Skid Row An Institutional Analysis

Edna Molina-Jackson

Skid Row An Institutional Analysis:

Homeless Lives in American Cities P. Webb, 2014-08-07 Homeless Lives in American Cities explores how the American discourse on homelessness arose from Victorian social and political anxieties about the impacts of immigration and urbanization on the middle class family It demonstrates how contemporary social work and policy emerge from Victorian cultural attitudes

Resources in Education, 1986 *The Hobo: The Sociology of the Homeless Man* Nels Anderson, 2022-08-21 In *The Hobo The Sociology of the Homeless Man* Nels Anderson presents a pioneering sociological exploration of the transient individuals who populate America's railroads and urban landscapes during the early 20th century Anderson employs a blend of ethnographic observation and sociological analysis detailing the lived experiences beliefs and societal perceptions of hobos Through meticulous fieldwork and interviews he sheds light on the complex social structures within transient communities emphasizing themes of identity resilience and the interplay between individual agency and systemic forces The book is a seminal contribution to the sociology of homelessness contextualizing the hobo phenomenon against the backdrop of economic disparity and social change in America post World War I Nels Anderson a sociologist and hobo himself drew on his firsthand experiences and extensive field research to provide a voice to a marginalized population often overlooked by mainstream society His academic background and personal insights into the hobo lifestyle inform the critical lens through which he analyzes the social fabric surrounding these individuals This dual perspective lends authenticity to his findings making the work both informative and empathetic I highly recommend *The Hobo The Sociology of the Homeless Man* to readers interested in sociology social justice and the history of American subcultures Anderson's compassionate yet critical narrative urges us to reconsider preconceived notions about homelessness and invites a deeper understanding of the social forces that shape human lives In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work's timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era's events and influences that shaped the writing An Author Biography reveals milestones in the author's life illuminating the personal insights behind the text A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work's messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

Document Retrieval Index, 1976

Psychological and Social Factors in Drinking and Treatment and Treatment Evaluation Morris E. Chafetz, 1973

Homeless Ella Howard, 2013-02-21 Homeless explores the efforts of private and public institutions to solve the problem of homelessness by tracing the rise and fall of skid rows in America through the lens of New York's Bowery Crowded onto skid rows the homeless lived apart from the middle classes who saw them as an aberrant population **The**

Federal Response to the Homeless Crisis United States. Congress. House. Committee on Government Operations. Intergovernmental Relations and Human Resources Subcommittee, 1985

Perspectives on Marginality: Understanding Deviance James R. McIntosh, 1974

Research in Education, 1974

An ^AEqual Place Scott L. Cummings, 2021-01-04

In *An Equal Place* Scott Cummings focuses on the movement for a living wage in Los Angeles and explores greater implications for the role of contemporary lawyers outside of the courtroom The campaign to implement a living wage in L A was the most famous effort in the country and advocates for it were largely successful in part because they used the law to advance their agenda

The Routledge Handbook on Spaces of Urban Politics Kevin Ward, Andrew E. G. Jonas, Byron Miller, David Wilson, 2018-04-17

The Routledge Handbook on Spaces of Urban Politics provides a comprehensive statement and reference point for urban politics The scope of this handbook s coverage and contributions engages with and reflects upon the most important innovative and recent critical developments to the interdisciplinary field of urban politics drawing upon a range of examples from within and across the Global North and Global South This handbook is organized into nine interrelated sections with an introductory chapter setting out the rationale aims and structure of the Handbook and short introductory commentaries at the beginning of each part It questions the eliding of urban politics into the politics of the city reconsidering the usefulness of the distinction between old and new urban politics considering issues of class gender race and the ways in which they intersect appear and reappear in matters of urban politics how best to theorize the roles of capital the state and other actors such as social movements in the production of the city and finally issues of doing urban political research The various chapters explore the issues of urban politics of economic development environment and nature in the city governance and planning the politics of labour as well as living spaces The concluding sections of the Handbook examine the politics over alternative visions of cities of the future and provide concluding discussions and reflections particularly on the futures for urban politics in an increasingly global and multidisciplinary context With over forty five contributions from leading international scholars in the field this handbook provides critical reviews and appraisals of current conceptual and theoretical approaches and future developments in urban politics It is a key reference to all researchers and policy makers with an interest in urban politics

Women's Homelessness in Europe Paula Mayock, Joanne Bretherton, 2017-02-08

This book marks a critical contribution in assessing and extending the evidence base on the causes and consequences of women s homelessness Drawing together work from Europe s leading homelessness scholars it presents a multidisciplinary and comparative analysis of this acute social problem including its relationship with domestic violence lone parenthood motherhood health and well being and women s experience of sustained and recurrent homelessness Working from diverse perspectives the authors look at the responses to women s homelessness in differing cultures and regions and within various forms of welfare states They focus in particular on relating the gender dimensions of

welfare and social policy to women s experiences when they become homeless This innovative and timely edited volume will appeal to students and scholars of sociology social policy anthropology and gender and women s studies along with international policy makers Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1977

Readings in Urban Analysis Robert W. Lake,2017-07-05 This important work brings together a range of perspectives in contemporary urban analysis The field of urban analysis is characterized by the multiplicity of approaches philosophies and methodologies employed in the examination of urban structure and urban problems This fragmentation of perspectives is not simply a reflection of the multifaceted and complex nature of the city as subject matter Nor is it a function of the variety of disciplines such as geography planning economics history and sociology Cross cutting all of these issues and allegiances has been the emergence in recent years of a debate on fundamental issues of philosophy ideology and basic assumptions underlying the analysis of urban form and structure The notion of urban analysis Robert W Lake discusses focuses on the spatial structure of the city its causes and its consequences At issue is the city as a spatial fact a built environment with explicit characteristics and spatial dimensions a spatial distribution of population and land uses a nexus of locational decisions an interconnected system of locational advantages and disadvantages amenities and dis amenities Beginning with landmark articles in neo classical and ecological theory the reader covers the latest departures and developments Separate sections cover political approaches to locational conflict institutional influences on urban form and recent Marxist approaches to urban analysis Among the topics included are community strategies in locational conflict the political economy of place the role of government and the courts institutional influences in the housing market and the relationship between urban form and capitalist development This is a valuable introductory text for courses in urban planning urban geography and urban sociology **Research Awards Index , Homeless Not Hopeless** Edna Molina-Jackson,2008-08-28 The importance of moving toward a national policy to end homelessness is crucial In this striking examination of the roles that homeless people and the U S government play in causing and curtailing the escalating phenomena of homelessness Edna Molina Jackson asserts that there is a great need to alter the socio economic structures that generate extreme and entrenched forms of poverty that lead to homelessness Homeless Not Hopeless explores the role social networks play in the daily survival of homeless Latino and African American men Using a qualitative research design author Molina Jackson observes how these men initiate participate in and maintain social networks and how these networks function The findings support a more empowering view of homeless men as active rational and competent actors engaged in negotiating their social world Members rely on social networks composed of a hierarchy of casual and intimate affiliations The networks of Americanized Latinos and African Americans facilitate their integration into a subculture of street life while those of recent immigrant Latinos revolve around their struggles to find work avoid deportation and enlist the support of paisanos The Deviant Mystique Scott Grills,Robert Prus,2003-02-28 Adopting a symbolic interactionist perspective and building extensively

on the ethnographic research tradition this book analyzes the mystique that often accompanies deviance by examining deviance as an ongoing feature of community life. Because deviance is approached in nonprescriptive ways as a product of community interchange, the emphasis here is on the ways in which deviance is defined, engaged, and regulated. It is examined as the product of human association as something that is generated by people as they interact with one another, assume viewpoints, and initiatives, and try to influence and resist one another within the context of community life. Prus and Grills do not attempt to address various deviant behaviors; instead, they provide readers with a glimpse into how deviance is formulated, practiced, viewed, and treated. Who defines deviance? Why? What are the effects of deviance on others? How do subcultures form? These and other questions are answered in this unique approach to the study of deviance. Providing a conceptually coherent framework for approaching the study of deviance as an ongoing feature of the human community, the authors pay special attention to the many theaters of operation in which people come together and engage one another with respect to morality and deviance. Recognizing that audience definitions of deviance are pivotal to community notions of reality and actual interaction, consideration is given to the interrelated processes of defining deviance, identifying deviants, regulating deviance informally and formally, and experiencing treatment and disinvolvement. This thoughtful consideration serves to shed new light on the mystique that has been created around ideas about deviance. *Choice*, 1980

The Enthralling World of Kindle Books: A Detailed Guide Revealing the Benefits of Kindle Books: A World of Convenience and Versatility E-book books, with their inherent mobility and simplicity of access, have freed readers from the limitations of hardcopy books.
