Sky Man On The Totem Pole:

Sky Man on the Totem Pole? Christie Harris, 1975 A retelling of Northwest Indian legends exploring their possible basis in actual events from a space age perspective **A Totem Pole History** Pauline R. Hillaire, 2022-07-25 Joseph Hillaire Lummi 1894 1967 is recognized as one of the great Coast Salish artists carvers and tradition bearers of the twentieth century In *A Totem Pole History* his daughter Pauline Hillaire Sc lla Of the Killer Whale who is herself a well known cultural historian and conservator tells the story of her father s life and the traditional and contemporary Lummi narratives that influenced his work *A Totem Pole History* contains seventy six photographs including Joe s most significant totem poles many of which Pauline watched him carve She conveys with great insight the stories teachings and history expressed by her father s totem poles Eight contributors provide essays on Coast Salish art and carving adding to the author s portrayal of Joe s philosophy of art in Salish life particularly in the context of twentieth century intercultural relations This engaging volume provides an historical record to encourage Native artists and brings the work of a respected Salish carver to the attention of a broader audience Young Adult Science Fiction C. W. Sullivan III, 1999-03-30 At the close of the nineteenth century American youths developed a growing interest in electricity and its applications machines and gadgetry When authors and publishers recognized the extent of this interest in technology they sought to create reading materials that would meet this market need The result was science fiction written especially for young adults While critics tended to neglect young adult science fiction for decades they gradually came to recognize its practical and cultural value Science fiction inspired many young adults to study science and engineering and helped foster technological innovation At the same time these works also explored cultural and social concerns more commonly associated with serious literature Nor was young adult science fiction a peculiarly American phenomenon authors in other countries likewise wrote science fiction for young adult readers This book examines young adult science fiction in the U S and several other countries and explores issues central to the genre The first part of the book treats the larger contexts of young adult science fiction and includes chapters on its history and development Included are discussions of science fiction for young adults in the U S and in Canada Great Britain Germany and Australia These chapters are written by expert contributors and chart the history of young adult science fiction from the nineteenth century to the present The second section of the book considers topics of special interest to young adult science fiction Some of the chapters look at particular forms and expressions of science fiction such as films and comic books Others treat particular topics such as the portrayal of women in Robert Heinlein s works and representations of war in young adult science fiction Yet another chapter studies the young adult science fiction novel as a coming of age story and thus helps distinguish the genre from science fiction written for adult readers All chapters reflect current research and the volume concludes with extensive bibliographies Looking at Totem Poles Hilary Stewart, 2009-09-01 Magnificent and haunting the tall cedar sculptures called totem poles have become a distinctive symbol of the native people of the Northwest Coast The

powerful carvings of the vital and extraordinary beings such as Sea Bear Thunderbird and Cedar Man are impressive and intriguing In Looking at Totem Poles Hilary Stewart describes the various types of poles their purpose and how they were carved and raised She also identifies and explains frequently depicted figures and objects Each pole shown in a beautifully detailed drawing is accompanied by a text that points out the crests figures and objects carved on it Historical and cultural background are given legends are recounted and often the carver s comments or anecdotes enrich the pole s story

Photographs put some of the poles into context or show their carving and raising **Becoming Tsimshian** Christopher F. Roth,2011-01-01 The Tsimshian people of coastal British Columbia use a system of hereditary name titles in which names are treated as objects of inheritable wealth Human agency and social status reside in names rather than in the individuals who hold these names and the politics of succession associated with names and name taking rituals have been and continue to be at the center of Tsimshian life Becoming Tsimshian examines the way in which names link members of a lineage to a past and to the places where that past unfolded At traditional potlatch feasts for example collective social and symbolic behavior gives the person to the name Oral histories recounted at a potlatch describe the origins of the name of the house lineage and of the lineage s rights to territories resources and heraldic privileges This ownership is renewed and recognized by successive generations and the historical relationship to the land is remembered and recounted in the lineage s chronicles or adawx In investigating the different dimensions of the Tsimshian naming system Christopher F Roth draws extensively on recent literature archival reference and elders in Tsimshian communities Becoming Tsimshian which covers important themes in linguistic and cultural anthropology and ethnic studies will be of great value to scholars in Native American studies and Northwest Coast anthropology as well as in linguistics **Catalog of Copyright Entries. Third Series** Library of

Congress. Copyright Office,1976 **Postcolonialism and Science Fiction** J. Langer,2011-12-15 Using close readings and thematic studies of contemporary science fiction and postcolonial theory ranging from discussions of Japanese and Canadian science fiction to a deconstruction of race and post colonialism in World of Warcraft This book is the first comprehensive study of the complex and developing relationship between the two areas **The Christie Harris Papers** University of Calgary. Libraries. Special Collections Division,Marlys Chevrefils,Apollonia Steele,Alexandra A. West,2000 **Northern Stars** David G. Hartwell,Glenn Grant,2017-03-21 From the earliest days of modern science fiction Canada has given readers some of the most important authors in the field and many of the finest stories World Fantasy Award winning editor David G Hartwell has teamed up with Canadian writer and critic Glenn Grant to compile Northern Stars an anthology of stories by the writers who have built Canada s rich science fiction tradition Now in paperback for the first time Northern Stars is the definitive overview of science fiction s northern frontier a valuable addition to any fan s library Contributors include Joel Champetier Lesley Choyce Michael G Coney Charles de Lint Candace Jane Dorsey Dave Duncan James Alan Gardner William Gibson Phyllis Gotlieb Glenn Grant Terence M Green Eileen Kernaghan Donald M Kingsbury Judith Merrill Yves Meynard John

The Best Native American Myths, Legends, and Folklore Vol. 3 G.W. Mullins, 2018-02-06 Continuing the series The Best Native American Myths Legends and Folklore Volume 3 offers an enjoyable look into the history of the Native American Indian Before the time of books computers tablets and recording devices the history of many cultures was passed down from person to person by word of mouth The rich histories of so many people were told in songs chants poems and stories This was and still is the way of Native American tribes Each in its own way enriching their stories with their own experiences By reliving these stories and songs we have the opportunity to bring life back to the ancient spirits that created them We have a chance to walk with the spirits of the past Being there were so many different tribes with countless beliefs and customs the only way to understand their ways is through understanding their stories In this book I have endeavored to show a wide landscape of different tribes and hopefully present a true look at their beliefs Among the stories included in this collection are The Alligator and The Hunter Mistakes of Old Man The Badger and the Bear The Bird Tribes The Spider Woman and the Twins The Woman and Her Bear Creation Story Yaponcha The Wind God How Fire Came To the Six Nations The Origin of the Prairie Rose The Bird Whose Wings Made the Wind A Widow's Revenge The Story of a Poor Man Heavy Collar and the Ghost Woman Bluejay Finds a Wife The Medicine Grizzly Bear A Little Brave and the Medicine Woman The Man Who Was Afraid of Nothing The Simpleton's Wisdom Crossing the Red Sea Wakiash and the First Totem Pole and many more

Red Sky's a Blazin' Norm Sharbaugh, 2008-10 To reach souls for Christ and counter the philosophies of those advocates of church growth that eliminate such scriptural doctrines as sin judgment and Hell Red Sky's a Blazin' is presented to you This book is a collection of awesome prophetic end time events recorded in the Bible that not even Hollywood with all its money and technology could come anywhere near dramatizing If you have had difficulties understanding prophecy Norm Sharbaugh's simple no nonsense straightforward approach to God's Word in Red Sky's a Blazin' is an absolute must read book The author brings to this work over 130 illustrations from his 39 year preaching ministry Many are from his personal experiences For those that are busy in the ministry this book could be a great aid in preparing Bible lessons and sermons Norm Sharbaugh is a graduate of St Joseph's College in Rennselaer Indiana with a degree in biology While teaching religion and science related subjects at a catholic high school and coaching basketball at a local college in Grand Rapids he received Christ as his Savior He attended Grand Rapids Baptist Seminary He met and married Teri Hubble and they now have six children and fifteen grandchildren Norm has been an evangelist for 39 years and has held over 1400 revival evangelistic prophecy and creation meetings He has authored three books The present one Red Sky's a Blazin' The Treasure in Earthen Vessels and Ammunition For Piercing the Armor of the Philosophy of

Evolution His wife Teri has authored an exciting novel *Compelled to Love a Stranger* The two presently live in Brownsburg Indiana Check out Norm s website at www.normsplace.homestead.com *Indian Legends of the Pacific Northwest* Ella E. Clark,2023-11-15 This collection of more than one hundred tribal tales culled from the oral tradition of the Indians of Washington and Oregon presents the Indians own stories told for generations around their fires of the mountains lakes and rivers and of the creation of the world and the heavens above Each group of stories is prefaced by a brief factual account of Indian beliefs and of storytelling customs *Indian Legends of the Pacific Northwest* is a treasure still in print after fifty years This collection of more than one hundred tribal tales culled from the oral tradition of the Indians of Washington and Oregon presents the Indians own stories told for generations around their fires of the mountains lakes and rivers and of the crea

Materials and Human Resources for Teaching Ethnic Studies Francesco Cordasco,1978 Canadian Literary Landmarks John Robert Colombo,1984-01-01 Canadian Literary Landmarks *Totempole* Sanford Friedman,2014-09-02 Totempole is Sanford Friedman s radical coming of age novel featuring Stephen Wolfe a young Jewish boy growing up in New York City and its environs during the Depression and war years In eight discrete chapters which trace Stephen s evolution from a two year old boy to a twenty four year old man Friedman describes with psychological acuity and great empathy Stephen s intellectual moral and sexual maturation Taught to abhor his body for the sake of his soul Stephen finds salvation in the eventual unification of the two the recognition that body and soul should not be partitioned but treated as one being one complete man Materials and Human Resources for Teaching Ethnic Studies Social Science Education Consortium,1975 **Supernatural Tales Of The Native American Indians** G.W. Mullins,2018-02-06 Native American Mythology began long before the European settlers arrived on North American soil Contrary to popular beliefs there is more to Native American Folklore than stories of buffalo hunts teepee living and animal stories Hundreds of tribes throughout North American created a huge mythological system that has rivaled that of the Greeks Since the beginning of time every civilization has presented its own collection of strange tales and folklore The Native American Indians are no different Many of their stories included giants hideous creatures ghosts beings from the spirit world witches and many others These creatures have haunted various corners of North America for thousands of years The stories have been handed down from generation to generation Some stories are amusing while others are meant to be a terrifying lesson in life and contain eerie details and gruesome facts that will make your skin crawl The stories collected in this book represent some of the best to be found Many are about ghosts and their interaction with the living some evil in nature while others appear quite normal They teach a lesson that the dead don t automatically become ghosts Many of the stories give a brief hint to an afterlife While some ghosts go about their everyday lives in spirit form and others attempt to come back from the other side Some come back for revenge on the living The Charlotte S. Huck Collection Edgar Dale Media Center,1988 **In Review;** **Canadian Books for Children** ,1980
