Pickering amply demonstrates Pickering's amazing powers of perception and gives us insight into the mind of a writer nearly obsessed with turning his back on the conventional trappings of American success a writer who seems to prefer lying squirrel's eye level next to a bed of daffodils in the spring or trespassing on someone else's property to pursue a jaunt through joe pye weed and goldenrod Indeed Pickering's philosophy at least on paper may very well be Now is the only time If you haven't met Sam Pickering before prepare to be surprised and delighted by these wry and sometimes self deprecating essays that are witty and elegant and concrete yet wander widely and include Pickering's well trod fictional Southern town of Carthage Tennessee full of strange goings on This definitive collection of the best of Pickering is a must for Pickering fans and a fine introduction for the uninitiated to one of our greatest men of letters **Harper's Weekly** John Bonner, George William Curtis, Henry Mills Alden, Samuel Stillman Conant, Montgomery Schuyler, John Foord, Richard Harding Davis, Carl Schurz, Henry Loomis Nelson, John Kendrick Bangs, George Brinton McClellan Harvey, Norman Hapgood, 1911 The Gem of Gems, 1881 **Rx For Worry** James P. Gills, 2012-04-11 Do not worry about your life what you will eat or drink or about your body what you will wear Who of you by worrying can add a single hour to his life Matthew 6 25 27 Jesus gives us a clear command about worry Don't do it Yet worry is a highly contagious disease in many lives It can seem unstoppable But there is a cure being thankful Many people think of worry as worrying about the future and thankfulness as being thankful for the past This book joins the two together Help against worry is found in being thankful for our present relationship with God and being thankful that He is in control of the future
