Sixties Headlines 1989:

Revisiting the Sixties Laura Bieger, Christian Lammert, 2013-11-07 Kubakrise und Vietnamkrieg Bürgerrechtsbewegung und Great Society Woodstock und Mondlandung die Sixties zählen in der Geschichte der USA zu den ereignisreichsten Jahrzehnten überhaupt Wie aber kam es zu den politischen sozialen und kulturellen Umwälzungen dieser Dekade und welche Konflikte sind noch heute virulent Drücken sie dem American Way of Life des 21. Jahrhunderts immer noch ihren Stempel auf Die Autorinnen und Autoren sprechen diesen Fragen nach genau 50 Jahre nachdem John F. Kennedy 1963 den Schüssen von Dallas zum Opfer fiel

The 1960s Cultural Revolution Joel P. Rhodes, 2022-09-13 This book uses evidence based primary source analysis to provide students with the historical perspective necessary to think critically about the romantic memories stubborn stereotypes misperceptions deliberate falsehoods distorted myths and old grudges that distort our popular perceptions of the 1960s Twenty first century Americans routinely use the 1960s as a metaphor a sort of convenient shorthand for the cultural wars that continuous clash over differing values beliefs attitudes and lifestyles still bitterly polarizing the nation Therefore understanding the 1960s cultural revolution is critical to understanding ourselves What this book contributes to that conversation is needed historical perspective with evidence based primary source analysis Ten chapters shed light on ordinarily overlooked aspects of the period challenge stubborn misconceptions and explore the enduring legacy of the 1960s Primary source material both written and visual is drawn from archival holdings newspapers published proceedings oral histories and memoirs in order to present a balanced accessible examination of mistaken beliefs and the historical truths

Sixties Shockers Mark Clark, Bryan Senn, 2025-03-06 This comprehensive filmography provides critical analyses and behind the scenes stories for 600 horror science fiction and fantasy films from the 1960s During those tumultuous years horror cinema flourished proving as innovative and unpredictable as the decade itself Representative titles include Night of the Living Dead The Haunting Carnival of Souls Repulsion The Masque of the Red Death Targets and The Conqueror Worm An historical overview chronicles the explosive growth of horror films during this era as well as the emergence of such dynamic directorial talents as Roman Polanski George Romero Francis Ford Coppola and Peter Bogdanovich

Audio Video Review Digest, 1990 *The Sixties in America: School desegregation-Zappa*, Frank Carl Singleton, Rowena Wildin, 1999 Contains alphabetically arranged entries that survey the events and people of the 1960s discussing their impact on the life and culture of the United States

Historical Dictionary of the 1960s James S. Olson, 1999-12-30 Few eras in U.S. history have begun with more optimistic promise and ended in more pessimistic despair than the 1960s When JFK became president in 1960 the U.S. was the hope of the world Ten years later American power abroad seemed wasted in the jungles of Indochina and critics at home cast doubt on whether the U.S. was really the land of the free and the home of the brave This book takes an encyclopedic look at the decade at the individuals who shaped the era the civil rights movement the antiwar movement the women's movement and the youth rebellion It covers the political

military social cultural religious economic and diplomatic topics that made the 1960s a unique decade in U S history *The Life and Death of a Rural American High School (1995)* Deyoung Alan, 2017-12-22 Published in 1995 this book provides an account of a detailed research project focusing on a rural school in West Virginia Researched from several social science perspectives the book strives to capture intersections between biography and history in a particular public school Burnsville High and Middle school in Braxton County that has been influenced by social political and economic forces eventually leading to its closure The author also discusses how the example of this school can be applied within the framework of American public education and Western culture itself Based on research from unstructured interviews oral histories historical records and intermittent fieldwork that took place between 1989 and 1992 the book provides an in depth look at a specific school offering a basis for discussing rural schools in general It challenges the idea that bigger schools are better and more efficient schools in terms of the individual the social life of the school and the surrounding community and considers the lack of scholarly accounts available on the issues controversies and social dynamics that surround these vital community matters

New York Stories Editors of New York Magazine, 2010-06-23 The magazine that is the city that is the world Just in time for its fortieth anniversary New York magazine presents a stunning collection of some of its best and most influential articles stories that captured the spectacle the turbulence and the cultural realignments of the past four decades Covering subjects from Radical Chic to Gawker com written by some of the country s most renowned authors here are works that broke news perfectly captured the moment or set trends in motion In New York Stories Gloria Steinem whose Ms Magazine was introduced in New York broaches the subject of women s liberation Tom Wolfe coins The Me Decade and Steve Fishman piercingly portrays the unwanted martyrdom of the 9 11 widows Cutting edge features that invented terms like brat pack and grup profiles of defining cultural figures including Joe Namath Truman Capote and long shot presidential candidate Bill Clinton and reports that inspired the acclaimed movies Saturday Night Fever GoodFellas and Grey Gardens all are included in this one of a kind compilation The writers who chronicled the times that began with Nixon s campaign and end with Obama s are at their best in New York Stories It s an irresistible anthology from a magazine that like the city itself is still making stars setting standards and going strong *Chinese America: History and Perspectives 1990* , Cosby Ronald L. Smith, 1993 This work is about strategies American companies should use when doing business with China It demonstrates the benefits of co operation such as the path breaking 2005 deal between IBM s consumer computer division and China s Legend resulting in the creation of China s Lenovo Computer Company The authors review other examples of US Chinese joint ventures and present new strategies for how American and Chinese firms can work together in areas and ways that are presently untapped Chinese companies are moving into position now to quickly emerge as giant multinationals that displace or acquire Fortune 1000 companies sooner than many anticipate That is why this is such an important and compelling work that will become a must read for corporate executives concerned about their existing and future business in China A western

company without a carefully laid out China Strategy will find it increasingly difficult to remain profitable in other markets And the China Strategies of most American companies have not been as successful as China s Strategy of dealing with its competitors So how can a foreign company profit from China s emerging global economic dominance Western companies and governments that focus on strategies that fulfil the needs of China and Chinese trading partners will have advantages over their competitors who do not This controversial book reveals the key fallacies American political and business leaders face in the relationship between American and Chinese styles of capitalism and government Collaborating profitably with emerging giant global Chinese corporations may be a more rewarding strategy than ignoring them or trying to compete with them This title s new win win strategic approach is the only alternative to America and China remaining competitors and slipping into trade war Cold War armed conflict and ecological catastrophe These related books provide the urgently needed new perspectives and blueprints necessary to build the global strategic partnerships and shared prosperity between American and Chinese companies
