Aliano, 2025-02-07 Immersive Storytelling and Spectatorship in Theatre Museums and Video Games is the first volume to explore immersion as it is experienced in all three of these storytelling forms the theatre museums and historic sites and video games It theorizes what it means for a work to be called immersive and how immersion impacts audience experience in each of these modes The presentation of story is deepened when it involves the spectator in an immersive way Author Kelly I Aliano concentrates on the central idea that the use of immersion in each medium allows the story being told to feel present for the spectator It puts them at the center of the experience making its events for and about them

Throughout the book discusses how immersion is employed to make narrative feel more resonant and relevant for the audience Analyzing the impact of offering a first hand experience of story events this book looks at how immersive storytelling can highlight the ways in which we can interact with and shape our understandings of ourselves and our society as well as our histories and identities Ideal for students scholars and researchers of immersive theatre spectatorship museum studies and video game studies this is an innovative study into the power of immersive storytelling across three interactive mediums A Touch of Drama Guy Cullingford,2015-11-14 Archie Wayne successful playwright could not say what impulse had made him return to the small town of his boyhood On impulse he called on his boyhood friend and the matter would have ended there had he not met and fallen for his friend s daughter the young and innocent Christine Their brief idyll is interrupted by a police enquiry Archie s wife Irma is missing leaving behind a disquieting message and he finds himself suspect number one in a possible murder case But Archie is convinced that Irma is alive and trying to ruin him and tragedy and violence will take their toll on both the guilty and innocent in the search for the truth Acting and Connecting Sonia Zyngier,Anna Chesnokova,2007 This fine collection of papers is the successful outcome of an international research project carried out by advanced undergraduate and graduate students from four different countries Exceptionally the papers do not rehash old ideas or themes but offer a fresh approach to a wide range of topics from language literature and culture This innovative attitude is the result of newly devised empirical methods of research which clearly show that these students are well on their way to becoming inventive and resourceful researchers The book connects three important themes and acts upon them First it provides empirical studies of literary texts and experiences once again proving the value of empirical studies of literature It thereby nicely forecasts the future of literary studies Secondly it highlights the connections between research groups in different continents showing the strength of international collaborations It thereby nicely forecasts the future of intercultural research Thirdly it presents work from students illustrating upcoming talent It thereby nicely forecasts the future of academia *THE ENGLISH THEATRE IN EIGHT VOLUMES* sir John Vanbrugh,Colley Cibber,George Farquhar,Susanna Centlivre,John Hoadly,Thomas Baker,1765 The Story of Manhattan Charles Hemstreet,2016-07-12 The long and narrow Island of Manhattan was a wild and beautiful spot in the year 1609 In this year a little ship sailed up the bay below the island took the river to the west and went on In these days there were no tall houses with white walls glistening in the sunlight no church spires no noisy hum of running trains no smoke to blot out the blue sky None of these things But in their place were beautiful trees with spreading branches stretches of sand hills and green patches of grass In the branches of the trees there were birds of varied colors and wandering through the tangled undergrowth were many wild animals The people of the island were men and women whose skins were quite red strong and healthy people who clothed themselves in the furs of animals and made their houses of the trees and vines *Our Players' Gallery* ,1907 *Calgary's Grand Story* Donald B.
