girl who is chosen to stand up against them trained to kill them endowed with the strength it takes to defeat them the Slayer Then and there Spike decides he ll hunt down those slayers He ll see how many he can find Who would have thought then that he d fight on the Slayer s side Who would have guessed that Spike once William would go out and seek his soul for a slayer Who would have dared dream he d fall in love with one **One Thing or Your Mother** Kirsten Beyer,2008-01-01 It s tough being a teenage Slayer On the verge of failing her junior year thanks to annoying Principal Snyder who seems to be acting even stranger than usual lately Buffy agrees to meet with a tutor Not helping her studies is the fact that lately she s been exhausted waking up each morning feeling more tired than she did the night before To make matters even worse she s tasked with investigating the disappearance of a child a little girl who happens to have gone missing mere hours before a child vampire surfaced in Sunnydale accompanied by a wheelchair bound male who fits Spike s description perfectly Fighting off exhaustion and uneasy at the prospect of staking a child vamp Buffy learns that Principal Snyder is the target of a sleep deprivation spell that has taken over Sunnydale Putting aside her fear that her tutor is out to get her and hoping that the sleeping spell is affecting both humans and demons Buffy investigates Snyder s odd behavior She follows him to his childhood home to discover that he has arranged to have his abusive mother banished to the demon dimension Meanwhile Drusilla who has been playing mother figure to the child vampire is learning how difficult it is to be a parent As sleep takes hold of the citizens of Sunnydale Buffy begins to realize that unless she breaks the spell soon the nightmare is just beginning

Afterimage Pierce Askegren,2006-01-24 Real life battles reel life when the grand reopening of the Sunnydale Drive In unleashes a cast of movie monsters on the town Original [Buffy the Vampire Slayer: Carnival of Souls](#) Nancy Holder,2006-04-29 SOMETHING WICKED EVIL THIS WAY COMES There s something troubling about Professor Caligari s Traveling Carnival Perhaps it s that no one can recall the arrival of its hard to miss caravan of old style wagons countless performers and horse drawn carts Maybe it s the creepy calliope music that tirelessly beckons visitors Let s face it an enigma that chooses Sunnydale nearly guarantees it s up to more than wholesome family entertainment After a visit to the carnival s Hall of Mirrors a once shy pair of homely sophomore twins parades the halls of Sunnydale High like diva supermodels on a runway Intuiting the twins abrupt personality change as more than a self confidence boost Buffy joined by Angel Giles and the rest of the Scoobies decides to investigate the suspicious carnival firsthand But soon it s apparent that the price of admission is higher than she imagined Those who enter the carnival s attractions exit changed Each of the gang soon shows extreme displays of vice Willow is wracked with envy Cordelia s greed consumes her Xander unleashes his gluttony Angel reveals a lusty new persona And a dark anger rises in Giles But it s Buffy s now blinding pride that threatens to overpower her and in the process destroy those she loves **Dark Congress** Christopher Golden,2007-08-28 Since the beginning of time the demonic races have gathered every century to resolve conflicts among them and to determine the course of their future This centennial event was called the Dark Congress In the second century b c however the Dark Congress failed to

resolve their conflicts Instead the Congress ignited into a war that drove wedges between the various demon races from that time until now And all of it began as a result of Kandida the great North African river demon being nearly killed by forces in the Congress and magically entombed in the riverbank But now Kandida is free and for the first time in centuries the Dark Congress is being called again All demon races and other varieties of supernatural creatures have been called to gather at the Hellmouth in Providence Rhode Island Some gather in hopes of resolution some in favor of war and Kandida is tasked to broker a treaty and guide the Congress to peace wherein everyone might simply agree to disagree And so the demons gather under a banner of a truce But the demons still harbor many bitter disagreements with one another The Congress must have an arbiter of these conflicts and that someone is Buffy Summers Buffy is horrified and disgusted to be included After all she is not a demon is she She knows so little about her powers that she cannot say for certain where they truly spring from How can she spend so much time wallowing in the darkness without becoming part of it Can she possibly agree to a truce with all the horrors of the world and allow them to come Providence without any attempt to stop them And does she have a choice
