*Strings Attached* Roy Schlemme, 2012-03-22 Decisions Decisions There come times in one's life when important choices have to be made and this is one of them We'll assume that as a wise and thoughtful soul after perusing and thoroughly enjoying Roy Schlemme's *Strings Attached* you find yourself ready to seek further like minded cartoon enjoyment Well here are five possibilities from which to pick Your big problem obviously a tough choice is which of Schlemme's books to order We could say Get all five but that would label us crass commercialists All are published by authorhouse.com in paperback with most also available as E books Order wisely and well A cartoonist's career is at stake here **Pull In Case of Boredom** Roy Schlemme, 2011-09-23 Just finished *Pull In Case Of Boredom* and still find yourself chuckling You sound like a prime candidate for one of Schlemme's other humorous efforts which include *Skewed Views* *Skewed Views Too* *The Moon's First Banana* *Lightin' Up* All are available from AuthorHouse and may be ordered on the web at authorhouse.com **Lightin' Up** Roy Schlemme, 2011-02 Guaranteed to brighten the day of both friends and relatives Roy Schlemme's astute visual observations and wry commentary on the human condition provide a wonderfully entertaining respite from the humdrum of our everyday routine As for those who'd like to see a bit more of Schlemme's work three other books *Skewed Views* *Skewed Views Too* and *The Moon's First Banana* are also available gift giving ideas ideal for those with a slightly bent sense of humor

[Songs to the Wise 1](#) Michel-Pierre Huppé, 2016-07-14 *Songs to the Wise 1* takes on a simple yet sizeable challenge to impart profound knowledge practical skills and universal truths in an immediately useful way and in as few words as possible Combining the power and play of rhyme with the author's extensive reading history and rich life experience it's packed with wise words pithy messages and tangible takeaways to improve every aspect of one's life Whether read at length or browsed at leisure it will provide timely answers in challenging times clear guidance where maps have become scarce and balanced perspective as we journey through this world **Telling it Straight** Marina Mahathir, 2012 An outspoken commentator on Malaysia's social and political affairs Marina Mahathir takes on the issues ideas and institutions of the day in her latest book *Telling it Straight* She highlights unpalatable truths derides tired old ways and challenges the status quo She asks the questions that need to be asked and is unafraid of proposing solutions In *Telling it Straight* she touches on subjects as diverse as human trafficking the underclass flashmobs Islamic law enforcement corruption and plain idiocy She defends the rights of the discriminated and makes clear her stand for individual integrity and her respect for diversity and dissent Marina's fortnightly column has been published in *The Star* newspaper for more than 20 years *Telling it Straight* contains the best of her columns published from 2003 to 2012 as well as the original versions of several pieces that were banned spiked or censored Her columns are presented thematically many of them with specially written introductions that provide context to the issues with which they deal The book also includes a foreword by renowned political scientist and historian Dr Farish Noor Indispensable to every Malaysian and everyone who wants to know Malaysia *Telling it Straight* is a lively exploration

into the nation's psyche and a common sense manifesto for a better future      *The Eye of the Storm* Rob Wilson,2014-07-22  
MPs expenses in 2009 Phone hacking in 2011 Plebgate in 2012 If a good speech or a ground breaking new policy fails to get people talking you can be sure a juicy scandal will do the trick Our instantaneous news culture of social networks blogs and Twitter feeds means politicians now more than ever can find themselves the focus of every journalist in the country in what seems like the blink of an eye But behind this hostile media landscape behind the storm of camera flashes and the clamour of opponents on all sides baying for blood are the politicians themselves With the benefit of personal interviews and access to senior officials including Vince Cable Andrew Mitchell and Jeremy Hunt Rob Wilson MP details what it's really like to be at the heart of a relentless media onslaught Describing both the emotional upheaval and the strategies employed as politicians try to navigate through careers seemingly hanging by a thread Wilson reveals the extraordinary political and personal stories behind the public drama the real impact on those who live in the eye of the storm      *Goodbye Mr. Ex* Marina Pearson,2013  
Pearson identifies what keeps most women struggling in the pain and anger of their ex relationships and why they keep having their buttons pushed She offers a pro active approach to free women from their pasts in a quick and painless fashion

mysteries and the only way to break free he believes is by plotting his own little revolution What could that be Certainly not what he had intended *The Black List, Part 1* D.D.K.,2019-06-17 This epic masterpiece of literature tells the story of one man s musical and personal journey It is told and written as an autobiography *Fires of Winter* Roberta Gellis,2011-11 A sparkling prize the beautiful Mellusine of Ulle is awarded to the bastard born Bruno of Jernaeeve as a spoil of war Bruno vows to tame the rebellious spirit of the captive beauty but ultimately surrenders to her charms Born of different worlds joined in the flames of passion and intrigue they find new strength in each other s arms and a burning love that defies all eternity

Memories of Lincoln and the Splintering of American Political Thought Shawn J. Parry-Giles,David S. Kaufer,2017-05-15 In the aftermath of the Civil War Republicans and Democrats who advocated conflicting visions of American citizenship could agree on one thing the rhetorical power of Abraham Lincoln s life This volume examines the debates over his legacy and their impact on America s future In the thirty five years following Lincoln s assassination acquaintances of Lincoln published their memories of him in newspapers biographies and edited collections in order to gain fame promote partisan aims champion his hardscrabble past and exalted rise and define his legacy Shawn Parry Giles and David Kaufer explore how style class and character affected these reminiscences They also analyze the ways people used these writings to reinforce their beliefs about citizenship and presidential leadership in the United States with specific attention to the fissure between republicanism and democracy that still exists today Their study employs rhetorical and corpus research methods to assess more than five hundred reminiscences A novel look at how memories of Lincoln became an important form of political rhetoric this book sheds light on how divergent schools of U S political thought came to recruit Lincoln as their standard bearer *Just Watch Me* Ronald Coleman,2003 Just Watch Me was the expression used by Trudeau when challenged by a reporter regarding his use of power during the FLQ crisis in Canada in 1970 This book traces the source of Trudeau s political groundings and his world travels after his formal education It examines his early work in Quebec and the formation of alliances within that community After being convinced that he could acheive more at the federal level it explores his initial activites and policy changes as the Prime Minister Just Watch Me demonstrates his politicalization of the federal civil service RCMP and the military It exposes his moves to consolidate power by centralizing it one of the key aspects of socialism It explores his lack of principles and ethics and his revisionist thinking regarding Canadian history The book explores the moral makeup of politicians prevalent in Canada and other democracies as well and seeks to reveal their shortcomings These character flaws eventually become embedded in the party and subvert political proccess Trudeau altered Canadian political institutions and the bureaucracy to moribund shells and bloated francophone reservoirs respectively filled with political hacks party loyalists and party bag men incapable of performing their functions Trudeau employed reverse discrimination in order to favor one ethnic group over others He went so far as to embed the mechanism to do so in the Charter of Rights and Freedoms His brand of socialism transformed segments of Canadian culture from independence thus stripping them of their self reliance

and self respect He used his power to interfere in the economy institute unnecessary social policies drive down production and plunge the country into debt and deficits unknown except in wartime He was in constant conflict with other levels of government and was incapable of developing policies and plans that were good for Canadians and Canada Internationally he oversaw the transformation of a middle power to a little power His anti Americanism and pro communist leanings put Canada at odds with her closest ally and neighbour Trudeau s anti military and anti nuclear stance resulted in the eventual neutering of the Canadian military In the end he squandered billions on bilingualism the bureaucracy the arts and Quebec His governments were only about elevating Quebec and Quebecers to political power In summary he revolutionized Canada while most of Canada slumbered on This book exhorts Canadians to take back political power through the only tool they have left the vote It asks them to carefully examine their political candidates and eliminate those whose character is lacking or unlikely to withstand the assault that the party can bring to bear It encourages Canadians to reform their political institutions and finally to reserve the trend towards socialism a trend that can only be destructive as evidenced in so many countries that have tried it

*Language in Cognition* Pieter A. M. Seuren, 2009-02-26 *Language in Cognition* argues that language is based on the human construal of reality Humans refer to and quantify over virtual entities with the same ease as they do over actual entities the natural ontology of language the author argues must therefore comprise both

actual and virtual entities and situations He reformulates speech act theory suggesting that the primary function of language is less the transfer of information than the establishing of socially binding commitments or appeals based on the proposition expressed This leads him first to a new analysis of the systems and structures of cognitive language machinery and their ecological embedding and finally to a reformulation of the notion of meaning in which sentence meaning is distinguished from lexical meaning and the vagaries and multifarious applications of lexical meanings may be explained and understood This is the first of a two volume foundational study of language published under the title Language from Within Pieter Seuren discusses and analyses such apparently diverse issues as the ontology underlying the semantics of language speech act theory intensionality phenomena the machinery and ecology of language sentential and lexical meaning the natural logic of language and cognition and the intrinsically context sensitive nature of language and shows them to be intimately linked Throughout his ambitious enterprise he maintains a constant dialogue with established views reflecting on their development from Ancient Greece to the present The resulting synthesis concerns central aspects of research and theory in linguistics philosophy and cognitive science

**Untrue** Wednesday Martin, 2018-09-18 From the 1 New York Times bestselling author of Primates of Park Avenue a bold timely reconsideration of female infidelity that will upend everything you thought you knew about women and sex What do straight married female revelers at an all women's sex club in LA have in common with nomadic pastoralists in Namibia who bear children by men not their husbands Like women worldwide they crave sexual variety novelty and excitement In ancient Greek tragedies Netflix series tabloids and pop songs we've long portrayed such cheating women as dangerous and damaged We love to hate women who are untrue But who are they really And why in this age of female empowerment do we continue to judge them so harshly In Untrue feminist author and cultural critic Wednesday Martin takes us on a bold fascinating journey to reveal the unexpected evolutionary legacy and social realities that drive female faithlessness while laying bare our motivations to contain women who step out Blending accessible social science and interviews with sex researchers anthropologists and real women from all walks of life Untrue challenges our deepest assumptions about ourselves monogamy and the women we think we know From recent data suggesting women may struggle more than men with sexual exclusivity to the revolutionary idea that females of many species evolved to be promiscuous to Martin's trenchant assertion that female sexual autonomy is the ultimate metric of gender equality Untrue will change the way you think about women and sex forever

**The Failure of National Rural Policy** William Paul Browne, 2001 Modern farm policy emerged in the United States in 1862 leading to an industrialized agriculture that made the farm sector collectively more successful even as many individual farmers failed Ever since a

healthy farm economy has been seen as the key to flourishing rural communities and the problems of rural nonfarmers former farmers nonfarm residents and unfarmed regions were ignored by policymakers In *The Failure of National Rural Policy* William P Browne blends history politics and economics to show that federal government emphasis on farm productivity has failed to meet broader rural needs and actually has increased rural poverty He explains how strong public institutions which developed agrarianism led to narrowed concepts of the public interest Reviewing past efforts to expand farm policy benefits to other rural residents Browne documents the fragmentation of farm policy within the agricultural establishment as farm services grew the evolution of political turf protection and the resultant difficulties of rural advocacy Arguing for an integrated theory of governing institutions and related political interests he maintains that nonfarm rural society can make a realistic claim for public policy assistance Written informally each chapter is followed by comments on the implications of its topics and summaries of key points The book will serve as a stimulating text for students of public policy national affairs rural sociology and community development as well as anyone concerned with the future of agrarian America

**Carpe Diem Redeemed** Os Guinness, 2019-09-24 How do we make the most of the time we have In our harried modern world Os Guinness calls us to consequential living restructuring our notion of history as linear and purposeful not as cyclical or meaningless We can seek to serve God's intentions for our generation and discern our call for this moment in history
