Introduction to Criminology Frank E. Hagan, Leah E. Daigle, 2019-01-02 This is one of the best texts I have seen in a while It makes the world of criminology less daunting and more relevant Allyson S Maida St John's University Introduction to Criminology Tenth Edition is a comprehensive introduction to the study of criminology focusing on the vital core areas of the field theory method and criminal behavior With more attention to crime typologies than most introductory texts Hagan and Daigle investigate all forms of criminal activity such as organized crime white collar crime political crime and environmental crime The methods of operation the effects on society and policy decisions and the connection between theory and criminal behavior are all explained in a clear accessible manner A Complete Teaching Learning Package

Gender and Crime Sandra L. Browning, Leah C. Butler, Cheryl Lero Jonson, 2024-05-23 This volume takes stock of contemporary perspectives on gender and crime In 1975 Freda Adler published her pathbreaking book Sisters in Crime The Rise of the New Female Criminal She made the bold claim that changes in American society including changing attitudes and opportunities would allow for greater participation of women in criminal enterprises Beyond her substantive thesis which turned out to be partially accurate Adler opened up a vibrant new area within criminology the study of gender and crime Now nearly a half century later the field of criminology is replete

with women scholars who are making plentiful and important contributions As a result this volume explores cutting edge issues Part I starts by laying out a theoretical foundation focusing on the origins of theories of female criminality and then providing an overview of more contemporary perspectives Part II explores the role of race in shaping women s criminality drawing on the novel approaches of Black Criminology and the study of intersectionality Part III gives attention to issues that heretofore were male centric illuminating female desistance from crime the effects of peer groups and gender differences in attitudes toward criminal justice policies Finally Part IV considers the explanation of three important realms of criminality risky lifestyles white collar crime and terrorism This volume will be of interest to a wide range of criminologists and is an ideal choice for use in graduate seminars and upper level undergraduate courses

her toxic garden plants are stolen Clarke quickly involves the reader New York Times **Criminology** Gennaro F. Vito, Jeffrey R. Maahs, Ronald M. Holmes, 2006 Across America crime is a consistent public concern The authors have produced a comprehensive work on major criminological theories combining classical criminology with new topics such as Internet crime and terrorism The text also focuses on how criminology shapes public policy *Federal Probation...*, 1975

The Assessment and Treatment of Women Offenders Kelley Blanchette, Shelley L. Brown, 2006-05-01 There is a large body of research that provides guidance for those working with offenders on how they should be treated once they are in the correctional system The problem is that most if not all this research has been conducted on all male populations and it is assumed that women offenders are the same However women have different needs and support systems than men in some areas of their lives and it is unclear whether all research based on men can be generalized in this way The book provides a review of the research literature to guide evidence based practice in the assessment and treatment of adult female offenders An historical overview of women s crime and imprisonment will be followed by a global review of various theories of female criminality The remainder of the book reviews the psychology of criminal conduct with a specific focus on three psychological principles of effective intervention risk need and responsivity Respectively these principles set the who what and how for correctional intervention
