 The Admiralty Jurisdiction Regulation Act 105 of 1983 was a radical and far reaching as well as overdue modernisation of South African admiralty law Described as bold innovative and comprehensive it introduced for the first time anywhere in the world the provisions enabling an action to be pursued by way of the arrest of an associated ship rather than the ship in respect of which the claim lay This work by one of South Africa's pre eminent shipping lawyers analyses the nature of this novel action That involves a review of how the jurisdiction came about its nature and impact the problems to which it gives rise and the making of some modest suggestions concerning the road ahead
