Spanning a century from Kate Chopin and Fannie Hurst to J California Cooper and Elana Dykewomon this bold and deeply satisfying anthology of women's stories explores women's relationships to and perceptions of their physical selves Addressing the peculiarities the pleasures and the shames of body politics these stories of bodies that refuse to be contained offer a variety of perspectives on fully inhabiting the flesh Whether celebrating bodies deemed transgressive or simply daring to acknowledge that such bodies exist these diverse literary representations of fatness render the excessive body brilliantly unapologetically visible Book jacket **The Inheritors** Brian Penton, 2003 In the Preface to *Inheritors* Brian Penton says the characters are fictional and then comments that this is not to say the book is a work of imagination He acknowledges that he would need a large volume to accurately reflect the many works he drew on for background and period This leaves open to interpretation whether or not the Cabell family in *Inheritors* might have been based on some or the more notorious of Queensland's nineteenth century European settlers This wide ranging saga of family conflict and social injustice leaves few of the skeletons of Queensland colonial past buried It is also known as *Giant's Stride Landtakers* 1934 and *Inheritors* 1936 are two parts of an unfinished trilogy depicting Queensland's early colonial period **The Riverside Magazine for Young People** Horace Elisha Scudder, 1870
